There is a skeleton in the Mattatuck Museum in Connecticut. It has been in the town for over 200 years. In 1996, community members decided to find out what they could about it. Historians discovered that the bones were those of a slave name Fortune, who was owned by a local doctor. After Fortune's death, the doctor rendered the bones. Further research revealed that Fortune had married, had fathered four children, and had been baptized later in life. His bones suggest that after a life of arduous labor, he died in 1798 at about the age of 60. Merilyn Nelson wrote The Manumission Requiem to commemorate Fortune's life. Detailed notes and archival photographs enhance the reader's appreciation of the poem.

Leanora Sutter. Esther Hirsh. Merlin Van Tornhout. Johnny Reeves . . . These characters are among the unforgettable cast inhabiting a small Vermont town in 1924. A town that turns against its own when the Ku Klux Klan moves in. No one is safe, especially the two youngest, twelve-year-old Leanora, an African-American girl, and six-year-old Esther, who is Jewish. In this story of a community on the brink of disaster, told through the haunting and impassioned voices of its inhabitants, Newbery Award winner Karen Hesse takes readers into the hearts and minds of those who bear witness.

From two-time Newbery medalist and living legend Lois Lowry comes a moving account of the lives lost in two of WWII's most infamous events: Pearl Harbor and Hiroshima. With evocative black-and-white illustrations by SCBWI Golden Kite Award winner Kenard Pak. Lois Lowry looks back at history through a personal lens as she draws from her own memories as a child in Hawaii and Japan, as well as from historical research, in this stunning work in verse for young readers. On the Horizon tells the story of people whose lives were lost or forever altered by the twin tragedies of Pearl Harbor and Hiroshima. Based on the lives of soldiers at Pearl Harbor and civilians in Hiroshima, On the Horizon contemplates humanity and war through verse that sings with pain, truth, and the importance of bridging cultural divides. This masterful work emphasizes empathy and understanding in search of commonality and friendship, vital lessons for students as well as citizens of today's world. Kenard Pak's stunning illustrations depict real-life people, places, and events, making for an incredibly vivid return to our collective past. In turns haunting, heartbreaking, and uplifting, On the Horizon will remind readers of the horrors and heroism in our past, as well as offer hope for our future.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. #1 NEW YORK TIMES BESTSELLER | A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK “ A great narrative about personal strength and really captures how books bring communities together. ” —Reese Witherspoon From the author of *The Last Letter from Your Lover*, now a major motion picture on Netflix, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in *THE GIVER*, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.

Soon after his mother's death, Matt takes a job at a funeral home in his tough Brooklyn neighborhood and, while attending and assisting with funerals, begins to accept her death and his responsibilities as a man.

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and

Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878 – 1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

"A stimulating combination of literary criticism, essay, and fiction" (The New Yorker) from the incomparable Ali Smith Artful is a celebration of literature's worth in and to the world—it is about the things art can do, the things art is made of, and the quicksilver nature of all artfulness. A magical hybrid that refuses to be tied down to either fiction or the essay form, Artful is narrated by a character who is haunted—literally—by a former lover, the writer of a series of lectures about art and literature. Ali Smith's heady powers as a novelist and short story writer harmonize with her keen perceptions as a reader and critic to form a living thing that reminds us that life and art are never separate.
