The author of this work did not live to see the final sheets in print. Although it has not received his revision, yet the book has had careful editing. Mr. Stratton did not undertake the Life of Paganini without adequate preparation. He had during many years thoughtfully studied the artist and his attributes, and became an acknowledged authority on the subject. He gathered from all available sources the most reliable information. Almost his last journey was a pilgrimage to Paganini's birthplace. This volume will exhibit his versatility, particularly the chapter giving the analyses of Paganini's compositions. It is therefore the most complete account of the greatest virtuoso recorded in the annals of music. Those who peruse this most interesting biography of Paganini, will naturally desire to learn something of the writer.

Casey Gallagher has it all together--a lucrative marketing career in Boston, a happy marriage, and a successful sports column she writes with her younger brother Griffin. She's got a plan to save for a dream home in the suburbs and then have kids, even though her cop husband Sam doesn't see the need to wait. The memory of her father still looms large four years after his passing. He was the cop who let her shine his boots, and she's idolized him since she was a little girl. Even Sam can't live up to his legacy. When she receives a letter from a woman claiming she bore her father's child years ago, Casey's balloon bursts. How could her father have had an affair? She soon learns her half brother is in her life already, but where? Does she even want to know another sibling? And how can her mother, who recently remarried and found a new faith, so easily forgive her husband for committing adultery? Even the Red Sox rookies Casey and Griffin have recently befriended seem to have an inner peace that puzzles her. As Casey attempts to fit the changes life throws at her into her idealistic plan, she is challenged by the dialogue running in her head. Is it her conscience, her imagination, or the voice of the God she's not sure she believes in?

This eye-opening book brilliantly explores the true roots of over-parenting, and makes a case for the vital importance of family life. Parents naturally worry about the future. They want to prepare their children to compete in an uncertain world. But often, argues political philosopher and father of three Matt Feeney, today's worried parents surrender their family's autonomy to gain a leg up in this competition. In the American ideal, family life is a sacred and private sphere, distinct from the outside world. But in our hypercompetitive times, Feeney shows, parents have become increasingly willing to let the inner life of the family be colonized by outside forces that promise better futures for their kids: prestigious preschools, "educational" technologies, youth sports leagues, a multitude of enrichment activities, and -- most of all -- college. A provocative, eye-opening book for any parent who suspects their kids' stuffed schedules are not serving their best interests, Little Platoons calls us to rediscover the distinctive, profound solidarity of family life.

Reflections on My Life

A Novel

The Essential Guide To Penis On Everything From Size To Functions

Double Blessing

"Tough Luck is funny and philosophical and wry and large-hearted, and it's our great good luck to have it."—Beth Ann Fennelly At the center of Tough Luck is a poem about an ill-fated I-35W Bridge in Minneapolis and its disastrous collapse, which killed 13 people and injured 145. The freighted, swiftly moving poems in Tough Luck crisscross between peril and safety as if between opposing riverbanks, revealing a frequently heart-stopping view of the muscled waters below. Marriage, family, home—all come down, but Todd Boss rebuilds with his trademark musicality and "a reverent gusto for representing the tactile aspects of human life" (Tony Hoagland).

He was featured on the front pages of RollingStone.com, Jezebel.com and was covered by The Huffington Post. Both Conan O'Brien and Jay Leno featured him in their monologues. Countless news agencies around the world broke the story when he went on Reddit and did an Ask Me Anything (AMA). Ranking as the 4th most popular AMA of all time (beating out the likes of Peter Dinklage, Bill Murray, Arnold Schwarzenegger and Harrison Ford), DoubleDickDude spent 48 hours discussing his life with a genetic condition known as diphallia. Only 1 in 5.5 million males worldwide are born with two penises. However very few (if any) are born with two working, and by all accounts attractive penises. After having managed to stay under the radar for over 20 years DoubleDickDude (or DDD for short) amassed thousands of followers on Twitter and in a matter of hours. In fact Twitter (temporarily) suspended his account for replying to his followers too many times! For the past year he has taken to writing a more detailed account of his life so far. Very little could be detailed during a frenzy of questions from thousands on Reddit. DDD goes from discussing his childhood, and explains how he knew he was special at an early age. His parents support grounded him in his early youth. We find out how he lost his virginity and was exposed to his peers. From there he discusses his wild streak of sexual adventures fresh out of high school. Recapping his favorite questions and answers, discussing sexuality and acceptance DDD covers

gamut. Don't worry, all the saucy and steamy stories he hinted at in his AMA are covered and then some. Like that 7-way orgy he briefly detailed amid the torrent of questions during his AMA. Not to mention the hunky straight gym jock who "went gay" and the poor girl who... shall we say, her lady place was a wreck after one time with DDD there and more! Written from first person perspective the narrative is raw, honest and often times gritty. Details are not spared and readers beware, naughty moments revealed! The next time you see a man on the street with more than an adequate bulge in his jeans, it might just be DDD.

National Geographic Adventurer of the Year Jennifer Pharr Davis unlocks the secret to maximizing perseverance--on and off the trail Jennifer Pharr Davis, a record holder for FKT (fastest known time) on the Appalachian Trail, reveals the secrets and habits behind endurance as she chronicles her incredible accomplishments in the world of hiking, backpacking, and trail running. With a storyteller's ear for fascinating detail and description, Davis takes readers along as she trains and sets her record, analyzing and trail-testing the theories and methodologies espoused by her star-studded roster of mentors. She distills complex rituals and histories into easy-to-understand tips and items that will help you take perseverance to the next level. The Pursuit of Endurance empowers readers to unlock phenomenal endurance and leverage newfound grit to their personal bests in everything from sports and family to the boardroom.

Baseball's No-Hit Wonders honors such legendary pitchers as Cy Young, Bob Feller, Nolan Ryan and Sandy Koufax, while introducing readers to other eccentrics and one-of-a-kind wonders who have thrown no-hitters. The book, the first of its kind in more than fifteen years, fleshes out the colorful characters, compelling narratives and statistical details of baseball's 289 no-hit efforts—as well as the many near misses that are also part of the national pastime's storied history. Painstaking research and personal interviews allowed the author to pack great detail into a fun, fast-paced take on the game, revealing the stories of the no-hitter thrown by a pitcher on acid, the hitters most afraid of no-hitters and other gems thrown by guys with nicknames of Bumpus, Bobo, Cannonball and Nixey. Even the game's greatest slugger is credited with a partial no-hitter because all he did was throw a punch.?? Chapters detailing the best no-hitters of all time are interspersed with "Did You Know?" lists that include no-hitters by team, city and pitcher, no-hitters of the Negro Leagues, catchers who caught the most no-nos and the best pitchers NOT to throw a no-hitter. Updated continuously at: NoNoHitters.com

The protagonist, a Humanist-in-Residence at the center for Advanced Scientific Research, gets involved with a project to train a machine to pass a comprehensive exam in English literature--and with the degree candidate against whom the machine is competing. Reprint.

Arguably the ugliest but most functional device in the human body—symbols of manliness, objects of ribald humor and obscenities, imparting sexual pleasure and ensuring the continuation of the human race—the testicles (or balls, eggs, bullocks, stones, nuts . . . whatever you're inclined to call them) have been all but totally ignored in the writings of even internationally celebrated sex authorities. The Pleasures of Testicles exams these under-appreciated hallmarks of male sexuality from all angles. Entertaining, provocative, and hilarious, drawing on information from sources as diverse as ancient history and modern online chat groups, this book covers every possible aspect of pleasure relating to the testicles, from visual enhancements to the most shocking of intimate acts. If you're ready for sexual adventure and education, or you're just curious, The Pleasures of Testicles will give you a wealth of information . . . and plenty of ideas you can put into action to more thoroughly enjoy the amazing jewels that make the man.

Let's get one thing out of the way: Penile Photography is Art. Taken seriously and elevated to the artistic level it deserves, penile photography is so much more than the hastily taken photographs, quickly published to social media and an unsuspecting, uninterested viewer. While so-called "dick pics", (vulgar slang for penis photographs) have become a ubiquitous, yet unwelcome element in modern culture, photographically it is none the less trite and banal. The penis is a beautiful organ, symbolically intriguing, functionally dynamic and full of meaning to its owner. The personal artistic endeavor of photographing one's own penis is a journey of self-discovery, a liberation from notions of expression of personal creativity and healthy self-love. This book will inspire and help you elevate your plain and uninspiring penis photos to beautiful penile art that is appreciated on a multitude of levels.

The world's most popular spreadsheet program is now more powerful than ever, but it's also more complex. That's where this Missing Manual comes in. With crystal-clear explanations and hands-on examples, Excel 2013: The Missing Manual shows you how to master Excel so you can easily track, analyze, and chart your data. You'll be using new features like PowerPivot and Flash Fill in no time. The important stuff you need to know: Go from novice to ace. Learn how to analyze your data, from writing your first formula to charting your results. Illustrate trends. Discover the clearest way to present your data using Excel's new Quick Analysis feature. Broaden your analysis. Use pivot tables, slicers, and timelines to examine your data from different perspectives. Import data. Pull data from a variety of sources, including website data feeds and corporate

databases. Work from the Web. Launch and manage your workbooks on the road, using the new Excel Web App. Share your worksheets. Store Excel files on SkyDrive and collaborate with colleagues on Facebook, Twitter, and LinkedIn. Master the new data model. Use PowerPivot to work with millions of rows of data. Make calculations. Review financial data, use math and scientific formulas, and perform statistical analyses.

My Life with Two Penises

Find your way to the most historic saloons, pubs, and dives of America. These are the watering holes that shaped our nation and created our country. Find the favorite spots of our Founding Fathers, the places where the most well-known celebrities could relax, and the joints that most wouldn't walk into without a bodyguard. For each bar, you will get a complete history taken directly from the owners and bartenders. You'll find out what to expect when you go today. You'll get advice on what drinks and food to order. And we'll even share insider's tips so you won't stand out like a tourist. You'll also get instant access to brief online documentaries made for each bar so you'll know before going exactly what to expect, what to order, and who to talk to. Bucket List Bars is the definitive guide to the historic saloons, pubs, and dives of America. Also Included: • QR Code-Linked Documentary Video of Each Bar—A First of its Kind for Guidebooks • QR Code-Linked Videos of Their Signature Drinks So You Know What to Order • Nearby Distractions in the Area To Make Each Visit Complete • Other Notable Bars Nearby To Visit If You Have the Time Featuring: Austin Boston Area Chicago Denver El Paso area Las Vegas Los Angeles New York City Philadelphia San Antonio San Francisco Tucson Area -- This book provides travel-guide like information to business travelers, history buffs and drinking culture enthusiasts. My partner and I have spent the last year traveling the country filming, photographic and documenting almost 50 historic bars from New York to Los Angeles, from 1673 to 1968. We've not only written about these, but also created brief documentaries of each that showcases them in their historic context, provides an assessment of food, drink, decor, etc, and interviews the bartenders and owners. Each chapter will include QR codes linking the reader to these videos that they can watch on their mobile device for free. This will be the first book in a multi-book series based on the same theme.

A practical guide to successfully navigating big life changes faced during middle age and later. Are you at a point in your life where you're asking, "What's next?" You've finished one chapter and you have yet to write the next one. Many of us face these transitions at midlife, but they can happen at any point. It's a time full of enormous potential, and it defines a whole new phase of life. It's called Life Reimagined. Here is your map to guide you in this new life phase. You can use the powerful practices and insights to help you uncover your own special gifts, connect with people who can support you, and explore new directions. You'll be inspired by meeting ordinary people who have reimagined their lives in extraordinary ways. You'll also read the stories of pioneers of the Life Reimagined movement such as Jane Pauley, James Brown, and Emilio Estefan. They show us that this journey of discovery can help us find fulfillment in surprising new places. One of the profound truths that underlies this book is the liberating notion that each of us is "an experiment of one," free to find our own path in this new phase of our lives. No old rules, no outdated societal norms, no boundaries of convention or expectation. Let Life Reimagined help you discover your new life possibilities! Winner of the 2014 Silver Nautilus Award

For use in schools and libraries only. Zig and Wikki arrive on earth to search for a pet for Zig's class assignment.

OPRAH'S BOOK CLUB PICK • A HARPERS BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST ANTICIPATED BOOK "It's clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; Finding Me reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all."—USA Today "[A] fulfilling narrative of struggle and success...Her gorgeous storytelling will inspire anyone wishing to shed old labels."—Los Angeles Times In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote Finding Me, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing their way through murky memories, trying

to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be . . . you. Finding Me is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you.

Little League Baseball® players Liam and Carter are still adjusting to changes since Liam's family moved across the country to California. Liam is faced with having to prove himself all over again to his new teammates. Carter, on the other hand, is having his best season ever. His pitches are unstoppable and it looks like his team might just sweep the competition. That is, until a new pitcher hits the scene. © 2013 Little League Baseball, Incorporated.

Do you or someone you know suffer from big dick energy? This is the book to read! Suffer might be the wrong word - it can be great to have a big penis too. It might not go everywhere, but one it's in somewhere, in in there snugly! Great as a gift, or great for those who need to reflect upon their own life as a bearer of a huge penis. Namaste.

In this "raucous, moving, and necessary" (San Francisco Chronicle) story by a Pulitzer Prize finalist, the De La Cruzes, a family on the Mexican-American border, celebrate two of their most beloved relatives during a joyous and bittersweet weekend. National Bestseller and National Book Critics Circle Award finalist A New York Times Notable Book / One of the Best Books of the Year from National Public Radio, American Library Association, San Francisco Chronicle, BookPage, Newsday, BuzzFeed, Kirkus Reviews, St. Louis Post-Dispatch, Literary Hub "All we do, miija, is love. Love is the answer. Nothing stops it. Not borders. Not death." In his final days, beloved and ailing patriarch Miguel Angel de La Cruz, affectionately called Big Angel, has summoned his entire clan for one last legendary birthday party. But as the party approaches, his mother, nearly one hundred, dies, transforming the weekend into a farewell doubleheader. Among the guests is Big Angel's half brother, known as Little Angel, who must reckon with the truth that although he shares a father with his siblings, he has not, as a half gringo, shared a life. Across two bittersweet days in their San Diego neighborhood, the revelers mingle among the palm trees and cacti, celebrating the lives of Big Angel and his mother, and recounting the many inspiring tales that have passed into family lore, the acts both ordinary and heroic that brought these citizens to a fraught and sublime country and allowed them to flourish in the land they have come to call home. Teeming with brilliance and humor, authentic at every turn, The House of Broken Angels is Luis Alberto Urrea at his best, and cements his reputation as a storyteller of the first rank. "Epic . . . Rambunctious . . . Highly entertaining." --New York Times Book Review "A raucous, moving, and necessary book . . . Intimate and touching . . . the stuff of legend." --San Francisco Chronicle "An immensely charming and moving tale." --Boston Globe

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins

cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Charlie Dawson is a co-owner of a successful design-build firm in his historic hometown of Plymouth, Massachusetts. More important to him is his happy marriage to Juliette, the girl he fell in love with in tenth-grade French class ... the one he married right after college ... the one he planned to have babies with soon-right up until the day she dropped dead. Wrapping his mind and heart around the facts surrounding her sudden death is made even more difficult by an overbearing father-in-law-a retired Army Colonel and West Point graduate; a local police sergeant who suspects Charlie is at the center of foul play; and a compassionless and demanding client who doesn't give him space or time to grieve. Fearing he'll forever lose the girl he knew, Charlie sets out on a course to discover the truth.

Empowering and validating, Your Life Matters reassures Black children everywhere that no matter what they hear, no matter what they experience, no matter what they're told, their lives matter. Written by national speaker Chris Singleton, who lost his own mother in the 2015 Charleston church shooting, Your Life Matters teaches kids to stand tall in the face of racial adversity and fight for the life they dream of. Each page depicts a famous hero from Black history mentoring a child of today and encouraging them to use their mind, heart, voice, and hands in that fight. Hero-mentors in the book include: Maya Angelou, Jackie Robinson, Martin Luther King, Jr., Aretha Franklin, Katherine Johnson, Harriet Tubman, Frederick Douglas, Mary McLeod Bethune, George Washington Carver, and others.

Batterson invites readers to pursue, recognize, and flip every blessing from God. He provides the tools necessary to inventory one's blessings and participate in double blessing-- that moment when a blessing in your life is leveraged to doubly bless another.

Provides an annotated medical history of Abraham Lincoln and his family.

As hard as marble, upright like a spur, a sword, a dagger, the giver of infinite pleasure and unique procreator, a source of immense comfort at boyhood, perhaps even a boy's very first true happiness, free, disinterested and supremely loyal. In dark moments, who better to turn to for solace? Stress vanishes, the body is wracked by a wondrous sensation, and the visible proof of manhood, the lakes and rivers covering the still-shuddering abdomen, glisten amidst the sweat. It is a boy's first and only true mate, one the boy will share with glee, but even after an evening of wild debauch, it'll return home with the guy that brought him. Always. The fixation on the male member, the answer to the "Whys" of our obsession concerning it, and that throughout the ages, is the basis of this book. We'll examine it through historical figures, Alcibiades for the Greeks, Priapus for the Romans, François I for France, Casanova for Venice, Byron will guide us through English Romanticism and Howard Hughes will represent America. We'll learn how to lengthen it, to really lengthen it, and how to restore the foreskin of those mutilated in infancy. We'll discover the benefits of that purest of elixirs, semen. Male nudity throughout time will be developed--how boys displayed their assets in Greek gymnasiums and Roman baths, baths in which men generously endowed were applauded, to the Renaissance where boys were the most brazen in their public eroticism, followed by pre-Elizabethan codpieces, and today's jocks and briefs. Phallic worship begins at birth, when the child in ancient times was laid at the father's feet and the tiny blanket opened. At the sight of the scepter the father would gratefully raise the boy above his head, to the full approval of those attending, for the scepter was the incontestable emblem that the child would grow into an oak, tall, strong and virile, who would be the power over the household were he born in a village, over a domain were his parents noble, or over the world itself, as was the destiny of Cyrus, Alexander and Caesar. He had the potential of becoming the intellectual Nietzsche had been, an artist like da Vinci and Michelangelo, an historian as was Herodotus, a writer like Homer and Shakespeare, a mathematician, an explorer, the first man to step foot on Mars. The father would now live eternally--a man's single and only true promise of an afterlife--through the thighs of the son in his arms, a boy who will perpetuate his name and his place in the universe, until the universe no longer exists. It is this, the covenant of the boy and his scepter, in times barbarous and in times enlightened. It is this the immutable promise of

the phallus. This book is written about men and is for men, especially omnisexual men.

Fifty years after the Equal Pay Act, why are women still living in a man's world? Debora L. Spar never thought of herself as a feminist. Raised after the tumult of the 1960s, she presumed the gender war was over. As one of the youngest female professors to be tenured at Harvard Business School and a mother of three, she swore to young women that they could have it all. "We thought we could just glide into the new era of equality, with babies, board seats, and husbands in tow," she writes. "We were wrong." Now she is the president of Barnard College, arguably the most important all-women's college in the United States. And in Wonder Women: Sex, Power, and the Quest for Perfection—a fresh, wise, original book— she asks why, a half century after the publication of Betty Friedan's The Feminine Mystique, do women still feel stuck. In this groundbreaking and compulsively readable book, Spar explores how American women's lives have—and have not—changed over the past fifty years. Armed with reams of new research, she details how women struggled for power and instead got stuck in an endless quest for perfection. The challenges confronting women are more complex than ever, and they are challenges that come inherently and inevitably from being female. Spar is acutely aware that it's time to change course. Both deeply personal and statistically rich, Wonder Women is Spar's story and the story of our culture. It is cultural history at its best, and a road map for the future.

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. “I want people to know a little more about the person they have been cheering on for the past year,” he writes in The Answer Is...: Reflections on My Life. The book combines illuminating personal anecdotes with Trebek’s thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell’s Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

From Katie Vaz, author of Don't Worry, Eat Cake, the beloved Make Yourself Cozy, and The Escape Manual for Introverts, comes My Life in Plants. Her newest book tells the story of her life through the thirty-nine plants that have played both leading and supporting roles, from her childhood to her wedding day. Plants include a homegrown wildflower bouquet wrapped in duct tape that she carried on stage at age three, to a fragrant basil plant that brought her and her kitchen back to life after grief. The stories are personal, poignant, heartwarming, and relatable, and will prompt readers to recall plants of their own that have been witness to both the amazing moments of life and the ordinary ones. This illustrated memoir covers the simplicity of home, the sharpness of loss, the lesson of learning to be present, and the journey of finding your way.

Eleven-year-old cousins catcher Liam McGrath and pitcher Carter Jones grew up playing baseball together. Now, their team is on the verge of winning the greatest championship of all: the Little League Baseball ® World Series. To reach the title match, however, they must first beat their number one rivals from Southern California. Little do they know that the game will prove to be just the first challenge they'll face on their road to the championships. © 2013 Little League Baseball, Incorporated.

Katie has Down Syndrome, but that's not what makes her so special. Find out what makes Katie unique. This title focuses on sight words, decoding, and retelling.

The Visual Guide to Penis Size

Nicolo Paganini

What else has been more shrouded in mystery or been put under more scrutiny than the male penis a.k.a. male johnson? Despite the fact that there's over 3 billion of them walking around, the johnson has proven more elusive to researchers than Sasquatch or the Loch Ness Monster. This is the case while 'johnson' size confidence appears to be foundering. A number of studies have shown that anywhere between 20 and 65 percent of men are not satisfied with their penis. Meanwhile, penile enlargement procedures are on the rise despite high risks and dubious benefits. Low confidence is diffusing through the male psyche in spite of the fact that nothing tangible has actually changed. There's isn't a penis shrinking disease epidemic and a race of men with elephant trunk johnsons hasn't been spawned. The key reason for men's deteriorating penis size confidence is a dearth of credible information. A void which has been largely been filled with lowly clickbait. It's a #fakenews fest out there! As a result, the majority of men's views on johnson size are being shaped by biased and incorrect information. Do a search for penis size information on the internet and you'll be given a myriad of answers and misinformation from preposterous sources. Fear not, I've combed through all the clickbait garbage heaps and BS to unearth the most solid and unbiased professional studies on the subject of johnson size published in academic journals from the past 60 years. After a long search and vetting process, I was able to pull together a consistent and geographically diverse set of studies for johnson length and width in both the flaccid and erect states. My hope is that by presenting this data to you in simple yet visually compelling ways, we can finally cut through all the inflated propaganda that's been the driving force behind men's eroding johnson size confidence. I promise you, you haven't read anything like this before and you'll never look at a penis the same way again!

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.
