*Steve Jobs, adopted in infancy by a family in San Francisco, packed a lot of life into fifty-six short years. In this Who Was...? biography, children will learn how his obsession with computers and technology at an early age led him to co-found and run Apple, in addition to turning Pixar into a ground-breaking animation studio. A college dropout, Jobs took unconventional steps in his path to success and inspired the best and the brightest to come with him and "change the world."*

*Accounts set up at third party companies remain the property of the client and are not managed in any way by Information Systems. Support: While the iPad User Guide will be installed in the iBooks app for quick reference, clients are encouraged to set up an appointment with Justin Jones (see contact info below) shortly after they checkout the iPad for a basic training session. This session is not required but is available to everyone using the program. Basic support for the default apps will be offered by Client Services. However, app support for the individual apps requested by each client cannot be provided. Instead, clients may reference the in-app help, the developer website, or the developer information listed in iTunes. iPads will be pre-configured to work on the UIndy wireless network. Wireless connectivity from other locations cannot be guaranteed. Clients should refer to the iPad User Guide in the iBooks app for wireless set up instructions.
