Kiss An Angel By Susan Elizabeth Phillips

The girl everybody loves to hate has returned to the town she'd sworn to leave behind forever. As the rich, spoiled princess of Parrish, Mississippi, Sugar Beth Carey had broken hearts, ruined friendships, and destroyed reputations. But fifteen years have passed, now she's come home -- broke, desperate, and too proud to show it. The people of Parrish don't believe in forgive and forget. When the Seawillows, Sugar Beth's former girlfriends, get the chance to turn the tables on her, they don't hesitate. And Winnie Davis, Sugar Beth's most bitter enemy, intends to

Even worse, this modern-day dark prince is planning exactly the sort of revenge best designed to bring a beautiful princess to her knees. But none of them have reckoned on the unexpected strength of a woman who's learned survival the hard way. Ain't She Sweet? is a story of courage and redemption...of friendship and laughter...of love and the possibility of happily-ever-after. How did this happen? heroine is taking a serious beating. What should a down-on-her-luck actress do? Not go to Vegas . . . not run into her detestable former costar, dreamboat-from-hell Bramwell Shepard . . . and not get caught up in an ugly incident that leads to a calamitous elopement. Before she knows it, Georgie has a fake marriage, a fake husband, and maybe (or not) a fake sex life. It's a paparazzi free-for-all, and Georgie's nonsupporting cast doesn't help. There's Bram's punk-nightmare housekeeper, Georgie's own pushy parent, a suck-up agent, an icy studio head with a private agenda, and her ex-husband's new wife, who can't get enough of doing good deeds and saving the world—the bitch. As for Georgie's leading man, Bram's giving the performance of his life, but he's never cared about anyone except himself, and it's

not exactly clear why. Two enemies find themselves working without a script in a town where the spotlight shines bright . . . and where the strongest emotions can wear startling disguises. Six years ago tragedy struck and Caroline Rogers had to make tough decisions to sell the family farm and put her life on hold to raise her younger siblings. Now that they're entering adulthood and her long-delayed photography career is taking off, she can almost taste the freedom. Shaken by self-doubt, Dr. Mick Larsen turns his back on his big-city psychiatric practice and settles for the small-town quiet of Redbud Mill, where he can hide his past successes and failures. To Caroline, he shows only a man who wants to put down roots and start a family--good reasons for her to stay away. Then someone starts vandalizing local landmarks
