

Ebook By Beau Taplin

“Billow and breeze, islands and seas, Mountains of rain and sun…….” Since 18th-century Highland warrior Jamie Fraser and resourceful 20th century medic, Claire Randall first met on screen in 2014, millions of viewers have been swept away by the Outlander TV series to the wild hills and craggy castles of Scotland. Now you can follow in the footsteps of Claire and Jamie with this guide to the inspiring locations where Diana Gabaldon ’s novels were set and the hit tv show were filmed. From the ancient cobbled streets, gabled palace and herb garden of Culross, which became fictional Cranemuir, to the iconic 1960s Pathfoot Building at the University of Stirling, which Claire ’s daughter Brianna visits on her first trip to Scotland, you can time-travel through centuries. In Scotland, different eras coexist and collide – just as they do in Outlander. Focusing on easy day trips from the characterful cities of Edinburgh and Glasgow – themselves jam-packed with Outlander locations – this guide will tell you about the most rewarding sights, when to visit them and how to get there.

ALSO AVAILABLE ON AUDIO: LOVE LETTER TO WHISKEY AND INTERNATIONAL BESTSELLING PHENOMENON. Celebrate five years of sweet, angry pain with this special edition of A Love Letter to Whiskey by Karol Steiner.THIS EDITION FEATURES:A forward from the authorA Love Letter to WhiskeyLove, Whiskey (a brand new novella from Jamie's point of view – 50,000 words of new content, including an extended epilogue)Bonus Content including letters from the author, fun facts and behind the scenes, as well as a note from the audiobook narratorBrand new special edition cover! saw him first.But it didn't matter.Because he saw her.He was my best friend, and I was his.We couldn't be together, but we couldn't stand to be apart.And if you're not truly lovers... but you're so much more than friends... what exactly are you?

Poems for accepting all that you are—including those parts of yourself that you wish you could disown * Give yourself permission to rest, and be silent, and do nothing. Love this alonezness, friend. Fall into it. (Don't 'worry, You won't 'disappear. I am here to catch you.) Invite warm, curious attention deep inside your weary bones. Until there is no loneliness, only radical self-love. " –Jeff Foster " There was never anything wrong with me, and there is never anything wrong with you. " So writes spiritual teacher Jeff Foster, who has traveled through his share of darkness—but also knows the light that lies on the other side. In You Were Never Broken, he presents a collection of poetry that embraces the full spectrum of human experience, from the seemingly mundane to moments of transcendent realization. Each verse is an invitation to stop and meditate on a different facet of personal transformation. Amid these verses, Foster provides his signature straight talk and accessible teachings on the value of stillness and silence, the pitfalls of the spiritual path, and what it means to surrender completely to the beauty of the present moment. For him, the winding path to self-acceptance started with nonjudgmental observation of his darkest thoughts—and here he shares his world-renowned expertise on how to begin your own journey. For Foster, every moment contains infinite possibilities. With You Were Never Broken, you 'll discover not just raw and inspirational poetry, but also a guide for completely surrendering to the beauty and possibility of the present moment.

Social media sensation Billy Chapata shares insight and advice into the powerful world of love, heartbreak, and what comes next. This collection of poetry and prose will justify heartache and inspire the fortitude to survive and prosper. From Chameleon Aura author Billy Chapata comes his second major poetry collection, Flowers on the Moon. Chapata presents his signature blend of experience and advice through a chaptered series of prose and poetry. Filled with the familiar themes of love, loss, resilience, and growth From Chameleon Aura but with fresh poems and new advice, his touching narrative celebrates humanity for its undeniable worth, and this collection will leave readers warm with hope for growth, rebirth, and, most prominently, self-acceptance.

The She Book v.2

The Truth About Magic

You Are Here

Evolution, Violence, and the World of Homer

Propertius: A Hellenistic Poet on Love and Death

Flux is a somber narrative, an ode to change, a collection of poetry and prose written from the many states of grief over a broken heart. With original illustrations by artist Katie Roberts, Orion Carlotto creates a dream world for the brokenhearted and paints a whimsical picture around the themes of love, loss, solitude, depression, sex, nostalgia, and unrequited romance. Flux takes readers through a raw and sorrowful journey of each and every bitter moment of heartbreak. Forewarning, Flux is best read with a warm cup of coffee in hand.

From the internationally bestselling author of Love Her Wild comes The Dark Between Stars, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, The Dark Between Stars, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer.

The final installment in this bestselling series completes the journey that Courtney Peppernell began with Pillow Thoughts. With 600,000 copies sold across the series, Pillow Thoughts continues to inspire all who dip into Courtney’s encouraging words. Self-healing is the theme of the entire Pillow Thoughts series. While books II and III focus on healing the heart and mind, respectively, Pillow Thoughts IV offers a balm for healing the soul. Have a cup of tea and let yourself feel.

H F W Taylor was for many years Professor of Inorganic Chemistry at the University of Aberdeen, Scotland. Since 1948, his main research interest has been the chemistry of cement. His early work laid the foundations of our understanding of the structure at the nanometre level of C-S-H, the principal product formed when cement is mixed with water, and the one mainly reponsible for its hardening. Subsequent studies took him into many additional aspects of the chemistry and materials science of cement and concrete. His work has been recognized by Fellowships and by other honours and awards from many scientific societies in the UK, USA and elsewhere. This second edition of Cement chemistry addresses the chemistry and materials science of the principal silicate and aluminate cements used in building and Civil engineering. Emphasis throughout is on the underlying science. The book deals more specifically with the chemistry of Portland cement manufacture and the nature of the resulting product, the processes that occur when this product is mixed with water, the nature of the hardened material, the chemistry of other types of hydraulic cement, and chemical and microstructural aspects of concrete, including processes that affect its durability. Since the first edition of this book was published in 1990, research throughout the world has greatly augmented our knowledge in all of these areas. The present edition has been updated and revised to take account of these advances. The reader will acquire a solid understanding of the subject and will be better equipped to deal with the problems and pitfalls that can arise in engineering practice as a result of inadequate understanding of the relevant chemistry. It will serve both as an introduction to those entering the subject for the first time and as a guide to the latest developments for those already experienced in the field.

Sad Birds Still Sing

Jorrocks’s Jaunts and Jollities

Bloom

A Love Letter to Whiskey

Forever is Just a Moment

The bestselling author of The Last Time I'll Write About You delivers poetic anthems about growth and change that will embolden and empower you. You Are Here is Dawn Lanuza's newest collection of contemporary poetry that lends itself to the idea of giving ourselves second chances. These self-healing poems and words draw on central themes of self-love, self-discovery, and empowerment. In order to survive the vicissitudes of life, You Are Here boldly reminds readers to always choose themselves, and in times where it seems impossible, to find the courage and strength to start anew. "One of my favorite Filipino authors... a collection of modern poetry and prose that are meant to be read slowly and savored. These are little vignettes reflecting on love and loss." —Princess S Pages *"Takes the reader on a hopeful journey from heartbreak to healing, Lanuza's straightforward writing includes many clever turns of phrase to delight the reader... [Her] poems explore the complexity of womanhood."*—Rev. Rebecca Writes *"I feel like this collection could help a lot of people dealing with depression (or mental illness in general) to feel seen and understood."* —Bookish Wanderer *Praise for The Last Time I'll Write About You: Poetry that hits you right in the feels. The magic of Lanuza's writing flows effortlessly with every piece. Definitely left wanting more."* —Sab The Book Eater *"As you read her work from start to finish, you'll smile, cry, and maybe even laugh a little."* —She Sounds Like Her

The bond between love and death has long been recognised as a defining characteristic of the elegies of Propertius, but scholars have rarely clarified how or to what degree Propertius differed from other love poets in associating these themes. In this book, Dr Papanghelis traces the radical way in which Propertius dealt with amorous and morbid fantasies in his poems. He argues that the modes of erotic expression used in the elegies are fundamentally unconventional, to the point that the definitions of love and death are interdependent. This book offers a detailed reading of some of the most stimulating and problematic of Propertius' elegies, offering fresh insight on the question of the poet's sensuous temperament and the significance of the love-death relationship in his works.

Homer's epics reflect an eighth-century BCE world of warrior tribes that were fractured by constant strife; aside from its fantastic scale, nothing is exceptional about Troy's conquest by the Greeks. Using a fascinating and innovative approach, Professor Gottschall analyses Homeric conflict from the perspective of modern evolutionary biology, attributing its intensity to a shortage of available young women. The warrior practice of taking enemy women as slaves and concubines meant that women were concentrated in the households of powerful men. In turn, this shortage drove men to compete fiercely over women: almost all the main conflicts of the Iliad and Odyssey can be traced back to disputes over women. The Rape of Troy integrates biological and humanistic understanding - biological theory is used to explore the ultimate sources of pitched Homeric conflict, and Homeric society is the subject of a bio-anthropological case study of why men fight.

More of a story than a collection of poetry, Love by Night will whisk you away from your world and into the dreamy romantic night. Love by Night begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into passionate love, delves deep into whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

12 Steps to Master Stress, Anxiety, Depression, Addiction, Anger, Trauma, and Fear

American Dream Machine

Poems to Save Your Life

The story of two talent agents and their three troubled boys, heirs to Hollywood royalty; a sweeping narrative about fathers and sons, the movie business, and the sundry sea changes that have shaped Hollywood and, by extension, American life. American Dream Machine is the story of an iconic striver, a classic self-made man in the vein of Jay Gatsby or Augie March. It’s the story of a talent agent and his troubled sons, two generations of Hollywood royalty. It’s a sweeping narrative about parents and children, the movie business, and the sundry sea changes that have shaped Hollywood, and by extension, American life. Beau Rosenwald—overweight, not particularly handsome, and improbably charismatic—arrives in Los Angeles in 1962 with nothing but an ill-fitting suit and a pair of expensive brogues. By the late 1970s he has helped found the most successful agency in Hollywood. Through the eyes of his son, we watch Beau and his partner go to war, waging a seismic battle that redraws the lines of an entire industry. We watch Beau rise and fall and rise again, in accordance with the cultural transformations that dictate the fickle world of movies. We watch Beau’s partner, the enigmatic and cerebral Williams Farquarsen, struggle to contain himself, to control his impulses and consolidate his power. And we watch two generations of men fumble and thrive across the LA landscape, learning for themselves the shadows and costs exacted by success and failure. Mammalian, funny, and filled with characters both vital and profound, American Dream Machine is a piercing interrogation of the role—nourishing, as well as destructive—that illusion plays in all our lives.

If you like strong-willed women, undying love stories, and honest portrayals of coping with a terminal illness, then you'll love this heart-warming romantic fiction epic.

DIVRethinks the history of classical political economy by assessing the Marxian idea of "primitive accumulation," the process by which a propertyless working class is created./div

A universal narrative on the significance of distance with love; remember to hold on to what you believe in. Ideal for those "whose love knows no bounds," The Space Between Us is full of profound anecdotes and messages, illustrating the courage and heartache of enduring physical distance. The Space Between Us explores the trials of love and what it’s like to live a life separated by distance from someone you care about. Its content is thoughtfully divided into five chapters, or phases, of the long-distance experience: At First Glimse Living for Tomorrow Lonely Nights Grow Together/Grow Apart When I See You. A combination of poems and prose are sporadically connected with small graphics and maps to visualize the journey of physical distance. These poems serve as an adhesive between the reader and the ones they miss, the longing, the anticipation, and the eventual relief. Though both authors bring with them a unique perspective, the lens is singular; each is attuned to navigating this complex terrain.

The Rape of Troy

Tech Giants and Freedom of Speech

Your Post Has Been Removed

Corazón is a love story. It is about the constant hunger for love. It is about feeding that hunger with another person and finding that sometimes it isn't enough. Salgado creates a world in which the heart can live anywhere; her fat brown body, her parents home country, a lover, a toothbrush, a mango, or a song. It is a celebration of heartache, of how it can ruin us, but most importantly how we always survive it and return to ourselves whole. The open access monograph argues established democratic norms for freedom of expression should be implemented on the internet. Moderating policies of tech companies as Facebook, Twitter and Google have resulted in posts being removed on an industrial scale. While this moderation is often encouraged by governments - on the pretext that terrorism, bullying, pornography, "hate speech" and "fake news" will slowly disappear from the internet - it enables tech companies to censor our society. It is the social media companies who define what is blacklisted in their community standards. And given the dominance of social media in our information society, we run the risk of outsourcing the definition of our principles for discussion in the public domain to private companies. Instead of leaving it to social media companies only to take action, the author's argue democratic institutions should take an active role in moderating criminal content on the internet. To make this possible, tech companies should be analyzed whether they are approaching a monopoly. Antitrust legislation should be applied to bring those monopolies within democratic governmental oversight. Despite being in different stages in their lives, Anne Mette is one of the most prolific philosophers in Denmark, the authors found each other in their concern about Free Speech on the internet. The book was originally published in Danish as Dit opslag er blevet fjernet - techgiganter & ytringsfrifhed. Praise for 'Your Post has Been Removed' "From my perspective both as a politician and as private book collector, this is the most important non-fiction book of the 21st Century. It should be disseminated to all European citizens. The learnings of this book and the use we make of them today are crucial for every man, woman and child on earth. Now and in the future." Jens Rohde, member of the European Parliament for the Alliance of Liberals and Democrats for Europe "This timely book compellingly presents an impressive array of information and analysis about the urgent threats the tech giants pose to the robust freedom of speech and access to information that are essential for individual liberty and democratic self-government. It constructively explores potential strategies for restoring individual control over information flows to and about us. Policymakers worldwide should take heed!" Nadine Strossen, Professor, New York Law School. Author, HATE: Why We Should Resist It with Free Speech, Not Censorship.

Formalborn’s highly anticipated second collection of poems, The Future is Blue sky and better days, and the author’s signature wry examinations of mental health, this book helps explain what lives inside us, what we struggle to define. Written on the road over two years of touring, The Future is rugged, genuine, and relatable. Grabbing attention like gravity, Hilborn reminds readers that no matter how far away we get, we eventually all drift back together. These poems are firewords for the numb. In the author’s own words, The Future is a blue sky and a full tank of gas, and in it, we are alive.

Crafting together the power of words and womanhood, writer Tanya Markul has written a completely unique poetry collection fit for the phenomenal readers of today. In Tanya’s words, “May we raise the bar for how we live our lives. May we ridiculously increase the amount of peace, play, creativity, beauty, love, and joy in everything we do. May we all sip from the wisdom of our suffering. And awoken with the courage to share our stories that can heal our inner and outer worlds.”

Toronto of Old

The Dark Between Stars

Many of the poems included here are short and uplifting, with messages such as "be yourself," "you are beautiful," and "this too shall pass." They combine the appeal of short, shareable poems with inspiration and encouragement. Also included are some of White's lengthier prose pieces, which address his childhood, his relationship with his father, and past romantic relationships, among other things. Whatever the form, White takes inspiration from the everyday, writing about abstract topics like love, loss, depression, and hope.
"Today I inked my skin with your name Not because I like the look and not because I love you I got a tattoo because I enjoy the feeling of knowing it will never leave me even if you decide to" The poetry of 2am Thoughts condenses an entire relationship, with all its untamed emotions and experiences, into a single day. As the long hours of the night drag on, we experience the obsession, fear, neuroticism, and the deep, universal longing for love: "All I've ever wanted is to feel wanted by you" When the dawn breaks, the stopped searching strangers' eyes for companionship. You won't lie in a coil bed with nothing but dark thoughts to warn you. You will not order a pizza for yourself in an empty apartment. One day you will look into your lover's eyes... You will no longer feel alone.

Bestselling authors Brittany C. Cherry and Kandl Steiner come together for the first time in an emotional compilation of poetry and prose. Written and collected over the course of more than two years, A Love Letter from the Girls Who Feel Everything is an intimate, honest, and raw assemblage of two women’s feelings in a modern world that often quiet’s any kind of emotion past indifference. Discussing themes of love, worth, loss and hope, A Love Letter from the Girls Who Feel Everything is a journey of discovery. Then, to us, to the world, to no one at all. Whether it’s the brightest, sunniest day where everything is perfect, or the darkest, dreariest night of rain where life seems unbearable – we have lived it, we have survived it, and we have felt every blissful, aching second. Here’s to embracing the feels, to the brave souls that listen to the way their hearts beat and aren’t afraid to ask someone else if they feel those same beats, too. Here’s to the girls, the boys, the love we sometimes share and the love we all-too-often o.

Everyone understands that life is hard, but self-love and dedication will always be the key. Becoming, is a beautiful debut collection of poetry centering around themes of feminism, sexuality, race, and mental health. Renada Williams’s 100+ poems are short, personal, emotional tributes to the things that make us different and a celebration of all the things that make us the same. A journey through life, love, and loss, becoming, reminds the reader that there is always a light at the end of the tunnel.

This book is the first to focus specifically on cancer nanotheranostics. Each of the chapters that make up this comprehensive volume is authored by a researcher, clinician, or regulatory agency member known for their expertise in this field. Theranostics, the technology to simultaneously diagnose and treat a disease, is a nascent field that is growing rapidly in this era of personalized medicine. As the need for cost-effective disease diagnosis grows, drug delivery systems that act as multifunctional carriers for imaging contrast and therapy agents could provide unique breakthroughs in oncology. Nanotechnology has enabled the development of smart theranostic platforms that can concurrently diagnose disease, start primary treatment, monitor response and initiate secondary treatments if required. In oncology, chemotherapeutics have been routinely used. Some drugs have proven effective but all carry risks of adverse side effects. There is growing interest in using remotely triggered drug delivery systems to limit cytotoxicity in the diseased area. This book reviews the use of theranostic nanoparticles for cancer applications over the past decade. First, it briefly discusses the challenges and limitations of conventional cancer treatments, and presents an overview of the use of nanotechnology in treating cancer. These introductory chapters are followed by those exploring cancer diagnosis and a myriad of delivery methods for nanotherapeutics. The book also addresses multifunctional platforms, treatment monitoring, and regulatory considerations. As a whole, the book aims to briefly summarize the development and clinical potential of various nanotheranostics for cancer applications, and to delineate the challenges that must be overcome for successful clinical development and implementation of such cancer theranostics.

From *Wilderpoetry* comes a heavily expanded revised edition of *Nocturnal*, a collection of poetry and beautifully illustrated black-and-white imagery inspired by darkened days and sleepless nights. Poetry meets presentation in each of the four sections ("*Dusk,*" "*Northern Lights,*" "*Howl,*" "*Lucid Dreams,*"), which trace the author’s continuing journey of self-discovery while illuminating a path for others along the way. *Ink stains, landscapes, dreamlike animals, blackened pages, and textured spreads create a multifaceted reading experience. And true to the moniker, these poems are linked by a motif of "the wild."* Celebrating the art of self-love poetry with both word and image, *Nocturnal* will leave readers comforted, curious, and inspired to explore the world around them.

In this follow-up to his bestseller *Own the Day, Own Your Life*, Aubrey Marcus turns his attention from optimizing our physiology, to optimizing our mindset, taking you on a journey of 12 universal steps to overcome pathology and create a life of meaning, balance, and high performance. Aubrey Marcus is a successful entrepreneur, sought-after speaker, creator of a hugely popular podcast, and one of the most respected voices in the field of psychedelic medicine. But he is first and foremost a seeker. In his work he shares his experiences openly and invites the world into his deepest and darkest moments, talking openly about his struggles with depression, anxiety, and the painful lessons learned from polyamory. *Master Your Mind, Master Your Life* provides both practical and philosophical answers to help you overcome your mental resistance. To achieve your goals and create more unity with yourself, you must learn to recognize and accept how the story you tell yourself holds you back. *Master Your Mind, Master Your Life* is a spiritual guide, a collection of stories, and a trusted step-by-step program to help us master our thoughts and navigate any situation. Marcus take us through a hero's journey of emotional and spiritual awakening, backed by the latest science. Each chapter ends with a section called "Into the Dojo," in which he offers two different prescriptive treatments. The first option is universally accessible. The second option is a more advanced method, which includes an exploration of the great transformative practices and medicines of the world. *Wise, profound, and brutally honest, Marcus shows you how to fight the programming that keeps you trapped from optimizing your life, teaches you to train your ego, recognize resistance, form a community of allies, face your inner critic, and confront your traumas all to unite your mind, body, and spirit.*

The instant New York Times bestseller from the mysterious and romantic poet Atticus, Instagram sensation and author of *Love Her Wild* and *The Dark Between Stars* In his third collection of poems, Atticus takes us on an adventure to discover the truth about magic. Through heartbreak and falling in love, looking back and looking inward, he writes about finding ourselves, finding our purpose, and the simple joys of life with grace, wit, and longing. *Whether it's drinking wine out of oak barrels, laughing until you cry, dancing in old barns until the sun comes up, or making love on sandy beaches, Atticus reminds us that magic is everywhere—we simply have to look for it.*

Poetry and Prose

Pillow Thoughts IV

Take a journey through a broken heart and how it was mended back together. Heartbreaks, criticisms, loss, questioning faith, and childhood memories can leave you feeling broken. In all that pain, comes out strength, hope, self-love, and determination. A stronger person evolves to face the challenges ahead. These poems will uplift and empower the amazing person you already are. Sometimes we seek to find love where there is none. This is about having the courage to love yourself even when you feel like no one else does. It’s about awakening the fighter within you. To appreciate the ins and outs of your struggle and to be who you are. Don't apologize for being who because YOU are ENOUGH. To remember that while you are growing there will be others who would love to see you fall. That is not where your story ends. This is just where it begins.

An intimate collection of modern prose, poems, and quotes about surviving dark times. It's about telling your story... A resilient journey through a season of loneliness, as cycle of heartache, and a year of depression--this is what she unexpectedly found within the depths of her brokenness and how she emerged stronger. This book unapologetically explores the feeling, healing, and revealing of depression and the power of asking for help and being open to receiving support from nature and others, while giving a creative and empowering voice to emotional pain. As I wept in the arms of darkness, I heard the voice of my grandmother say, Nothing stays the same, darling, not even pain. Life is a path of change. Of ecstasy and ache. So, no matter what the storm claims, let love light the way. Are soulmates meant to be together? Forever is just a moment takes ahold of your heart with gentle hands and guides you through a journey of openness as they become united in a universe of magic. A story of love and loss, anxiety and hope, heartbreak and healing, told in short poems. This debut poetry collection walks with you on a journey of evolving to find your true self and discover the meaning of love. Forever is just a moment is a beautiful read for anyone who believes in the power of love and sacrifice. This book was written by a broken heart, for any heart that longs for healing. Beautifully designed with several pieces to a page, Bloom offers a unique twist on age-old topics: love, grief, and learning from them.

Outlander’s Guide to Scotland

A Love Letter from the Girls Who Feel Everything

Peace of Mind: Conversations Between the Heart and the Mind

Let these words guide you home. Let them be your last ray. When everything turns into dust, let them keep your heart safe. The past is dead and gone, all that have stayed alive are memories in the form of words. Bittersweet Memories is a collection of quotes, micro poems and prose by Parul Nigam. It includes pain, angst and so much love coming straight from the heart of an 18-year-old girl. The book is a refuge for the restless souls out there who are constantly battling with the society and with themselves. This debut is a ray of hope for the people who feel that overcoming their past is impossible. It is a reminder that no matter how bad you've been hurt, there's always light waiting for you to reach the end of the tunnel. Illustrated by Deepa Nigam

Sad Birds Still Sing is a highly anticipated book of poetry from anonymous author Faraway. In less than a year, he has become one of the most recognizable figures on the platform where he writes: Instagram (@farawaypoetry). In this book of selected poems and writings, Faraway takes the reader on a journey of discovery, with a message of hope running as the main artery through the pages. 'Sad Birds Still Sing' fearlessly dives into the depths of the human condition, tackling topics such as new and old love, heartbreak, loss, anxiety, self-love, dreaming, and much more. With an emphasis on short-form poetry, words and ideas, emotions and thoughts are woven together on the pages.

Bloom/Andrews McMeel Publishing

Dear Reader: These poems were born out of necessity. They provided a therapeutic outlet for my thoughts, feelings and conflicts. They are confessions of insecurity, fears, deep desires, joy and slivers of hope. More so, each poem is an introduction to the imagined and real worlds that are a part of me. Allow yourself to be taken on this journey.
