The Write SourceGreat Source Education Group
"HELP! My Students Can't Write!" Why You
Need a Writing Revolution in Your Classroom
and How to Lead It. The Writing Revolution
(TWR) provides a clear method of instruction
that you can use no matter what subject or grade
level you teach. The model, also known as The
Hochman Method, has demonstrated, over and
over, that it can turn weak writers into strong
communicators by focusing on specific
techniques that match their needs and by
providing them with targeted feedback.
Insurmountable as the challenges faced by many
students may seem, TWR can make a dramatic
difference. And the method does more than
improve writing skills. It also helps: Boost
reading comprehension Improve organizational
and study skills Enhance speaking abilities
Develop analytical capabilities TWR is as much a
method of teaching content as it is a method of
teaching writing. There's no separate writing
block and no separate writing curriculum.
Instead, teachers of all subjects adapt the TWR
strategies and activities to their current
curriculum and weave them into their content
instruction. But perhaps what's most
revolutionary about the TWR method is that it
takes the mystery out of learning to write well. It
breaks the writing process down into

manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Free Fall

A handbook discussing a variety of principles related to the writing process, such as composition techniques, creative thinking skills, grammar, and proofreading tips.

A New York Times Book Review Editors' Choice Part memoir and part literary true crime, Tell Me Everything is the mesmerizing story of a landmark sexual assault investigation and the female private investigator who helped crack it open. Erika Krouse has one of those faces. "I don't know why I'm telling you this," people say, spilling confessions. In fall 2002, Erika accepts a new contract job investigating lawsuits as a private investigator. The role seems perfect for her, but she quickly realizes she has no idea what she's doing. Then a lawyer named Grayson assigns her to investigate a

sexual assault, a college student who was attacked by football players and recruits at a party a year earlier. Erika knows she should turn the assignment down. Her own history with sexual violence makes it all too personal. But she takes the job anyway, inspired by Grayson's conviction that he could help change things forever. And maybe she could, too. Over the next five years, Erika learns everything she can about P. I. technique, tracking down witnesses and investigating a culture of sexual assault and harassment ingrained in the university's football program. But as the investigation grows into a national scandal and a historic civil rights case, Erika finds herself increasingly consumed. When the case and her life both implode at the same time, Erika must figure out how to help win the case without losing herself.

Kaleidoscope: Turns of Prose and Poetry is a collection of literature from The Carnegie Writers, Inc. Adult Writing Workshop. Through poetry, prose, and play-writing, each writer involved brought their own voice to the page. Everyone sees something different in a kaleidoscope, but to communicate that vision is something else entirely. These writers beautifully depict the shifting shapes and colors of

everyday life. Writing Facilitators Heather Hickox and Brian Smith would like to thank the participants of the Adult Writing Workshop for their hard work and commitment to this project. Kaleidoscope is a wonderful achievement, a true monument to creative expression, and we hope it will be enjoyed and explored for ages. The Carnegie Writers, Inc. is a community-based non-profit organization focused on writing education and collaboration. The Carnegie Writers provides positive and productive support for writers of all ages, also offering publications, writing events, and professional conferences. The organization was founded by Oluwakemi Elufiede in August 2013.

Robyn Davidson, author of the classic memoir *Tracks*, has led a remarkable life of writing and nomadic travel. In this crisp, erudite essay, acclaimed critic and journalist Richard Cooke explores Davidson's relationship with place and freedom, and her singular presence in Australian letters. In the *Writers on Writers* series,

leading authors reflect on an Australian writer who has inspired and fascinated them. Provocative and well-written, these books start a fresh conversation between past and present, shed new light on the craft of writing, and introduce some intriguing and talented authors and their work. The Writers on Writers series is published by Black Inc. in association with the University of Melbourne and State Library Victoria.

Providing practical advice to students on how to write for biology, this book shows how to write for a particular audience, self evaluate drafts, and paraphrase for improved comprehension.

Covers the writing process, grammar, and study skills.

Braced Against the Wind

First published a decade ago, *A Writer's Book of Days* has become the ideal writing coach for thousands of writers. Newly revised, with new prompts, up-to-date Web resources, and more useful information than ever, this invaluable guide offers something for everyone looking to put pen to paper — a treasure trove of practical suggestions, expert advice, and powerful inspiration. Judy Reeves meets you wherever you may be on a given day with:

- get-going prompts and exercises
- insight into writing blocks
- tips and techniques for finding time and creating space
- ways to find images and inspiration
- advice on working in writing groups
- suggestions, quips, and trivia from accomplished practitioners

Reeves's holistic approach

addresses every aspect of what makes creativity possible (and joyful) — the physical, emotional, and spiritual. And like a smart, empathetic inner mentor, she will help you make every day a writing day.

- MLA and APA documentation and research paper styles- Student models of critical college writing forms- Clear guidelines for citing print and electronic sources- Writing process and Proofreading Guides

Dive into the raging falls of this anthology and experience an eclectic mix of genres and poetry. You'll travel to a town reeling from tragedy, meet an alien who is in love with a human and laugh at the antics of Hal, a cheeky hallucination. 'Then thick, hairy fingers wrapped themselves around his wrist and began to pull.' 'I peeped from behind Patty's body ... trembling with icy fear. Somehow I managed a weak, "Hello."' 'Holly shrank in horror as students, TV cameras and teachers turned to look at her.' 'I gesture, "don't speak." I mime the burglar climbing the stairs ... we wait in the dark...'

Gold Fever and Disaster in the Klondike

A gripping and wholly original account of the epic human tragedy that was the great Klondike Gold Rush of 1897-98.

One hundred thousand men and women

rushed heedlessly north to make their fortunes; very few did, but many thousands of them died in the attempt. In 1897, the United States was mired in the worst economic depression that the country had yet endured. So when all the newspapers announced gold was to be found in wildly enriching quantities at the Klondike River region of the Yukon, a mob of economically desperate Americans swarmed north. Within weeks tens of thousands of them were embarking from western ports to throw themselves at some of the harshest terrain on the planet--in winter yet--woefully unprepared, with no experience at all in mining or mountaineering. It was a mass delusion that quickly proved deadly: avalanches, shipwrecks, starvation, murder. Upon this stage, author Brian Castner tells a relentlessly driving story of the gold rush through the individual experiences of the iconic characters who endured it. A young Jack London, who would make his fortune but not in gold. Colonel Samuel Steele, who tried to save the stampeders from themselves. The notorious gangster Soapy Smith,

goodtime girls and desperate miners, Skookum Jim, and the hotel entrepreneur Belinda Mulrooney. The unvarnished tale of this mass migration is always striking, revealing the amazing truth of what people will do for a chance to be rich.

A collection of short stories, poems and essays by members of Marco Island Writers Inc.

From top experts in the field, the definitive guide to grant-writing
Written by two expert authors who have won millions of dollars in government and foundation grants, this is the essential book on securing grants. Helps students build skills in writing, learning, proof-reading, grammar and test-taking.

An assemblage of reflections on the nature of writing and the writer from one the greatest American writers of the twentieth century. Throughout Hemingway ' s career as a writer, he maintained that it was bad luck to talk about writing—that it takes off “ whatever butterflies have on their wings and the arrangement of hawk ' s feathers if you show it or talk about it. ” Despite this belief, by the end of his life he had done just what he intended not to do. In his novels and stories, in letters to editors, friends, fellow artists, and critics, in interviews and in commissioned articles on the subject, Hemingway wrote often about writing. And he wrote as well and as incisively about the subject as any writer who ever lived... This book contains Hemingway ' s reflections on the nature of the writer and on elements of the writer ' s

life, including specific and helpful advice to writers on the craft of writing, work habits, and discipline. The Hemingway personality comes through in general wisdom, wit, humor, and insight, and in his insistence on the integrity of the writer and of the profession itself.

—From the Preface by Larry W. Phillips

Keneally ' s caricature of a self-loathing Jimmie Blacksmith is a lost opportunity to explore the complex ways that Aboriginal people . . . were pushing against a white world that would not accept them for who they were; that would not see them as equal; that, in truth, would not see them as human. Acclaimed journalist Stan Grant weaves literary criticism, philosophy and memoir to shed light on *The Chant of Jimmie Blacksmith*.

Drawing parallels with Indigenous writers Tara June Winch and Bruce Pascoe, Grant brilliantly re-examines Keneally ' s novel, raising questions about identity, modernity and storytelling. In the *Writers on Writers* series, leading authors reflect on an Australian writer who has inspired and fascinated them. Provocative and crisp, these books start a fresh conversation between past and present, shed new light on the craft of writing, and introduce some intriguing and talented authors and their work. Published by Black Inc. in association with the University of Melbourne and State Library Victoria.
