

S Telugu Reference Bible

This volume narrates the history of Telugu Christians, a faith community located in the states of Telangana, Andhra Pradesh, and Pondicherry in southern India. A social history of a faith community, this volume analyzes how social aspirations of the community, local worldviews, and historical contingencies shaped the beliefs and practices of Telugu Christians. It relates and interprets the history of Telugu Christians chronologically from the sixteenth century until the current times. The first two chapters of the book examine the earliest encounters between the Christian message that European missionaries introduced and the local Christians. Covering three centuries, this section highlights the appropriation of the Christian message among the caste converts. Later chapters analyze the impact of Dalit conversions and women's leadership on the social fabric and theological texture of Telugu Christianity in the nineteenth and the early twentieth centuries. The book ends with a consideration of three dominant movements in the second half of the twentieth century and the early twenty-first, namely the process of Sanskritization, the influences of Pentecostalism, and those of Holiness movements on the Telugu church. In conclusion, Taneti recaps how caste and empire shaped the faith and practices of Telugu Christians.

"The book also features cross-references throughout, a bibliography accompanying each entry, an elaborate appendix listing biographies according to particular categories of interest, and a comprehensive index."--BOOK JACKET.

an index brings you to the location. The Built-in table of contents reference all books in all formats. We believe we have built one of the best if not the best navigation there is to be found in an ebook such as this! It puts any verse at your fingertips and is perfect for the quick lookup. And the combination of Bible in Basic English and Turkish Bible and its navigation makes this ebook unique. Note that Text-To-Speech (TTS) support varies from device to device. Some devices do not support it. Others support only one language and some support many languages. The language used for TTS in this ebook is English.

Beginning in the nineteenth century, native women preachers served and led nascent Protestant churches in much of Southern India, evolving their own mission theology and practices. This volume examines the impact of Telugu socio-political dynamics, such as caste, gender, and empire, on the theology and practices of the Telugu Biblewomen.

A History

Christian communities in the state Andhra Pradesh of south India and the Telugu Christians in diaspora have passed their stories from one generation to the next by oral traditions as well as in scattered texts. James Elisha Taneti's History of the Telugu Christians: A Bibliography lists more than 700 published and unpublished textual sources related to the history of Telugu Christians from south India, including monographs, journal articles, letters, reports, minutes and the proceedings of missionary conferences, unpublished theses, dissertations, souvenirs, and manuscripts. Taneti's insightful historiographical analysis and comprehensive list of bibliographic sources offer seminarians, historians, and scholars the opportunity to study the religious history of India through the founding and evolution of this community. The study of Israel's journey from Egypt to the Promised Land is in reality a picture of the spiritual progression of a believer from new born babes in Christ to becoming mature fathers and mothers in the faith. Dr. Bailey will take you on a journey, where you will be given keys to attaining ever-greater heights in your relationship with Christ, until you come unto spiritual Mount Zion, and can say with the Apostle Paul, "I press toward the mark for the prize

of the high calling of God in Christ Jesus."

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

History of the Telugu Christians

The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Indian Listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener, a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes the programmes in them and produce them along with photographs of performing artists. It also contains the information of major changes in the service of the organisation.
