The Art of the Etruscans

Merope. E. M. Foster Revisited

This edition presents Pascal's little-known work in French, with an English translation. The text is accompanied by nearly 100 color photographs of the stained-glass windows in Strasbourg Cathedral, which depict the whole cycle of the life of Jesus in great iconographic detail. The book provides a fascinating and deeply topical account in words and pictures of the coming to earth of the Son of God.

A Passion for Trains

Equatoria 12. parallelo

A lavishly photographed tribute to history's railroads covers everything from steam engines to the latest diesel-powered locomotives, canvassing 160 of the photographer's most significant train images as taken in front of western landscapes, in inclement weather, from risky vantage points, and more. First serial, Classic Trains.
