Do they say, "Gwenvael the Handsome, you are the best among us--the most loved of all dragons?" No! For centuries my family has refused to acknowledge my magnificence as well as my innate humility. Yet for them, and because I am so chivalrous, I will brave the worst this land has to offer. So here I stand, waiting to broker an alliance with the one the Northlanders call The Beast. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying. . .woman? It turns out the Beast, a.k.a. Seven wyverns, six dragon mates, and a mouthy demon named Jim... When word comes that a demon lord plans to curse all of dragonkin, Aisling, Drake, and the rest of the weyr take immediate action. But before they can find out just who is behind the threat, and why the curse is being cast, the red dragons disappear, leaving behind oddly familiar—but deadly—new foes. The weyr bands together to repel the attacks and save the future of all dragons, but not before they lose one of their own. With demon-dragon hybrids trying to kill them, a demon lord weaving the biggest curse ever created, and the

destruction of an entire sept, the wyverns unleash their collective wrath against the Dragonblight that could obliterate them all. Note to new readers: this book details events that happen between two existing dragon novels, Sparks Fly and Dragon Fall.

The Dragon Reborn

“Sexy and outrageous humor” heat up this fun fantasy from the New York Times bestselling author of the Scarred Earth Saga (Romantic Times). I know what they see when they look at me. The charming, soft-spoken dragoness bred from the

most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me

He also enjoys helping out with the camp's watch-wher— a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can't promise a future above the ground. Sasquatch stay hidden from Google maps?), the League for Interspecies Cooperation is sending Jillian to Louisiana on a fact-finding mission. While the League hopes to hold on to secrecy for a little bit longer, they're preparing for the worst in terms of human reactions. They need a plan, so they look to Mystic Bayou, a tiny town hidden in the swamp where humans and supernatural residents have been living in harmony for generations.

Mermaids and gator shifters swim in the bayou. Spirit bottles light the front porches after twilight. Dragons light the fires under crayfish pots. Jillian's first assignment for the League could be her last. Mystic Bayou is wary of outsiders, and she has difficulty getting locals to talk to her. And she can't get the gruff town sheriff, Bael Boone, off of her back or out of her mind. Bael is the finest male specimen

Forget you put a woman in the local jail for a few months—and she takes it so personally! And yet she is the one trying to assassinate the queen. And now I’m trapped with Elina Shestakova of the Black Bear Riders of the Midnight . . . gods! That endless name! But what am I to do? I am Celyn the Charming with direct orders from my queen to protect this unforgiving female. Even more shocking, this unforgiving female is completely unimpressed by

Sanity is overrated in this “captivating, funny, exciting” fantasy adventure from the New York Times bestselling author of the Scarred Earth Saga (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I’d have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn’t need it—namely me—I’ll let him.
