

Dream Big A True Story Of Courage And Determination

Have you ever had a dream? How did you make that dream come true? Dave McGillivray is a world-renowned athlete, entrepreneur, captivating motivational speaker, and philanthropist. He's also the director of the Boston Marathon, the world's oldest and maybe most famous annual race! But he wasn't always so accomplished. In *Dream Big: A True Story of Courage and Determination*, his nonfiction picture book for readers ages 6 to 10, Dave shares his unique, true story about reaching deep and showing extreme determination in the face of doubt, disappointment, and loss. In *Dream Big: A True Story of Courage and Determination*, Dave is a small kid who wants more than anything to be a professional athlete. But there's one problem. You have to be tall to play basketball. You have to be big to play football. And Dave? He's little, but his dreams are BIG. He turns to running, because you don't have to be big to be a marathon runner! But you do need to train. And Dave doesn't do much training before he crosses his first starting line of the Boston Marathon. Which is probably why he doesn't quite cross the finish line on his first attempt at the famous race. But his Grandpa believes in him, and that's enough to make Dave train hard for the next Boston Marathon. But will his Grandpa be there to see him succeed? Kids and grownups alike will be inspired by Dave's story of passion, determination, and grit. Nomad Press's first foray into the genre of nonfiction picture books, *Dream Big* delivers on all the promise you'd expect from a vibrant, real-life character paired with an award-winning fine artist. Together, Dave McGillivray and Ron Himler create a story that is heartwarming, inspiring, and beautifully presented.

TIME DREAMS. They are dreams, like any other dream. They are dreams about space and Time. They seem real, but so does life. Dreams are thoughts. You've heard it before, "I think, therefore I am." (Rene' Descartes). But, the fact is - nobody even knows where thoughts come from. Most people believe they have free will. They believe they have a choice. They believe they act of their own volition. But, will is not an action. It is only a thought. You cannot will something to happen. You are only free to choose the thoughts in your head. And, no one knows where they come from. Life is a fantasy. No one knows what Life is or where it came from. No one knows what Time is. No one knows where Man came from or how long he's been on this planet. No one knows if their actions are truly theirs. No one knows where dreams come from. No one knows what reality is. Quexistence: The Quest for the Meaning of Existence: TIME DREAMS is a philosophical fantasy of dreams, space, Time, and love. It is the story of one man's search to find the meaning of his existence. But, how can he when nothing in this world is real? Have you ever wondered where Man came from? Did Man evolve from the apes? Was Man created by God? Perhaps Man was genetically created by the "Gods". Perhaps these "Gods" created other creatures in their attempt to make Man. "TIME DREAMS" is a story that reaches back to the Time of Creation. Man, the most arrogant of species, has no idea what Life is or where it came from. He doesn't even know how he originated or how long he's been on this planet. So, is that important in finding meaning for your existence? Gork thinks it is. In his quest to find clues to the origin of Man, Gork discovers there may be something even more meaningful. Gork tells Angie the story of how he met the girl in his dreams, her grandmother, Amani. His Time Dreams begin as he travels to an archaeological site near the Calico Hills in California. During the drive across the desert, Gork has his

first dream, a dream that takes him to another time, another world. In his dream he sees a girl, the girl of his dreams, Amani. He falls in love. It is True Love. It is Eternal Love. It is a love that has been since the beginning of creation. Gork travels through space and time, compelled to follow his dream. His dreams take him back to a time and place long forgotten. While in reality he discovers an underground cavern that holds the secret to Man's past. A secret buried in Time.

While doing genealogy research, a college professor runs across a true example of that most wayward of American existences—the hobo—in a story of a pair of runaways who hopped the rails, departing for times and places unknown, with only their adventurous spirits to guide them. Near his life's end, Percy B. Gates was a distinguished family man. He'd settled down and leveled out, but his past was full of adventure. At age thirteen, Percy and his best friend, Bill, ran off, whisked away from their homes on railroad tracks. They met a wide cast of characters while traveling the fifty states, from Wyatt Earp in the Old West to Teddy Roosevelt down in San Antonio. Bill fought a war, and Percy barely missed joining Roosevelt's Rough

This expansive adventure portrays a classic American story, based on the author's grandfather's own tales and letters. Leaving a disastrous past behind, the hobo sets off on his own American dream.

Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? "If you can dream it, it can happen." In this heartening book, Boston Marathon race director and motivational speaker David McGillivray shares the challenges he has overcome to inspire readers to similar triumphs in their own lives. Always the last pick for team sports because of his small stature, David McGillivray drove himself to excel at individual sports. When he was 16, he set himself up for the one "failure" that would motivate the rest of his life. He attempted to run in his first Boston Marathon--without training for the event. Not crossing the finish line could have been a crushing blow. Instead he went on to complete 115 marathons and eventually to become the Boston Marathon's race director. At age 23, McGillivray completed his celebrated 3,452-mile run across the United States to raise money for cancer research. The story of his journey and what he learned about himself will give all readers a new understanding of how to prepare for and achieve success. McGillivray's many accomplishments will convince readers that virtually any goal is possible. This book will motivate them to overcome the mental obstacles that often keep dreams from becoming reality.

A change his friends, Sam, William, Paul and Peter, all born slaves, hungered for. They had a dream - a dream to be liberated from all who chained them.
