dreams whenever you wish. There is no need to write down your dreams every day - a few times a week can be enough - but do so whenever you get the urge.

Usually the main reason for wanting to keep a dream journal is to have lucid dreams. There is space in this dream journal to mark dreams as lucid and to record the moment you realized you were dreaming. In this way you will learn to recognize triggers and dream with greater clarity. The journal is also useful for reflection and as well as expressing the emotions you feel in your dreams. This dream journal is perfect for those who love the idea of prompts to allow rapid recording of dreams, but also includes plenty of space
