

Dreams And Shadows

Myth of Moonlight By Liz Andrews, Lena Matthews
Kimberly Brenin has been plagued by nightmares. Dreams of being chased by someone or something - the petrifying face of a Werewolf. Most would chalk up the image to that of a scary story, but Kimberly knows the truth. Werewolves are real. She knows because she is one. Being orphaned at an early age has left Kimberly woefully naive when it comes to Were rules. As Benandanti of his pack, Nico is furious that Kimberly would dare come to his land. Every Were knows it is against Lycan Law for any Werewolf to come into another's territory without first gaining permission or making an offering, and Kimberly had done neither. The feisty beauty is a handful and much to Nico's amazement completely unknowledgeable about the world they live in. Even more astonishing, Kimberly has no idea that she is coming into her heat... Shadow of Moonlight By Lena Matthews, Liz Andrews
Remington is a solid first and a woman second. She's fought hard to earn her place as Venator for her pack. The safety of her Benandanti comes first, even before her own wants and desires. There isn't a Were alive who can make her feel any differently. Then again, Jace McClellen isn't an ordinary Werewolf. Thanks to the roll of the genetic dice, Jace possesses all the strength of a Werewolf but not the ability to change. Instead he's been given the annoying talent to dream a fortune-cookie future. A future filled with more questions than answers and a dream sidekick

who aggravates more than he helps. The one thing he doesn't need his visions to tell him is he and Remington are meant to be together. Now the only thing he has to do is convince Remington. Reader Advisory: While this novel is a stand-alone, for better reader enjoyment we recommend reading Myth of Moonlightfirst.

TIME DREAMS. They are dreams, like any other dream. They are dreams about space and Time. They seem real, but so does life. Dreams are thoughts. You've heard it before, "I think, therefore I am." (Rene' Descartes). But, the fact is - nobody even knows where thoughts come from. Most people believe they have free will. They believe they have a choice. They believe they act of their own volition. But, will is not an action. It is only a thought. You cannot will something to happen. You are only free to choose the thoughts in your head. And, no one knows where they come from. Life is a fantasy. No one knows what Life is or where it came from. No one knows what Time is. No one knows where Man came from or how long he's been on this planet. No one knows if their actions are truly theirs. No one knows where dreams come from. No one knows what reality is. Quexistence: The Quest for the Meaning of Existence: TIME DREAMS is a philosophical fantasy of dreams, space, Time, and love. It is the story of one man's search to find the meaning of his existence. But, how can he when nothing in this world is real? Have you ever wondered where Man came from? Did Man evolve from the apes? Was Man created by God? Perhaps Man was genetically created

by the "Gods". Perhaps these "Gods" created other creatures in their attempt to make Man. "TIME DREAMS" is a story that reaches back to the Time of Creation. Man, the most arrogant of species, has no idea what Life is or where it came from. He doesn't even know how he originated or how long he's been on this planet. So, is that important in finding meaning for your existence? Gork thinks it is. In his quest to find clues to the origin of Man, Gork discovers there may be something even more meaningful. Gork tells Angie the story of how he met the girl in his dreams, her grandmother, Amani. His Time Dreams begin as he travels to an archaeological site near the Calico Hills in California. During the drive across the desert, Gork has his first dream, a dream that takes him to another time, another world. In his dream he sees a girl, the girl of his dreams, Amani. He falls in love. It is True Love. It is Eternal Love. It is a love that has been since the beginning of creation. Gork travels through space and time, compelled to follow his dream. His dreams take him back to a time and place long forgotten. While in reality he discovers an underground cavern that holds the secret to Man's past. A secret buried in Time.

When guidance counselor Maggie O'Connell is plagued by terrible nightmares, she believes stress is the reason for her torment, but she couldn't be more wrong. Unfortunately for Maggie, in the shadows of her dreams lurks a Dream Stalker who is addicted to the dark emotions produced by her night terrors. Zane, a Dream Weaver from another dimension, visits

Maggie in her nighttime fantasies to discover there is more than just a Dream Stalker after her. As the man of her fantasies becomes real, Maggie's true nightmare begins.

If you were offered three wishes right now that could and would be fulfilled through sheer magic by a fairy godmother, what would they be? veil, through the lives of Ewan and Colby, young men whose spirits have been enmeshed with the otherworld from a young age. This brilliantly crafted narrative - part Neil Gaiman, part Guillermo Del Toro, part William Burroughs - follows the boys from their star-crossed adolescences to their haunted adulthoods. Cargill's tour-de-force takes us inside the Limestone Kingdom, a parallel universe where whisky swilling genies and foul mouthed wizards argue over the state of the metaphysical realm. Having left the spirit world and returned to the human world, Ewan and Colby discover that the creatures from this previous life have not forgotten them, and that fate can never be sidestepped. Set against the background of the antebellum slave trade, Drums and Shadows traces the persistence of African heritage in the culture of blacks living on the Georgia coast in the 1930s. In the later years of the depression, members of the Georgia Writers' Project visited and interviewed blacks, many of whose grandparents, smuggled into slavery as late as 1858, had passed on the customs and beliefs of their African past. Seeking evidence of African traditions, the project's workers questioned the blacks about conjure--the curses and potions responsible for turns of luck, illnesses, and even death--about dreams that often determine the course of daily life, and about spirits and other apparitions as real as walking, breathing people.

What do you do when you are suddenly transported from twenty-first century England into a world of strange magic where everyone seems to be trying to kill you? That's the question that faces Michael - an orphan who had been abandoned with a young couple while a baby, and largely ignored after his "adoptive mother" died. When a powerful dream sets off a series of events that inexplicably draws him into the land of Aylosia, Michael finally believes he is arriving in a place where he will feel his mother's love, but magical and political forces quickly seek his destruction. Caught between truth and lie, Michael now faces a fight for survival in a beautiful land; and must struggle to learn of his own powers and destiny if he is to save those he has grown to love. Dreams and Shadows is a story of magical powers and strange creatures; of love, betrayal, despair, and ultimately hope. It is the first book in the new series, the Aylosian Chronicles.

In the year 1464, the Kingdom is engulfed by civil war as the renowned houses of Lancaster and York fight to the death for the crown of England. Richard, Duke of Gloucester, the future Richard III, arrives, aged twelve, for the safety of Middleham Castle to begin his training for knighthood. His new companions discover he can change from kindness to cold rage within the wink of an eye. Men, it was said, watched him with wary eyes,

for they knew when the young pup found his teeth, he would make a dangerous enemy. Far in the north, Margaret of Anjou, warrior Queen to Henry VI, prepares to fight against the advancing armies of Edward IV. Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? He is forced to fight Louis XI of France, and the mighty Earl of Warwick, not only for his crown but also his life. From the courts of Edward IV, Louis XI, and Margaret of Anjou, comes intrigue, betrayal, witchcraft, and love. The Dreams of Kings weaves plots and characters together to make a roller-coaster read of the period they call the WAR of the ROSES.

#1 New York Times bestselling author Sherrilyn Kenyon returns with Shadow Fallen, a brand-new entry in her Dream-

Hunter series. For centuries, Ariel has fought the forces of evil. Her task was to protect the souls of innocent mortals when they die. Captured by a powerful sorceress, she is transformed into a human who has no memory of her real life or calling. And is plunked into the middle of the Norman invasion of England. Cursed the moment he was born with a "demonic deformity," Valteri wants nothing of this earth except to depart it and will do his duty to his king until then. When a strange noblewoman is brought before him, Valteri realizes he has met her before...in his dreams. When others come for her, bringing with them preternatural predators, he is faced with a destiny he had no idea was waiting. One he wants no part of. The truth is that Valteri isn't just a knight of William the Conqueror. He is the son of one of the deadliest powers in existence, and if he doesn't restore Ariel to her place, she is not the only one who will be in peril. The world itself hangs in the balance, and he is the necessary key to hold back the powers of evil. But only if he can find a way to work with the woman who stands for everything in the universe he

hates. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

US Air Force Second Lieutenant Sean Mitchell catches a military cargo aircraft to Clark Air Base for a bit of adventure-something to break up the daily routine back at his duty station in Denver Colorado. His "adventure" turns into a life-and-death escape mission as he unwittingly finds himself an accessory to a large-scale criminal racket. When he befriends a street kid named Billy Bong, Mitchell's world changes forever. He admires the young enterprising lad and wants to promote his street-side business. But, his association with Billy Bong leads Mitchell right into the crushing jaws of some powerful Angeles City criminal strongmen. Mitchell's actions are noble, but naive. He's out of his league on the rough and tumble streets of Angeles City. Mitchell finds himself outnumbered and on the run. Will he be able to make it out of the Philippines, or is his nightmare just beginning? Dreams of the Philippines is based on the true adventures of author Dave Ives. Through his writing, the memory of Clark Air Base and Angeles City in 1989 comes alive. A Jewish Foreign Legion soldier and an American showgirl fall in love in Paris during the German

Dream Beyond Shadows

"This is absorbing, headlong reading, a play on classic horror with an inventiveness of its own... As with all the best illusions, you are left feeling not tricked, but full of wonder." – The New York Times
The haunting new thriller from Alex North, author of the New York Times bestseller *The Whisper Man* You knew a teenager like Charlie Crabtree. A dark imagination, a sinister smile—always on the outside of the group. Some part of you suspected he might be capable of doing something awful. Twenty-five years ago,

Crabtree did just that, committing a murder so shocking that it's attracted that strange kind of infamy that only exists on the darkest corners of the internet--and inspired more than one copycat. Paul Adams remembers the case all too well: Crabtree--and his victim--were Paul's friends. Paul has slowly put his life back together. But now his mother, old and suffering from dementia, has taken a turn for the worse. Though every inch of him resists, it is time to come home. It's not long before things start to go wrong. Paul learns that Detective Amanda Beck is investigating another copycat that has struck in the nearby town of Featherbank. His mother is distressed, insistent that there's something in the house. And someone is following him. Which reminds him of the most unsettling thing about that awful day twenty-five years ago. It wasn't just the murder. It was the fact that afterward, Charlie Crabtree was never seen again...

"I will follow you to hell. You will never control any treasure and your army is dead where they stand. I promise you I will reach down from the heavens and take each of their lives". Imagine for a moment you are skiing downhill racing ahead

of an avalanche, your chest is pounding, pulse racing. That is what you will experience reading this story as the momentum builds, and your heart beats faster and faster. You will be absorbed into the lives of the characters, becoming a part of the action even after the ending. There are struggles between honor and greed, right and wrong, battlefields are soaked crimson over them. It makes you think and question 'What if?' due to the possibilities and theories contained within. It is purely fictional though based on a trilogy of poems I wrote. While hiking in Europe, Christian finds a unique rock formation resembling a rose hidden in shadows. While camping in the shadows, Christian hears the voice of a ghost telling a magnificent tale of times long past. The voice of Sir Rowan Baldin of the Knights Templar, born out of the aftermath of the Templar purge in France 600 years prior. Rowan's lineage managed to escape the purge to what is now known as Switzerland. There they helped shape a country while protecting their Templar roots in absolute secrecy. Rowan uses dreams and leads Christian on a fast paced adventure throughout Europe. Christian stumbles onto a number of remarkable discoveries, and is knighted by the modern day Templars he uncovers on his quest. Christian finds who he was meant to be. The Templars, these once 'warrior monks' are brought out of the shadows, and their reputation

redeemed as their real story is told. This book is not suitable for children due to graphic nature of violence and adult situations. This is my first novel.

In this story, shadows are depicted as parental figures. Parentals provide coverings and are essential to us discovering our identity. Authors Jelina Sheppard and Karter Sheppard tell a story of a little boy born without his covering. Join the boy with no shadow as he discovers how amazing and unique he is, with or without his shadow. We don't always have what we want, but the sun will always provide us with what we need when we need it most. Until then, "Just remember, you're still awesome times three..." Jelina Sheppard is the mother of four-year-old Karter and needed a creative approach to encourage her son when asked about his father. Her passion for writing and love for her son pushed her to create *The Boy With No Shadow*.

A Tempest of Shadows

A reverse harem, enemies to lovers, slow burn romance. "The relentless clock of fate was groaning over to the next hour, ringing the arrival of a battle as old as time, sounding the final alarm, the final chance to fall to our blades or lift them high. It was repeating

infernal hours that grew hungrier with each turn, more vicious than the day, the year, the century before." The end was here. The great war had begun. I had been torn apart and remade, a marionette to dance over the coals of this world, stitched together by my tormentors. The great masters thought they could break me down and own me. They were wrong. I had won my freedom, my place in this world, my golden-eyed protector by my side. Until it happened again; the grim call of fate looking out at me through eyes of darkness, the great masters waiting with the power I needed, curses and promises in their hands. It was time to make another deal. It was time to play their game in earnest. Book 2 in the Tempest of Shadows series. Over 105,000 words. This is a slow burn with DARK themes, unwilling anti-heroes, and one hell of a kick-ass heroine woven through a rich fantasy setting. Dreams and Shadows is a love story set against the background of World War II in Europe. True love has no boundaries; but when a world war is thrown into the romantic scenario, young lovers are confronted with insuperable war-related difficulties. Dreams are shattered and love is sacrificed for the sake of war and peace. Of most importance in this story are: German dictator Adolf Hitler of the Nazi Party, who established the Third Reich; and Italian fascist dictator Benito Mussolini, who together pursued territorial expansion and proliferation of gold, expensive artifacts and the great masters painting,

while spreading shadows of suffering, persecution, death and destruction across all of Europe.

Screenwriter and acclaimed film critic C. Robert Cargill makes his fiction debut with Dreams and Shadows, taking beloved fantasy tropes, giving them a twist, and turning out a wonderful, witty, and wry take on clash between the fairy world and our own.

Something is missing from Ewan and Colby's lives.

Residing in the corners of their memories is their time in Limestone Kingdom, a realm filled with magic and mystery, a world where only some may travel amongst the menagerie of mystical souls and sinister demons.

Cargill offers well-crafted characters and an absorbing, intricate plot that will appeal to fans of Neil Gaiman and Lev Grossman. Dreams and Shadows pulls you into an extraordinary universe of darkness that exposes the magic and monsters in our world, and in ourselves.

One winter's night the writer renounced his American dream of building a life in New York City to follow an enigmatic inner voice and embrace an unknown path, which goes on to occasion a life-changing journey in Peru, South America. He experiences the remarkable healing properties of shamanic ceremonies in the Amazon Jungle, the sublime energy of the ancient Inca Citadel of Machu Picchu and the Andes Mountains, the openness of Peruvian villagers and their commendable life-styles in harmony with nature, and friendship of many individuals who 'coincidentally'

enter his life at the most appropriate moments to help him integrate the vital changes taking place in his being. Part autobiographical, part travelogue, part philosophical musing and part poetry, wrapped up in language both sensitive to the writer's predicament and lyrically appreciative of the natural world, this book addresses the ethos of the world's current dominant civilizations. It also affirms for many seekers in the world, that it is possible to discover their true path in life and create their own reality based on their version of the absolute truth, which ultimately rests in all of us.

Exiled from the Shadow Fae, I'm left out on London's streets. The Knights of the Institute are dying of the plague, and they're sure I'm to blame.

Desperate to speak to Ruadan, I invade the Institute. Then, things take a turn for the worse. Like, "tortured in a tiny prison cell" worse. Seems like Ruadan has completely betrayed me. But when I finally reunite with my dark demigod, it turns out I'd totally

misunderstood his actions. Once I'm out of jail, Ruadan and I have to fix this mess, and we're thrown together once again. That means finding my father. Plus, we have to kill Baleros before the monster gets what he's after: the skin off Ruadan's corpse. If Baleros gets what he wants, then he'll control the world, and I'll lose Ruadan forever. This is the final book in a four-book series: Court of Shadows, Court of Darkness, Court of Night, Court of Dreams. This book is from the Demons of Fire and Night world.

Late at night, tucked away inside the dusty sector of Arrant, Nora is having recurring dreams of her own death. When the Agency suddenly appears at her doorstep, she frantically conducts her panic-induced escape. It's the distant future, a small band of rebels locked inside the city of Constance are the only citizens who can save her life? by connecting her to their manipulated Dream Machine. As Nora reshapes the premonition of her approaching death, the reality of her current situation is presented. The altered fate inhabitants that occupy the city are being hunted

by the leader of the Agency ? who is hard-set on destroying everything threatening his way of life.As her powers of foresight grow stronger, the rebellion positions Nora as the greatest enemy the Agency has ever faced.With her life continually threatened, the potential trapped inside of her mind begins to manifest. From finding new love and friendships to enemies and imprisonment, Nora's fears and desires are exploited time and again.The strengths she finds inside of herself, sealed within the walls of her own mind, are more compelling than she ever could have imagined. DREAMING IN THE SHADOWS has been reviewed as 'Divergent and The Butterfly Effect meet Eternal Sunshine of the Spotless Mind'.Author Ross Caligiuri has spent most of his life writing and performing within the music industry. Screenwriter and noted film critic C. Robert Cargill continues the story begun in his acclaimed debut Dreams and Shadows in this bold and brilliantly

crafted tale involving fairies and humans, magic and monsters—a vivid phantasmagoria that combines the imaginative wonders of Neil Gaiman, the visual inventiveness of Guillermo Del Toro, and the shocking miasma of William S. Burroughs. Six months have passed since the wizard Colby lost his best friend to an army of fairies from the Limestone Kingdom, a realm of mystery and darkness beyond our own. But in vanquishing these creatures and banning them from Austin, Colby sacrificed the anonymity that protected him. Now, word of his deeds has spread, and powerful enemies from the past—including one Colby considered a friend—have resurfaced to exact their revenge. As darkness gathers around the city, Colby sifts through his memories desperate to find answers that might save him. With time running out, and few of his old allies and enemies willing to help, he is forced to turn for aid to forces even darker than those he once battled. Following such masters as Lev Grossman, Erin Morgenstern, Richard Kadrey, and Kim Harrison, C. Robert Cargill takes us

deeper into an extraordinary universe of darkness and wonder, despair and hope to reveal the magic and monsters around us . . . and inside us.

King of Shadows

Only in the world of the theater can Nat Field find an escape from the tragedies that have shadowed his young life. So he is thrilled when he is chosen to join an American drama troupe traveling to London to perform *A Midsummer Night's Dream* in a new replica of the famous Globe theater. Shortly after arriving in England, Nat goes to bed ill and awakens transported back in time four hundred years -- to another London, and another production of *A Midsummer Night's Dream*. Amid the bustle and excitement of an Elizabethan theatrical production, Nat finds the warm, nurturing father figure missing from his life -- in none other than William Shakespeare himself. Does Nat have to remain trapped in the past forever, or give up the friendship he's so longed for in his own time?

The transformation of the Middle East is an issue that will absorb--and challenge--the world for generations to come; *Dreams and Shadows* is the book to read to understand the sweeping political and cultural changes that have occurred in

recent decades. Drawing on thirty-five years of reporting in two dozen countries—through wars, revolutions, and uprisings as well as the birth of new democracy movements and a new generation of activists—award-winning journalist and Middle East expert Robin Wright has created a masterpiece of the reporter's art and a work of profound and enduring insight into one of the most confounding areas of the world.

Previously published; newly revised by author I like my women like I like my whiskey: liable to kill me. The two parts of being a paranormal private investigator I could really do without are being forced to eat bananas by an animated statue with a potassium fixation, and being put on trial for murder by a self-appointed council of vampire oligarchs. To be fair, I did kind of do it (the murder, not the bananas). But I was kind of saving my girlfriend, who is kind of one of them. On top of this, I've also wound up with a primordial queen of the damned trying to strangle me in my dreams. And the conspiracy of undead wizards who tried to sacrifice me fifteen years ago has decided that now is the best possible time to give it another go.
