

and more. 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) \*Source: Nielsen BookScan: Australia, UK, USA, 5/2016-4/2017 Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

**Book & CD.** Dubai is your ideal base for business in the Middle East region and beyond. Strategically located midway between the Far East and Europe, and between the former Soviet Union and Africa, this position places the Emirate in the hub of the dynamic trading environment of the Arabian Gulf. Nevertheless, even within a world-class trading centre, setting up a company necessarily entails a large number of complex procedures and regulations. Understanding these, and how to navigate your company through them is key to your future success. Dubai imposes no taxes on profit or income; it offers complete freedom of capital movement; it boasts a sophisticated financial and services sector; its communications facilities are excellent; and the cost structure for doing business is highly competitive. In the Jebel Ali Free Zone and the Dubai Airport Free Zone, overseas companies are permitted to set up wholly-owned ventures and can enjoy an array of incentives, including exemption from import duties. The Dubai Technology, E-commerce and Media Free Zone, allows 100% foreign ownership of companies. Aside from these, and many more economic advantages, business people can be assured that the city of Dubai offers a superb quality of life for themselves and their families. The book features information on: Housing and Accommodation; Health and Education; Transport; Leisure Activities; Local Customs and Traditions. The CD includes reference forms and select directory.

It can be given off as a perfect souvenir as well for those who are visiting on a temporary basis.

**DYING IN DUBAI** is a memoir of love, loss, reckoning, and renewal, set against the backdrop of a Rodeo Drive-on-Mars desert city. It tells of the sudden death of Roselee Blooston's beloved husband, Jerry, and how her fifteen day journey through a profoundly disorienting environment, and the inner journey over the next thirteen months through the equally foreign terrain of grief, force her to face wrenching questions about his behavior there. As she free-falls through the city's frightening underbelly with its ubiquitous police stations, gender-segregated waiting rooms, arbitrary Sharia laws, and an opaque bureaucracy that prevents her from immediately bringing his body home, the Middle East becomes the catalyst for a life-altering confrontation with her partner, her marriage, and ultimately, with herself. **DYING IN DUBAI** shows the reader that no matter the uncertainties, it is possible to transcend heartbreak, and to move forward with joy.
