abruptly runs away to America after being disappointed in love. Despite the difficulties the individual miners face, there is a community spirit and an agreement on basic values and principles of behavior at the Ridge. But this community of shared endeavor is eventually jeopardized by the influence of

outsiders, in particular an American who wishes to buy up the individual mines, operate them under a company structure, and simply pay the miners a salary. This conflict between capitalism and honest manual labour becomes one of the most important themes of the work. This book is part of the Standard Ebooks project,

Bug was suddenly sporting a custom paint job and fancy wheels--and tricked-out engines. This book provides a fantastic overview of customized Bugs. It shows the scene from which the demon bug emerged and focuses on specific styles, from the mild to the wild. Cruisers and dragsters, sleepers and monsters--all are captured by
