She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes

when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi?

And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, *The Mister* combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

Now a major motion picture directed by Clint Eastwood, in theaters February 2018. An ISIS terrorist planned to kill more than 500 people. He would have succeeded except for three American friends who refused to give in to fear. On August 21, 2015, Ayoub El-Khazzani boarded train #9364 in Brussels, bound for Paris. There could be no doubt about his mission: he had

an AK-47, a pistol, a box cutter, and enough ammunition to obliterate every passenger on board. Slipping into the bathroom in secret, he armed his weapons. Another major ISIS attack was about to begin. Khazzani wasn't expecting Anthony Sadler, Alek Skarlatos, and Spencer Stone. Stone was a martial arts enthusiast and airman first class in the US Air Force, Skarlatos was a member of the Oregon National Guard, and all three were fearless. But their decision-to charge the gunman, then overpower

him even as he turned first his gun, then his knife, on Stone—depended on a lifetime of loyalty, support, and faith. Their friendship was forged as they came of age together in California: going to church, playing paintball, teaching each other to swear, and sticking together when they got in trouble at school. Years later, that friendship would give all of them the courage to stand in the path of one of the world's deadliest terrorist organizations. The 15:17 to Paris is an amazing true story of friendship and

bravery, of near tragedy averted by three young men who found the heroic unity and strength inside themselves at the moment when they, and 500 other innocent travelers, needed it most.

"And in this quiet moment as I close my eyes, spent and sated, I think I'm in the eye of the storm. And in spite of all he's said, and what he hasn't said, I don't think I have ever been so happy." When literature student Anastasia Steele goes to interview young entrepreneur Christian Grey, she encounters a man who is beautiful, brilliant, and intimidating. The

unworldly, innocent Ana is startled to realize she wants this man and, despite his enigmatic reserve, finds she is desperate to get close to him. Unable to resist Ana's quiet beauty, wit, and independent spirit, Grey admits he wants her, too—but on his own terms. Shocked yet thrilled by Grey's singular erotic tastes, Ana hesitates. For all the trappings of success—his multinational businesses, his vast

wealth, his loving family—Grey is a man tormented by demons and consumed by the need to control. When the couple embarks on a daring, passionately physical affair, Ana discovers Christian Grey's secrets and explores her own dark desires. Fifty Shades Trilogy

What is socialism? Does it have a future, or has it become an outdated ideology in the 21st century? Michael Newman examines and explains the successes and failures of modern socialism by taking an international perspective — ranging from communism in Cuba to social democracy in Sweden. Discussing its evolution from the industrial towns of the 19th century to its response to the feminist, green, and anti-capitalist movements today, Newman concludes that, with its values of equality, solidarity, and cooperation, socialism remains as relevant as ever but that it needs to

learn lessons from the past.

Unworldly and innocent, Ana is shocked to find she wants this man, and excited when she realises that Christian wants her too. As they embark on a passionate love affair, Ana discovers more about her own desires, as well as the dark secrets Christian keeps hidden away from public view ... Fifty Shades Darker
Daunted by the dark secrets of the tormented young entrepreneur Christian Grey, Ana Steele has broken off their relationship. But

when Christian proposes a new arrangement, she cannot resist. Soon she is learning more about the harrowing past of her damaged, driven and demanding Fifty Shades than she ever thought possible. Fifty Shades Freed Anastasia Steele always knew that loving Christian Grey would not be easy, and being together poses challenges neither of them had anticipated. But, finally together, they have love, passion, intimacy, wealth, and a world of infinite possibilities. Then just when it seems that they really do have it all, tragedy and fate combine to make Ana's worst nightmares come true ... Grey Christian Grey exercises

control in all things; his world is neat, disciplined, and utterly empty – until the day that Anastasia Steele falls into his office. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?
