Turn your company into a world-class operation with E-Myth Mastery! Building on the phenomenal success of the E-Myth Revisited, bestselling author Michael Gerber presents the next step in his program, E-Myth Mastery. A practical, real-world program that is implemented real-time into your business, Gerber begins by engaging the reader in understanding why the entrepreneur is so critical to the success of any enterprise and why the mindset of an entrepreneur is so integral to the operating reality of the enterprise. He then covers seven essential skills: Leadership, Marketing, Money, Management, Lead Conversion, Lead Generation and Client Fulfilment. Each of these seven skills is presented through a specific training module with corresponding tests and exercises that explain the content and principles to be learned, provide case studies and examples, as well as worksheets for applying those ideas to the business. E-Myth Mastery is a business development program that helps you turn your company into a world-class operation...into a turn-key money machine!

"Running a successful architectural firm is a juggling act. You need expertise in your area of architecture to provide services to clients. You also need the know-how to run a small business. You've probably been well prepared by your education and experience for the technical ins and outs of an architecture firm. Yet what training has prepared you to run a business?" --Description from publisher.

Why Most Legal Practices Don't Work and What to Do About It

Why Most Small Businesses Don't Work and What to Do About It by Michael E. Gerber

"Mental toughness is the natural or developed psychological edge that results from a collection of skills, attributes, values, emotions, and behaviors that allow people to overcome any obstacle, adversity, or pressure as well as deal with the general day-to-day demands (lifestyle, training, competition) placed upon them and still remain consistent, focused, confident, and motivated to achieve their goals."Fortitude is a guide for high performing athletes and business professionals on understanding mental toughness, how to build and sustain it over time. Kate Allgood built her business helping individuals like you learn what it takes to perform under pressure. In this book you'll discover: - What you need to know to build real and long lasting confidence- How to improve the ability to focus and refocus - The power of mindfulness- How to build motivation in yourself and others - And much, much, more! "Kate is a force in the sports business and with her new book she brings the best insight directly to your field of play." Jeremy M. Evans, Founder of and Managing Attorney at California Sports Lawyer(R) "If you want to step up your game, your business or just kill it in life, Fortitude is an easy to read guide to do it."- Majo Orellana - Pro Athlete, Coach and Entrepreneur **The bestselling author of the phenomenally successful essential entrepreneur handbook The E-Myth Revisited presents the next big step in entrepreneurial management and leadership in this practical, real-world program that can be implemented real-time into any business, Michael E. Gerber begins by explaining why the entrepreneur is so critical to the success of any enterprise, no matter how small or large it may be, and why the mindset of an entrepreneur is so integral to the operating reality of the organization. He then covers seven essential skills: leadership, marketing, money, management, lead conversion, lead generation, and client fulfillment. E-Myth Mastery shows readers the difference between being an entrepreneur and doing a job, and teaches them how to get money when banks won't help, how to expand their customer bases when big business moves in down the street, and how to make sure their businesses keep their promises every single time.**

This book is two things: the product of my lifelong work conceiving, developing, and growing the E-Myth way into a business model that has been applied to every imaginable kind of company in the world, as well as a product of Tony's extraordinary experience and success in applying the E-Myth to the development of his equally extraordinary enterprise, Super Lawn Technologies, Inc.

With The E-Myth Contractor, Michael E. Gerber launches a series of books that apply the E-Myth to specific types of small businesses. The first is aimed at contractors. This book reveals a radical new mind-set that will free contractors from the tyranny of an unprofitable, unproductive routine. With specific tips on topics as crucial as planning, money and personnel management, The E-Myth Contractor teaches readers how to: Implement the ingenious turnkey system of management—a means of creating a business prototype that reflects the business owner's unique set of talents and replicating and distributing them among employees and customers. Recognise and manage the four forms of money—income, profit, flow and equity. Harness the power of change to expand the company. The book also provides help on a larger level, leading readers towards becoming business visionaries by relinquishing tactical work and embracing strategic work, by letting go to gain control. Once put into action, Gerber's revolutionary ideas promise not only to help contractors build successful businesses, but successful lives as well.

Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle’s bistro to tend to the ‘special oven.’ When he arrived, he discovered it wasn’t the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she’d become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he’d dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best ‘mommy’ he can be to his brand-new pizza dragon.

An instant classic, this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business. Small business consultant and author Michael E. Gerber, with sharp insight gained from years of experience, points out how common assumptions, expectations, and even technical expertise can get in the way of running a successful business. Gerber walks you through the steps in the life of a business—from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective: the guiding light of all businesses that succeed—and shows how to apply the lessons of franchising to any business, whether or not it is a franchise. Most importantly, Gerber draws the vital, often overlooked distinction between working on your business and working in your business. The E-Myth Revisited will help you grow your business in a productive, assured way.

Leading a real estate investment business can seem like a daunting task, with too few hours in the day, too many petty management issues, and constant fires that have to be put out. The E-Myth Real Estate Investor offers you a road map to create a real estate investment business that's self-sufficient, growing, and highly profitable. Take your business to levels you didn't think possible with this unique guide!

A unique guide for the crucial start-up phase of a business So much attention goes to business practice and operation, yet the majority of ventures still fail. One area often overlooked is preparation. Too few entrepreneurs ask themselves, what are you supposed to do before you start your start-up? Take your business to levels you didn't think possible with this unique guide!

“This excellent book is a must-read for current and aspiring entrepreneurs.” —Booklist Discover how to turn a great idea into a thriving business with The E-Myth Enterprise, using the proven methods that bestselling author Michael E. Gerber has developed over the course of his more than forty years as an entrepreneur and coach. Michael E.Gerber is THE #1 name in small business and his company, E-Myth Worldwide, boasts more than 52,000 business clients in 145 countries. The E-Myth Enterprise shows readers how to get started—because simply coming up with a brilliant business idea is the easy part.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The first and most important commitment to the extraordinary is personal. A true E-Myth entrepreneur on her way to building a World Class Company is committed to seeing herself as she really is, beyond the optimism, focused passion, and willingness to take risks that are common to all. #2 The journey to find the entrepreneur begins with understanding what entrepreneurship is and what it means to you. It is not a trait, quality, or characteristic possessed by a rare few. It belongs to each and every one of us. It is a legacy, a birthright, which we are free to ignore, claim, or reject. #3 The E-Myth is the entrepreneurial myth. It says that most small businesses fail because they are not founded by entrepreneurs, but by technicians, suffering from an entrepreneurial seizure. #4 The E-Myth says that all technicians, anyone who does technical work of any kind, make the same fatal assumption: that because they understand how to do the technical work of their business, they understand how to build a business that does that work. However, this is untrue.

When a little chick leaves the flock, he stumbles on to an adventure that will change him forever. This charming bilingual Spanish-English picture book is a cute read for little explorers.

Other Realms: Volume One is the first book in a new series that collects original short stories by fantasy and sci-fi author Shaun Kilgore. In this volume, you'll be taken to far off fantasy worlds filled with magic, adventure, and the games of noble houses and the plights of brave warriors. This book contains ten stories, including "A Reckoning," "Death To The Messenger," "Midwinter Night," "Oathsworn," "The Beast Of Mern," "The Prophet's Return," "The Risen Queen," "The Ruling," "The Traitor," and "Winds Of Fate."

Nick Friedman and Omar Soliman started the multimillion-dollar franchise College Hunks Hauling Junk when they were just twenty two, and they've been having the time of their lives ever since. What's their secret? That's just it--there isn't one. There's no fancy software or complicated business schemes. No outside investors or quirky market niche. They just followed 10 common-sense commandments to building a straightforward, fun, and successful business that does a simple job well. Anyone can understand it, and anyone can do it.

Features one quilt setting, an on-point square-in-a-square for displaying interchangeable blocks

Entrepreneur, CEO, or business leader: no matter your title, the success of your company is a responsibility-and weight-that lies squarely on your shoulders. In the beginning, increased control was an asset that bought you peace of mind. But now, without the structure your business needs to thrive, you're overworked, overwhelmed, and unsure of the path ahead. Fortunately, everything that makes your company work can be captured and put to work for you. In The Business Playbook, serial entrepreneur Chris Ronzio walks you through his proven framework for building a playbook: the profile of your business, the people who work in it, the policies that guide it, and the processes that operate it. He shows you how to codify your culture and create a living document that allows you to let go of day-to-day responsibilities and empower your team to run the business without you. If you want to build a company that doesn't rely on you putting in more hours, this book will show you the way.

The Essential Guide to Building and Sustaining Mental Toughness

Details three essential components a business needs to survive developmental growing pains, leads entrepreneurs through seven steps to success, and teaches how to revive a dying business

More than ten years after his first bestselling book, The E-Myth, changed the lives of hundreds of thousands of small business owners, Michael Gerber?trepreneur, author, and speaker extraordinaire?res the next salvo in his highly successful E-Myth Revolution. Drawing on lessons learned from working with more than 15.000 small, medium-sized, and very large organisations, Gerber has discovered the truth behind why management doesn?t work and what to do about it. Unearthing the arbitrary origins of commonly held doctrines such as the omniscience of leader (Emperor) and the most widely embraced myth of all?e E-Myth Manager offers a fresh, provocative alternative management as we know it. It explores why every manager must take charge of his own life, reconcile his own personal vision with that of the organisation, and develop an entrepreneurial mind-set to achieve true success.

In this remarkable oral history collection, thirty-three participants in the turbulent epic that began with the day of infamy at Pearl Harbor and ended with the signing of the surrender documents in Tokyo Harbor tell their stories. Their remembrances of heartbreak, frustration, heroism, hope, and triumph were collected over a period of two years by John T. Mason. Their recollections reveal perspectives and facts not included in traditional works of history. Each selection, introduced with a preface that places it in the context of the Pacific War, takes the reader behind the scenes to present the personal, untold stories of naval history. Included are Admiral William S. Sullivan's account of the problems involved in clearing Manila Harbor of some five hundred wrecked vessels left by the departing Japanese and Admiral Thomas C. Kinkaid's description of the communications breakdown at the Battle of Leyte Gulf. There are also the very personal recollections of humor and horror told by the unknown actors in the war: the hospital corpsman, the coxswain, and the machinist's mate. Originally published in 1986, this volume is an unusual and lasting tribute to the ingenuity and teamwork demonstrated by America's forces in the Pacific as well as a celebration of the human spirit

Michael E. Gerber, bestselling author of The E-Myth Revisited shares his powerful insights to lead independent physicians to successful practices and enriched lives. Michael Gerber has dedicated much of his professional life to the study of entrepreneurship and business dynamics. His E-Myth Academy is renown in the entrepreneurial world for its business insight and guidance as well as its inspirational advice. In the E-Myth Physician, bestselling author Gerber returns to his roots in order to provide indispensable advice to doctors who own and run their own practices. Gerber provides excellent business insights into topics such as streamlining systems, effective small-business management practices, healthy patient relations and managing cash flow, all with the goal of freeing physicians from the daily grind of running a business and leading them to a happier and more productive life while doing the job they love - practising medicine.

Featuring Gerber's signature easy-to-understand, easy-to-implement style, The E-Myth Attorney features: A complete start-up guide you can use to get your practice off the ground quickly, as well as comprehensive action steps for maximizing the performance of an existing practice Industry specific advice from two recognized legal experts that have developed a highly successful legal practice using Gerber's principles Gerber's universal appeal as a recognized expert on small businesses who has coached, taught, and trained over 60,000 small businesses The E-Myth Attorney is the last guide you'll ever need to make the difference in building or developing your successful legal practice.

Alyson Fisher can't stop living in the past. She is certain a vital part of her died when her husband, Joe, was killed in a tragic car accident two years ago. She can't find the will to move on and is becoming increasingly reclusive. Her family and friends have been suffocating her with their good intentions and matchmaking ploys. A few months ago she made the bold decision to move across the country, far away from them and all reminders of her past with Joe. She is desperate for a fresh start but when she finds herself injured and alone in the middle of a deadly storm, she realizes that it might be too late. John Smith can't remember his past; even his present is muddled at times. He has a sense that he is running from something so he keeps moving from town to town, rarely settling down for longer than a few months. People make him nervous so he avoids human contact as much as possible. He has no identity, no home, no past, and often it seems, no future. He definitely has no hope. A chance encounter between Alyson and John changes the course of both their lives. As they forge a tentative friendship, they can't help but wonder if his past will reveal some horrible secret to threaten the tenuous progress they've made.
