

TABLES FROM THE RUBBLE transports readers to San Francisco in the years just after the Great Earthquake of 1906. Amid the ruins, restaurants rose to feed the hungry and lead the recovery. Today, a handful of the restaurants that opened in those boom years remain - some still serving customers in the same spaces where they first opened, offering food and drinks with a direct link to a century-old past. **TABLES FROM THE RUBBLE** tells the stories of restaurants like Swan Oyster Depot, Liguria Bakery, Comstock Saloon, the Palace Hotel, the House of Shields, John's Grill and Schroeder's. And it follows the journey of Chinatown's Sam Wo, which was saved by the hard work of one family and an entire community committed to the historic restaurant's legacy.

Many previous readers of the contents of, "Awaiting the Earthquake," has described it as, "the best and most understandable exposition of the book of Revelations ever; an amazing reading adventure..." All true believers in Jesus should actually read it. While all along beholding the wondrous grace of God and getting strengthened in faith, it, in easy to understand terms, resembles a flowing action film on wide screen playing out before you, with flashing and gripping images in high speed following one upon the other, portraying our world and life as it truly is in the eyes of God. It takes you away to a reality depicted by strange images, calling up deep and teasing questions; real life as we experience daily... but in the end shows that the cross is the axis around which for all people life and all of history revolves and brings forward God's awe-inspiring message as clear as daylight. On reading it readers will most probably for the first time understand the book and e.g. see: * What the four horses of the apocalypse portray * Who the antichrist is * What should we do about the number of the beast, 666 * Who is the dragon, and the prostitute sitting wide legged on it * What about Armageddon, where blood will reach up to the horses' bridles * What does the New Jerusalem look like * What about angels holding winds over the earth like ribbons, three slimy frogs coming from the dragons mouth, a fiery dragon chasing a frail and humble woman, angels pouring out bowls of wrath on earth, etc.? Yes, what will the last earthly day and life in heaven be like? And many more about which believers wonder? Because the symbolic language of Revelations, it portrays a world apparently totally strange to us and mostly verse by verse expositions of the book overflow readers with so much information from different angles that it is difficult to find one clear unifying or bird's eye view meaning in it.

Awaiting the earthquake is not the author's own speculation, but based on true and solid principles of expositing Scripture and, without leaving any verse(s) unexplained, gives the reader such a unifying view, added to three keys in hand as to enable you to see how the many messages before hidden to the normal eye can be unlocked. These keys are: * The use of symbolism and what it portrays- * The Old Testament and how John used it to convey Jesus' unique message- * The original historic situation against which this message is screened- Explaining this, in the end, in both the language of sweet dreams and nightmares, allows us to unlock God's powerful message on all of earth's history, our daily lives in the now, and what is still waiting for us. It NOT AT ALL merely carries a message of DOOM and GLOOM, but primarily opens up the riches of Gods mercy to us. Then you see what the glorified Jesus transmits to us: perseveringly live forward in true faith and love, and his glory will also more and more enfold your own heart, until you once walk on the streets of gold alike glass. **THE AUTHOR;** Tiaan Jordaan was an evangelical minister in the Dutch Reformed Church congregation of Escombe, Kwa Zulu Natal in South Africa for more than forty years. He studied theology at the University of Pretoria. He lovingly also submit this work as given by Him, to Him.

Mystery God

SCIENCE GRADE 7 Earth and the Universe Wow! Enter the world of atoms and molecules! Enjoy the exploration of space!! Explore volcanoes and learn about what makes the earth quake! Unlock the mysteries of the weather and more! This fun and interesting curriculum brings science into the realm of your student's everyday experience. Each chapter will develop your student's understanding and enjoyment of the world and universe around him/her.This curriculum is also chock full of scriptures, pictures, tables, and illustrations to aid in your student's learning experience. A special chapter on the scope and methods of science as well as introductory chapters on biology, chemistry, and physics are included to prepare your student to step into the physical world of 8th grade science. Easy to do at home experiments are also included in most chapters, which have been tested to validate their success for your student.Your student will learn important science easily and thoroughly through the use of both the textbook and workbook. All science concepts have been simplified and are presented in a careful step-by-step approach to help your student master them before advancing.The textbook is interesting reading using a fluid and creative style: not stuffy, boring, or dry. It is also carefully written to emphasize the Father's hand and wisdom in all details of the universe. Through using this curriculum your student will come to a deeper understanding of who our heavenly Father is and why science must bow to His majesty. Your student will learn to search through Him for all his/her discoveries as He alone is the master brain behind all that was created and set in motion to function as He ordained and continues to ordain. No evolution Extra special benefits included in this course are:~Devotionals written for teenagers ~Fascinating biographies of believing scientists ~Fun educational experiments that use common household products Textbook highlights include: ~Science: the branches of science, scientific method, visual science, and experimental science ~Chemistry: atoms, molecules, solids, liquids, and gases ~Geology: the earth's interior, rocks, soil, earthquakes, and volcanos ~Meteorology: the weather, wind, rain, floods, droughts, ice/snow, and the greenhouse effect, ~Astronomy: galaxies, stars, solar system, rocket and space programs, and planets ~Physics: gravity, force, motion, work, friction, and earth as a magnet ~Biology: the properties of life, life cycles, entomology (bugs), botany (plants), and cytology (cells) ~Biblical Health: life span, how life span is determined, what affects life span, a biblical dietThis course comes with a large workbook that is specifically designed to help your student learn using a sequence of learning experiences that reinforce the information being covered. Each study section in the workbook includes: defining terms, answering questions, thinking sections (some with student devotionals), writing, and teaching sections. Your student not only answers questions, but must think, analyze, write essays, and learn to teach someone else what he/she has learned. This approach gives your student a balanced whole brain experience in learning. Course also includes regular quizzes, chapter tests, complete answers, and daily lesson plans. This curriculum is also the perfect teacher for the independent learner.

"Post-Trib: A Post-Tribulation View of the Second Coming" is the author's view of the rapture of the church in a thoroughly researched presentation, free of dogmatism. The Bible doesn't answer every question regarding the Second Coming, but when we let it speak for itself, it answers more questions than many people realize. While not a criticism of other eschatological viewpoints, some disagreement is inevitable. Instead, it is an in-depth look at the post-tribulation view. This book is not meant to be a popularized version of prophecy, but a serious study of prophetic scripture pertaining to the Second Coming. Post-Trib includes both Old and New Testament scriptures regarding end time prophecy. It does not attempt to change people's minds, but to simply plant seeds. Prophetic events in The Revelation of Jesus Christ have been locked from our understanding ever since they were given to John about AD 95. However, God has never intended that His people be in darkness during the fulfillment of latter-day prophecies. Daniel was told that the words of his latter-day prophecy were closed up and sealed till the time of the end. Then none of the wicked will understand, but the wise will understand. This is "the time of the end"! Now, at last, symbols in Revelation, as well as other parts of the Bible, are explained from Scripture in a way that can be easily understood. The Revelation Unlocked tells about the redemption of Israel and explains the series of events by which Almighty God will bring into effect His promises given in Genesis to Abraham, Isaac, and Jacob, ultimately revealing His supreme power over all creation. This enlightening, thought-provoking, and easy-to-read book includes many end-time details never before never before pointed out in scripture.

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. Coming Soon is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version, Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture-a perspective missing in many Protestant commentaries.

Heaven Cracks, Earth Shakes

The Simple Truth About the Book of Revelation

Three Fearful Days is unique among books dealing with San Francisco's 1906 earthquake and fire, because survivors of the tragedy tell their own stories. This volume, now available in hardcover, contains more than 40 narratives culled from letters, diaries, and accounts written at the time. To mark the 100th anniversary of the catastrophe, the survivors voices are heard once again?in many instances for the first time since the dramatic event.

A Divinely Inspired Exhaustive Study Unveiling the Entire Book of Revelation. Rev. Rose was given a dream of the rapture after the first of the recent 4 blood moons, in 2014. Receiving many visions to follow, she was inspired to share what God was telling her about the Book of Revelation, and the soon return of the Bridegroom, Jesus Christ. It is the full explanation of the Book of Revelation. In this book, Rev. Rose shares what God has told her of Jesus coming, her visions, what is expected of his Bride, and God's true worship days. She adds some of her personal theories of prophetic timing she has come to know.

Unlock the Door

At the beginning of the morning, one's life often feels relaxed until the daily drag of life negates even the former birds singing, where one is often forced into some other way of living and thinking—the way I've done just for the prospect of freedom to ruin the second life after freedom. Nevertheless, I can still for a short time revel in my deliberations and creations that reflect the incorporation of the lost life, the same way a DVD player reflects some intricacies of science to someone as starved and appreciative as we might create a DVD-like creativity. For this writer who is also the hero, my job must show how what one seemingly honored in life but disappeared by the dynamics of life was real. So real that others scoffed at my essential feelings, defying my relative paltriness in relation to those former illusory, illustrious lives facing the end of times—the apex—where much is lost by everyone's anxiety that even excludes my alchemical process. A process created by someone so possessed by his former grandeur he must reconcile his worth by the laws of the reverse and the inverse. So we begin my last book the way James Fenimore Cooper couldn't with The Deerslayer by using myself as the model for my hero who finds redemption by discovering himself through his living travail and Spartan tenacity. A hero whose only redeeming trait is the freedom that he radiates by some mystic connection to the birds singing just before doomsday's eerie rings.

Pastor Jack Hayford believes the key to understanding the book of Revelation is to understand and correctly interpret the time and events surrounding the major earthquakes in Revelation. In E-Quake Pastor Hayford offers a practical study of the book of Revelation, not a speculative or sensationalized look at prophecy. Readers will understand how this revelation of Jesus Christ affects their lives today. He also shows them how to live in what are perhaps the end times, how to keep things in perspective, how to make sure their value system and priorities are in order, and how to apply the teaching of Revelation in practical ways.

Islamic Terrorists- Earthquakes and Tsunamis- Middle East Unrest- Rampant Immorality- Spiritually dead churches... As the world rocks in turmoil, people wonder what's really going on. In Mystery God, author Scott Smith unveils mysteries hidden by God in the Bible some 3,500 years ago—messages intended to be unlocked by our generation, answering our hard questions, including these: Why is this world in uncontrollable chaos? What is really at the center of homosexuality, abortion, natural disasters and terrorism? Why does it seem the end of the world is inevitable? Amazingly, the answers to these questions are in your hands. Mystery God is an electrifying read that offers hope in the midst of fear and confusion. It's unlike anything you've ever read. Are you ready for the truth? Are you ready to meet the Mystery God? Also included in the book: * The Ancient Wedding Customs and the Rapture * Answers to Christianity's Tough Questions, like: Heaven & Hell, the Trinity, and more! * Hidden Parallels of Christ in the Bible * Unlock over 50 other mysteries in God's Word
