If you're researching how to start an eBay business, this book will be a useful tool for your path. This platform is an online shopping and auction venue that allows people to buy and sell used or new products, either as a business or as a way to clear out clutter and make a bit of extra cash. The book guide details the amazing story of how this entrepreneur became an eBay PowerSeller in a little over a month. Included are how to become a big-time eBay seller, the secret to selling on eBay, why you need an eBay store, and cashing in on your eBay business. You could be making money in as little as 60 minutes from now!

Reviews "Robert, WOW! You've done it again! eBay Selling Tips is the mother lode: an A-Z book that packs a punch for anyone with stuff to sell and not much time to sell it! Written for dummies or advanced, you've included everything - it's the bible for writing compelling ads. If anyone wants to make a wad of cash on eBay, they need to keep a copy close by!" Mari Smith Infopreneur and Success Coach www.marismith.com..."a masterpiece deserving special place in the market among the various books about eBay. Why? Because this book is of tremendous practical help to eBay sellers. The author makes the point in his introduction that there are major challenges with marketing and making money on eBay and now he helps others easily overcome the hurdles that limit their cash flow and profits. As always, Robert Boduch over-delivers. He shows how eBay sellers can become super-sellers, securing bigger profits through their successful listings relying on super ads. Attached to the golden, practical ideas and approaches generously offered are 'before and after' benefits -- which make this book unique. The author also paints a clear picture of the eBay reality, explaining why eBay is a word leader in Internet selling. This kind of knowledge is crucial for approaching eBay in the most effective way. As a side benefit, readers not only learn eBay Selling Tips, but what makes advertising effective in general. Buyers will obtain the knowledge which allows them also to start creating irresistibly responsive ads in other fields of marketing. The writing style provides a smooth, easy flow that makes reading enjoyable. It's a short, 160-page volume, but readers will discover many tips and strategies available to everyone to open the gate to maximum profits on eBay." Stefan Peck, PhD, Bratislava, Slovak Republic. Anyone can sell on eBay... and everyone should. But take the time to learn the basics first. Did you know that the single most important factor to success on eBay is WHAT you have to offer? That's right. Sell what other people really want and you've given yourself a huge advantage. It used to be that you could list anything here and it would fetch good -- sometime outrageously good money. But for most of us, those days are gone. Offer what people want and present it with a compelling description. That's how you attract lots of bids and eager buyers -- driving your selling prices higher, higher. And that's exactly what eBay Selling Tips is all about. In this book, you'll learn: \* A simple, 2-minute solution to uncovering all the product information you need to write a dynamic eBay description - on the spot! (I guarantee you this; anyone struggling to write a 5-minute listing simply missed this crucial first step)\* REVEALED! The 2 most important things every potential buyer MUST know about you before placing a bid... and how to address both issues quickly and decisively \* The one secret of communication you must use to capture your prospect's attention... keep 'em interested... and motivate these qualified potential buyers to take the action they need to get what they want \* Covers top publications like the Wall Street Journal use to keep readers reading and how you can apply these simple - but extremely effective - techniques instantly \* How to build your own audience of enthusiastic customers who can't wait to hear what you have to offer next.(It's the secret to getting 10 times as many visitors and creating tons of excitement!) \* Why first impressions mean everything to your results. (Here's how to create an attention-grabbing eBay listing that stops prospects cold - and then warmly pulls them inside), \* \$ "no-brainer" ways to write a small eBay listing that makes a BIG impression! \* and much MORE!

Completely revised, updated and expanded new edition of the best-selling eBay business guide Anyone can buy and sell on eBay. But how many people actually make serious money from eBay? How many people make enough give up the day job and run an eBay business full time? Robert Pugh has done just that and in this fully updated and revised fourth edition of his best-selling eBay Business Handbook he reveals the secrets of his success. Robert covers everything you need to know, from the basics of setting up your eBay account through to the creation and management of your own business. He gives you the information you need to use eBay to its full potential, to maximise returns and develop a robust online business. This book has been written for anyone who has ever considered the idea of being their own boss. Whether you want to supplement an existing income or you want a complete change in lifestyle, this book is for you - giving you the confidence and knowledge you need to make that step. Unlike many other eBay guides, this handbook is based on the personal experiences of an established Power Seller. Everything is covered: from the practical concerns of international sales to the purchase of packing materials. With a fresh, common sense approach to selling, there are many hints, tips and personal recommendations that can be applied to all of your eBay activities. One of the most valuable sections is dedicated to where to find stock to sell. Where traders obtain their stock is a closely guarded secret and often finding a source of stock can be quite daunting. This guide tells you where to look, how to buy from different sources and, perhaps most interesting of all, how to use eBay as a source of goods. New for the fourth edition: - Understand and work with the new seller defect process. -- Take best advantage of recent developments and turn them into hard cash. -- Maximise your selling potential across all media, including mobile. -- How to work with the latest eBay fee structure, so you retain the most of your revenue. -- Share in the knowledge gleaned from over 100,000 eBay transactions. Discover how the author went from zero to over 53,000 positive feedbacks (and counting). From the very first LP record to the family car, he has sold items into almost every corner of the globe and taken every form of payment known to man. Anybody can do this, just follow the simple steps in this guide, dedicate the time, and soon you too could be living the eBay dream.

This is it: the first guide on every source of used books to sell on Amazon. Bookselling veteran Peter Vally (of www.FBAmastery.com) collects ten years of Amazon seller experience into one place, and over 40 sources of cheap books to sell for huge profits on Amazon. In this landmark guide for Amazon sellers, you will learn: - How to profit off small press overstock sales. - Six places to source books just on university campus's (Hint: None of these are obvious). - The exclusive story of one seller who makes \$30,000 a year and pays NOTHING for inventory. - Where to find people selling collections of thousands of books (note: This isn't about eBay). - Forming partnerships with used book "gatekeepers" - people who already process thousands of books and don't know what they're worth. - A full 5 pages on eBay arbitrage (including a simple tool for finding listings other booksellers can't). - Dozens of more sourcing ideas, from picking up library sale leftovers to negotiating with college libraries. More than just a checklist, each source I've used gets a personal story with profitable lessons. For Amazon booksellers, it all comes down to the sources. With good sources, even a complete amateur can run a profitable Amazon business. Part I: The book begins with a focus on the top 10 "core sources" that will rocket you to your profit-target - 10 places you can source books every single month with little guesswork. Part II: Then Vally gives you a list of "Supplemental Sources" to use at your leisure. Your base profit target I already covered, but if you want to go even bigger, this is the list. And you get 21 of these book sources. Part III: As if you needed more, the "Advanced Sources" 12 places to source used books if you run serious book-ninja status. There are more books in this world than there are people like you to sell them. We live in the midst of a virtual book river. In this guide, Amazon seller Peter Vally is going to teach you how to get in front of it. This is the largest and most comprehensive guide to finding used books ever published. Inside, you'll be reading the exact blueprint for what brings Peter Vally over \$80,000 in deposits each year selling used books on Amazon.
