Do you want to increase your overall sales and visibility on Kobo? Are you having trouble gaining any traction or growing your reader base outside the Kindle store? Wouldn't it be empowering not to be dependent upon a single retailer for the majority of your eBook income? If you want to tap into the mind behind the creation of Kobo's world-class self-

publishing platform, Kobo Writing Life, to understand both the basics and some of the complexities of the platform, then look no further. Mark Leslie Lefebvre was the Director of Self-Publishing and Author Relations at Kobo for six years. Kobo Writing Life was born out of his own desire as an author to establish an author-centric free publishing platform. Drawing upon insights from his years at Kobo as well as his previous two decades of bookselling, writing and publishing experience, Lefebvre shares the challenges, quirks and tricks that are important for helping you leverage Kobo's strengths to your advantage. In this book you will learn: How to navigate the Kobo Writing Life dashboard as well as Kobo itself Strategies optimize your metadata to increase both sales and visibility The importance of leveraging Kobo preorders by understanding how they work Ways to

maximize your margin and global earnings per unit sale Proven price optimization techniques that the most successful authors use How to increase your chance of promotional sales direct at Kobo . . . and more . . . Killing It On Kobo is an in-depth, heart-felt and eye-opening series of insights collected in a single volume to give you full access to information and proven strategies that you can use to maximize your own sales and ultimate success selling through Kobo.

Did you ever consider self-publishing your own book but were daunted by the complex process of actually doing it? Self-published author and expert Carla King gives a simple step-by-step guide to self-publishing your book as an e-book or print book. Plot your success by choosing the reputable tools and services recommended

here, along with techniques that will help your book succeed in the market that you choose.

"This book provides practical help for undoing the deficit perspective that is frequently applied to Latinx bilingual students. This deficit perspective limits educators from getting to know bilingual learners and has lasting effects on children's self-concept, socio-emotional growth and academic development. As emergent bilingual Latinx children become the majority in PK-12 schools, and as Latinx communities face increasing socio-political hostility, it is urgent that we shift to teaching practices that honor the knowledge students engage every day across different contexts. Schooling impacts how societal norms are reproduced, contested or reimaged, and the lessons, along with the pedagogical framework that we present in this book,

can create that opportunity to fully embrace the ways we can connect with our students and have an impact beyond the classroom. This book offers lessons with a decolonized bilingual sustaining pedagogy approach: a culturally sustaining topic having to do with language practices, literacies, and power texts that show different ways we engage with language practices translinguaging (using all of one's linguistic repertoire, this includes different features of named languages such as Spanish and English) as the way bilingual students communicate, the way we teach, and the way we strive for social justice"--

*Este libro es el resultado de un experimento al que la autora llama metafóricamente simbiogénesis poética. Esta metáfora representa el proceso de diálogo entre las imágenes y las palabras que se agolpaban tratando de descifrar el momento en que ella se encontraba, entre dos lugares y dos lenguas que son entrañablemente suyas. A veces los poemas nacieron*

*recorriendo las calles con una cámara o un teléfono mientras intentaba descubrir la mirada. Otras surgieron mientras caminaba al lado del río cuando iba al pan, o entre calles explorando nuevos lugares. Sin pensarlo, mientras regresaba a casa en el camión y estaba ahí haciendo nada -ensimismada con sus propios pensamientos- las palabras e imágenes se agolpaban urgiéndola a escribir aunque fuera en el teléfono. En este libro, Gabriela Coronado nos entrega una serie de fotografías y poemas intimistas entrelazados al grado de --algunas veces-- ser indistinguibles entre sí. Imágenes y palabras en fusión, en reflexión, en búsqueda permanente.*

Present study reveals that a total of 26 species under genus *Metapenaeopsis* and *Metapenaeus* of the family *Penaeidae* Rafinesque - Schmaltz, 1815 have been studied throughout Indian coast. It's an attempt to prepare a comprehensive

study of Penaeid prawns of Indian coastal region on the said genera. Both the genus of family Penaeidae is represented with diagram of a representative species as lateral view of a whole specimen, ventral view of female thelycum and male petasma. Taxonomic variation, extended distribution and comprehensive references are the added character of the present book.

The book ecosystem is  
radically changing, and  
libraries must change with  
it. This book tackles the  
controversial discussion  
about eBooks and explores  
librarian-driven solutions  
and visions for the future

of libraries in the 21st century.

Se aborda el análisis de la relación e interdependencia de los componentes sintáctico y semántico del lenguaje con el propósito de poner de manifiesto la necesidad de integrar ambos aspectos en el análisis y descripción de los fenómenos lingüísticos. La obra se compone de nueve trabajos: el primero de ellos es un estudio teórico sobre la naturaleza de la interfaz Sintaxis-Semántica mientras que en los ocho restantes se investiga dicha relación en los niveles oracional, léxico y textual.

"Difficulties are not an option in my life." I begin this introduction with a statement that should be a daily declaration in everyone's life. For as long as we live, difficult times will always show up but making them a "normal" standard in my day to day life to deceive us and make

us doubt God's promises is not an option for a child of God. There is a saying "Life is not about waiting for the storm to pass, it's about dancing in the rain." While you dance in the midst of the storm, God will see your heart conform to His. We can't let life dictate our pace and blessings, we have to do something about it. Sitting at the side of the road and waiting for someone to give us what we need is not an option. When you have a clear identity of who you are in Christ, God will reveal to you that everything you need is already inside of you. All you will ever need in this

life comes from God. The same God who lives and dwells in you. When all hell breaks loose, God releases His power in you to prevail in all of your doings. But, it will take someone who is committed to insisting and resisting at all cost during times of discouragements. You have all that is needed for you to persist and to manifest the movement of God in your favor. It's customary to invoke God who seems to be outside of our realm, every time we need Him. We appeal to God to come to us even though He is already in us. "Do you not know that you are a temple of God and that the Spirit

of God dwells in you?" (1 Corinthians 3:16). You want His divine power to come to you when all you have to do is release His power that is already inside of you.

Remember that in all of our doings, "God's purpose demands resistance." In other words, you have to fight against opposition for that purpose to be fulfilled. It is the only way that you'll see the promises become a reality. Understanding what your purpose is and what it represents in your life will help you unleash God's power. It is critical to know how to position yourself, regardless of the

situation you are encountering and to push forward until something happens. Push forward at all times and pray until God's heavens are opened in your favor. Until the much-needed response becomes a reality in the natural realm. Let's not worry about our circumstances, but rather, persist in pushing forward while God orchestrates the outcome of our victory. Victory is something that comes disguised as a full game of discouragements and weaknesses that will try to keep you out of focus. But knowing how to unwrap what seems to be packages full of discouragements will take a

persistent person to reveal God's favor in you. While the opposition increases, your strength will be growing and pushing forward until God's favor is released with His anointing to obtain the victory that has been always in you. Why? Because victory is a place that dwells in you. Jesus obtained it on the cross, and Jesus the Victor lives in you.

Practice Revisited

*Body language and emotional intelligence has two parts. The part one sheds light on the body language. Body language is not only about the way one sits,*

*stands or walks as many people assume it to be so. It involves tremendous intelligence of how the body functions in different situations revealing the emotional states of people. The knowledge of it provides benefits almost everywhere; in interviews, at workplaces, in sales and marketing, in businesses, in parties, in relationships and so on. The part two sheds light on the emotional intelligence. Emotional intelligence also helps amplify the body language skills, and vice versa. But I am, in this part, mainly talking about how our illogical*

*connections, attitude of accepting things without looking into them and unawareness of emotions affect our decisions and life; about how we are driven by our thinking patterns and emotions, and why it becomes important for us to understand them. This book intends to help the reader think clearly and communicate effectively.*

*Poems about animals we live around, nature and its affects on us, also other things to pause and think about. Contains color pictures. this is a paperback with thirty-six pages, twenty-eight poems.*

*Imagine what it would be like to go*

back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old

masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

USA TODAY BESTSELLER Un nuevo libro de memorias de la cantante ganadora del Latin Grammy y autora bestseller del New York Times, Chiquis Rivera, quien comparte sus triunfos, desafíos y lecciones de vida tras la muerte de su madre, Jenni

Rivera. En los meses que siguieron a la trágica muerte de su madre, el mundo de Chiquis Rivera cayó en picada. Después de dejar de lado sus sueños para apoyar la metamorfosis de Jenni Rivera de cantante en ciernes a legendaria “Diva de la Banda”, un desgarrador malentendido impulsó a Jenni a excluir a Chiquis de su testamento y a desterrar a su hija de su vida. Aun abatida y procesando esta peripecia, Chiquis luego se vio sumida en la oscuridad con el fallecimiento prematuro de su madre. Mientras intentaba desesperadamente recoger los pedazos rotos de su vida, también tuvo que sacar fuerzas para volver a criar y cuidar a sus hermanos como hermana, figura materna y amiga. Rendirse no era una opción. Salir de la sombra de la ilustre carrera de su madre y descubrir su propia

identidad como cantante fue un reto en sí mismo...pero navegar sus relaciones malsanas casi la hunde. Cuando Chiquis conoce y se casa con quien cree ser el hombre de sus sueños, parece que por fin todo se empieza a acomodar. Pero un secreto oscuro desmorona su relación, empujándola a recurrir a su resiliencia para emerger como una mujer soltera, chingona y segura de sí misma. Con la calidez, el humor y la positividad que la caracterizan, Chiquis comparte su cruda e íntima batalla para reconstruirse después de Jenni. También revela los detalles detrás de lo que ocurrió en su matrimonio, dónde se encuentra con respecto al legado de la familia Rivera, cómo pasó de ser una cantante con los nervios de punta y una emprendedora novata a una intérprete ganadora de un

Grammy y una próspera empresaria, y qué visualiza para su futuro. Al final, nada puede detener a Chiquis. Su filosofía de vida lo dice todo: “ O gano o aprendo ” . Lleno de revelaciones afirmativas, Chiquis comparte su mayor regalo con sus fans: las lecciones inspiradoras y accesibles que la han hecho invencible.

With the advent of downloadable retail eBooks marketed to individual consumers, for the first time in their history libraries encountered an otherwise commercially available text format they were prevented from adding to their collections. Trade eBooks in Libraries examines the legal frameworks which gave rise to this phenomenon and advocacy efforts undertaken in different jurisdictions to remove barriers to library access. The principal authors provide a general

historical overview and an analysis of library/eBook principles developed by a variety of library associations and government reviews. In addition, experts from twelve countries present summaries of eBook developments in their respective countries and regions.

Translating and interpreting are unpredictable social practices framed by historical, ethical, and political constraints. Using the concepts of situatedness and performativity as

anchors, the authors examine translation practices from the perspectives of identity performance, cultural mediation, historical reframing, and professional training. As such, the chapters focus on enacted events and conditioned practices by exploring production processes and the social, historical, and cultural conditions of the field. These outlooks shift our attention to social and institutionalized acts of translating and interpreting, considering also the materiality of bodies, artefacts, and technologies involved in these scenes.

Babies of women with diabetes are nearly five times more likely to be stillborn and almost three times more likely to die in the first three months.

The incidence of gestational diabetes mellitus in the U.S. is high—between 3 and 7 percent—and rising. The condition is often complicated by other risk factors such as obesity and heart disease. The Textbook of Diabetes and Pregnancy presents a comprehensive review of the science, clinical management, and medical implications of gestational diabetes mellitus, a condition with serious consequences that is on the increase in all developed societies. This new edition supports the latest initiatives and strategies of the International Federation of Gynecology and Obstetrics (FIGO) and adds chapters on noncommunicable diseases, obesity, bariatric surgery, and epidemiology outside Western cultures. Written by a cadre of experts, the book provides a comprehensive,

authoritative, and international view of gestational diabetes mellitus and will be invaluable to maternal-fetal medicine specialists, diabetologists, neonatologists, and a growing number of gynecologists and general physicians concerned with the management of noncommunicable diseases in pregnancy.

Money, money, money! It makes the world go round and round so it seems.
