

Economics Question And Answers Grade 10 Caps

Written by a senior examiner, John Hearn, this OCR AS Economics Student Unit Guide is the essential study companion for Unit F582: The National and International Economy. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

Written by experienced teachers and examiners, Ray Powell and James Powell, this student guide for Economics: - Helps you identify what you need to know with a concise summary of the topics examined in the AS and A-level specifications - Develops independent learning and research skills - Provides the content for generating individual revision notes - Consolidates understanding with exam tips and knowledge check questions - Provides opportunities to improve exam technique with sample answers to exam-

style questions

Economics has tended to be a very male, middle class, white discipline. Introducing Race and Gender into Economics is a groundbreaking book which generates ideas for integrating race and gender issues into introductory economics courses. Each section gives an overview of how to modify standard courses, including macroeconomics, methodology, microeconomics as well as race and gender-sensitive issues. This up-to-date work will be of increasing importance to all teachers of introductory economics.
