This is the most helpful and comprehensive resume book you can buy. It includes more than 400 success-proven resume expamples that teach you how to personalize your resume according to your own unique career situation. The 17 chapters contain resumes that cover all major industries, span all job levels from entry-level to CEO, and are helpfully arranged by both job field and title to make it easy for you to quickly locate the resumes that address your particular field or situation. The first chapter includes expert advice on what to include on your resume and what to omit, what to

emphasize and what to tone down. It is specifically designed to keep reading to a minimum, so you can start sending out your resume as soon as possible. The second chapter, devoted to creating hard-hitting cover letters, includes 40 examples that cover a wide variety of typical career situations, while the third chapter includes 30 resumes that cover difficult circumstances. There is even a chapter devoted to students to help new graduates joining the workforce.
