*Documenting his notorious career with the Detroit Red Wings and the Chicago Blackhawks, Bob Probert details in this autobiography how he racked up points, penalty minutes, and bar bills, establishing himself as one of the most feared enforcers in the history of the NHL. As Probert played as hard off the ice as on, he went through rehab 10 times, was suspended twice, was jailed for carrying cocaine across the border, and survived a near fatal motorcycle crash all during his professional career, and he wanted to tell his story in his own words to set the record straight. When he died unexpectedly of a heart attack at the age of 45 on*

*July 5, 2010, he was hard at work on his memoir—a gripping journey through the life of Bob Probert, with jaw-dropping stories of his on-ice battles and his reckless encounters with drugs, alcohol, police, customs officials, courts, and the NHL, told in his own voice and with his rich sense of humor.*

*SUVs have taken over America's roads. Ad campaigns promote them as safer and "greener" than ordinary cars and easy to handle in bad weather. But very little about the SUV's image is accurate. They poorly protect occupants and inflict horrific damage in crashes, they guzzle gasoline, and they are hard to control. Keith Bradsher has been at the forefront in reporting the calamitous safety and environmental record of SUVs, including the notorious Ford-Firestone*

*rollover controversy. In High and Mighty, he traces the checkered history of SUVs, showing how they came to be classified not as passenger cars but as light trucks, which are subject to less strict regulations on safety, gas mileage, and air pollution. He makes a powerful case that these vehicles are even worse than we suspect--for their occupants, for other motorists, for pedestrians and for the planet itself. In the tradition of Unsafe at Any Speed and Fast Food Nation, Bradsher's book is a damning exposé of an industry that puts us all at risk, whether we recognize it or not.*
