In this interactive board book, kids will love pulling the tabs to make Harry the wolf crunch his teeth! Harry the wolf loves scaring the other animals with his big teeth. He scares the sheep, the rabbits, and the bear cubs, but when he hears something in the bushes, he's afraid the mama bear is going to get him! But it turns out it's only his wolf buddies who want to give him a scare for a change!

This reader makes the key essays of 19th century French philosopher Félix Ravaisson available in English for the first time. In recent years, Ravaisson has emerged as an extremely important and influential figure in the history of modern European philosophy. The volume contains the classic 1838 dissertation Of Habit, studies of Pascal, Stoicism and the wider history of philosophy together with the Philosophical Testament that he left unfinished when he died in 1900. The volume also features Ravaisson's work in archaeology, the history of religions and art-theory, and his essay on the Venus de Milo, which occupied him over a period of twenty years after he noticed, when hiding the statue behind a false wall in a dingy Parisian basement during the Franco-Prussian war, that it had previously been presented in a way that deformed its original bearing and meaning. Félix Ravaisson: Selected Essays contains an introductory intellectual biography of Ravaisson, which contextualises each of the essays in the volume. It also features an annotated bibliography of suggested further reading. This book will grant scholars and students alike wider access to his distinctive contribution to the history of philosophy.

2020 New York City Zagat Restaurant Guide

Weird But True 9

There's something in the earth deep below Elise Kavanagh's territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it's coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she's come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer—plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there's no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

Graffiti writing was born in the streets of Philadelphia in the late 1960s. But it was in New York in the early 1970s that it became a full-fledged urban art, gradually taking over the landscape of the city, from its walls to its subway cars. This is a writing manual, a detailed examination of how graffiti writers have developed the twenty-six letters of the alphabet. It includes the contribution of ten of the international scene's most talented creators answer Woshe's questions about matters that include their practice, their relationship with letters and their backgrounds. It includes a map of New York with the sites where the most important graffiti are located.

An Adventure Guide for Motorcycle Explorers

This volume of original stories is all for furry feline friends. A unique collection of fantastical cat tales.

"Like Muir himself, Essential Muir packs an astounding range of experience into a lithe frame: ecstatic yet scientific descriptions of Yosemite; the heartrending tale of that "wee, hairy, sleekit beastie," Stickeen; reflections on the society of Eskimos;Muir's touching tribute, after a lifetime of wonder, to the mighty baobob trees of Africa; and more. Fred D. White's selection from Muir's writings, and his illuminating commentary, reveal the coherence and drama of a remarkable life: new readers will understand why Muir has become an American icon, and readers who are familiar with his work will be delighted with this fresh look. Muir's fierce love of all of nature, from squirrels to glaciers (but perhaps not sheep), continues to inspire us nearly a century after his death."--Book jacket.
