

Edge Of Eternity

Imagine Being Pulled Into a dark and deep web full of pain and grief. Death is seemingly all around you. Imagine having a constant unshakable feeling that you would soon be next. After experiencing devastating losses of the people I loved the most, I had come face to face with one of life’s crossroads. Now, at a turning point after a series of crises, I found myself questioning my faith and asking myself if there was a God. Engaged in a battle against the enemy of humanity, I had to decide if the faith I once proclaimed to have was faith or was I merely proclaiming faith because of what my eyes were able to see and my mind understands. So I put God on trial, to see if He, the omnipotent one, would vindicate Himself.

"This book is about how to live as though today may be our last"—Provided by publisher.

When Rebecca Hoffmann, a teacher in East Germany, finds herself pursued by the secret police, she discovers that she has been living a lie. Her younger brother, Walli, longs to escape across the Berlin Wall to Britain to become part of the burgeoning music scene. In the United States, George Jakes, a bright young lawyer in the Kennedy administration, is a fierce supporter of the Civil Rights movement - as is the woman he is in love with, Verena, who works for Martin Luther King, Jr. Boarding a Greyhound bus in Washington to protest against segregation, they begin a fateful journey together. Russian activist, Tania Dvorkin, narrowly evades capture for producing an illegal news sheet. Her actions are made all the more perilous as her brother, Dimka, is a rising star in the heart of the Communist Party in the Kremlin.

Photographs and short stories by the author, a hospice chaplain in Missouri.

Voices from the Edge of Eternity

A Window on Eternity

Book Three of The Century Trilogy

Dancing on the Edge of Eternity

A Whisper Of Eternity

This fast-paced adventure fantasy trilogy starts with murder and leads teenagers Nathan and Kelly out of their once-familiar world as they struggle to find answers to the tragedy. A mysterious mirror with phantom images, a camera that takes pictures of things they can’t see, and a violin that unlocks unrecognizable voices ... each enigma takes the teens further into an alternate universe where nothing is as it seems. Find out what happens when good battles evil in an alternate universe Interfinty is imminent. In this second book in the Echoes from the Edge series, the merging of Earth and its parallel dimensions means one thing to Nathan Shepherd---he must rescue his parents while attempting to save his world and others. But signs foretell the impending collapse of the cosmos. Nathan and his friend Kelly watch the night sky transform into a giant mirror, as stars are replaced by scattered reflections of Earth. The teens are not the only ones on a mission. Mictar, a dimensional stalker who consumes the life energy of his victims, fights to control the universe---a universe Nathan knows belongs to God. Journeying through dimensional realities, Nathan and Kelly must draw on their God-given gifts of wisdom and courage and the help of faithful friends, as they battle Mictar for lives and worlds sliding toward the edge of destruction.

☞The wonderful cathedral of Notre-Dame de Paris, one of the greatest achievements of European civilization, was on fire. The sight dazed and disturbed us profoundly. I was on the edge of tears. Something priceless was dying in front of our eyes. The feeling was bewildering, as if the earth was shaking.☞ Ken Follett ☞[A] treasure of a book.☞The New Yorker In this short, spellbinding book, international bestselling author Ken Follett describes the emotions that gripped him when he learned about the fire that threatened to destroy one of the greatest cathedrals in the world☞the Notre-Dame de Paris. Follett then tells the story of the cathedral, from its construction to the role it has played across time and history, and he reveals the influence that the Notre-Dame had upon cathedrals around the world and on the writing of one of Follett’s most famous and beloved novels, The Pillars of the Earth. Ken Follett will donate his proceeds from this book to the charity La Fondation du Patrimoine.

Early in 1944, German commander Field Marshal Erwin Rommel took a look at the sloping sands and announced "They will come here!☞ He was referring to "Omaha Beach☞. The beach was then transformed into three miles of lethal, bunker-protected arcs of fire, with seaside chalets converted into concrete strongpoints, with layers of barbed wire and mines. When Company A of the US 116th Regiment landed on Omaha Beach in D-Day’s first wave on 6th June 1944, it lost 96% of its effective strength. This was the beginning of the historic day that Landing on the Edge of Eternity narrates hour by hour!☞midnight to midnight!☞tracking German and American soldiers fighting across the beachhead. The Wehrmacht thought they had bludgeoned the Americans into submission yet by mid-afternoon, the American troops were ashore. Why were the casualties so grim, and how could the Germans have failed? Juxtaposing the American experience!☞pinned down, swamped by a rising tide, facing young Wehrmacht soldiers fighting desperately for their lives, Kershaw draws on eyewitness accounts, memories, letters, and post-combat reports to expose the true horrors of Omaha Beach. Landing on the Edge of Eternity is a dramatic historical ride through an amphibious landing that looked as though it might never succeed.

East German teacher Rebecca Hoffmann discovers shes been spied on by the Stasi for years and commits an impulsive act. George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert F. Kennedys Justice Department and finds himself in the middle of the civil rights battle. Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage, only to discover that the world is a much more dangerous place than hed imagined. Dimka Dvorkin, a young aide to Nikita Krushchev, becomes a prime agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsawand into history.

Hidden Messages from the Edge of Eternity

The Fasting Edge

Eternity’s Edge

*October 1962. The Soviet Union has smuggled missiles into Cuba. Kennedy and Khrushchev are in the midst of a military face-off that could lead to nuclear conflagration. Warships and submarines are on the move. Planes are in the air. Troops are at the ready. Both leaders are surrounded by advisers clamoring for war. The only way for the two leaders to negotiate safely is to open a “back channel”—a surreptitious path of communication hidden from their own people. They need a clandestine emissary nobody would ever suspect. If the secret gets out, her life will be at risk . . . but they’re careful not to tell her that. Stephen L. Carter’s gripping new novel, *Back Channel*, is a brilliant amalgam of fact and fiction—a suspenseful retelling of the Cuban Missile Crisis, in which the fate of the world rests unexpectedly on the shoulders of a young college student. On the island of Curaçao, a visiting Soviet chess champion whispers state secrets to an American acquaintance. In the Atlantic Ocean, a freighter struggles through a squall while trying to avoid surveillance. And in Ithaca, New York, Margo Jensen, one of the few black women at Cornell, is asked to go to Eastern Europe to babysit a madman. As the clock ticks toward World War III, Margo undertakes her harrowing journey. Pursued by the hawks on both sides, protected by nothing but her own ingenuity and courage, Margo is drawn ever more deeply into the crossfire—and into her own family’s hidden past.*

In New York Times bestselling author Alexandra Ivy’s thrilling new romance, a vicious evil stalks two Guardians of Eternity, waiting to attack where they never expected . . . Becoming a vampire nearly killed Satin. After decades in hiding to reach fighting strength, she swore never to be weak again. Instead, she flings herself into the joys of life. Like “combat practice” with Marco, the owner of the wildest club outside of Chicago. Getting a workout with the sizzling Were is the ultimate no-strings-attached pleasure. Until a chaos-strewing demon leaves Satin with an impossible, infuriating diagnosis: Vampires don’t get pregnant. Marco prides himself on being the perfect Were—strong, savage, and barely housetrained. But with Satin gone on her mysterious quest, he’s compelled to follow. This raven-haired warrior might be his mate for all eternity. But a dark presence hovers around her. If Marco and Satin can’t solve its riddle in time, there won’t be any future to worry about . . .

Doerr and the series editor, Heidi Pitlor, winnow down twenty stories out of thousands that represent the best examples of the form published the previous year.

"This book is truly epic. . . . The reader will probably wish there was a thousand more pages." —The Huffington Post Picking up where Fall of Giants, the first novel in the extraordinary Century Trilogy, left off, Winter of the World follows its five interrelated families—American, German, Russian, English, and Welsh—through a time of enormous social, political, and economic turmoil, beginning with the rise of the Third Reich, through the great dramas of World War II, and into the beginning of the long Cold War. Carla von Ulrich, born of German and English parents, finds her life engulfed by the Nazi tide until daring to commit a deed of great courage and heartbreak American brothers Woody and Chuck Dewar, each with a secret, take separate paths to momentous events, one in Washington, the other in the bloody jungles of the Pacific. . . . English student Lloyd Williams discovers in the crucible of the Spanish Civil War that he must fight Communism just as hard as Fascism. . . . Daisy Peshkov, a driven social climber, cares only for popularity and the fast set until war transforms her life, while her cousin Volodya carves out a position in Soviet intelligence that will affect not only this war but also the war to come.

Fall of Giants

The Edge of Everything

World Without End

Artifices of Eternity

The Antiquity of the Earth in Medieval and Early Modern Europe

Imagine Being Pulled Into the Hereafter. While You’re Still Alive. A disillusioned business executive whose life has hit a dead-end, Nick Seagrave has lost loved ones to tragedy and his family to neglect. Now, at a point of great crisis, he unbelievably and inexplicably finds himself transported to what appears to be another world. Suddenly he’s confronted with profoundly clear views of his own past and personality. At the same time, he’s enabled to see, hear, taste, and smell the realities of both heaven and hell—realities that force him to face dangers and trials far greater than any he’s known before. Pitted against flying beasts, a monstrous web that threatens to hold him captive, an evil, brooding intelligence, and undeniable evidence of a spiritual world, Nick must finally consider the God he claims not to believe in. Walking between two worlds, Nick Seagrave prepares to make decisions that will change his life forever, as he stands on the Edge of Eternity.

Dramatic Testimonies of Near-death Experiences and VisionsVoices from the Edge of Eternity is a compilation of the words and experiences of people both famous and obscure just before their deaths. Young and old, great and small, saint and sinner—these testimonies confirm the biblical doctrines of life after death, judgment for the nonbeliever, and eternal life for those who have accepted Christ as Savior. Included are the experiences of a formidable array of witnesses, such as Martin Luther, Voltaire, John Wesley, Joan of Arc, Thomas Paine, Charles Darwin, Queen Elizabeth I, John Calvin, Napoleon Bonaparte, Peter the Great, and many more. The agreement among the accounts is remarkable in this fascinating collection of thoughts and experiences that shed light on the life that awaits us after death.

Edge of EternityBook Three of The Century TrilogyPenguin

Ken Follett’s extraordinary historical epic, the Century Trilogy, reaches its sweeping, passionate conclusion. In Fall of Giants and Winter of the World, Ken Follett followed the fortunes of five international families—American, German, Russian, English, and Welsh—as they made their way through the twentieth century. Now they come to one of the most tumultuous eras of all: the 1960s through the 1980s, from civil rights, assassinations, mass political movements, and Vietnam to the Berlin Wall, the Cuban Missile Crisis, presidential impeachment, revolution—and rock and roll. East German teacher Rebecca Hoffmann discovers she’s been spied on by the Stasi for years and commits an impulsive act that will affect her family for the rest of their lives. . . . George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert

F. Kennedy’s Justice Department and finds himself in the middle of not only the seminal events of the civil rights battle but a much more personal battle of his own. . . . Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage for a cause he believes in, only to discover that the world is a much more dangerous place than he’d imagined. . . . Dimka Dvorkin, a young aide to Nikita Khrushchev, becomes an agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsaw—and into history.

Winter of the World

Money, Possessions, and Eternity

Relics of Eternity

In bestseller after bestseller, Randy Alcorn has held readers spellbound with fast-paced, gripping fiction infused with eternal themes. Now, he responds to the widespread hunger for more insight on this subject with a straightforward, real-life look at heaven, rewards, and how to live in light of eternity. The deepest longing of your heart is for one person and one place.

Jesus is that person. Heaven is that place. A thousand counterfeits vie for your attention, trying to convince you that they are what you're looking for. But you'll never find true satisfaction with what this world has to offer. What you really crave can only be found in the land of substance: Heaven. In Light of Eternity will grip your soul and open your eyes to the realities of Heaven. Far from boring, Heaven promises to be an exhilarating adventure in which every chapter is better than the one before. With clear biblical teaching and illustrative stories and reflections, Alcorn shows how your life today will impact the eternal reality that awaits you. Let this book guide you into discovering how wonderful your eternal future will be--and what you can do now to prepare for it.

When it comes to the subject of Life, we seem to have a blind spot.Throughout the ages, the question of what Life is has been asked and answered a thousand times and invariably both the question and the answer center on Life’s attributes: what it does, where it came from, what created it, what its meaning is... What you won’t find is the answer telling you what Life is.We seem unable to consider Life as a presence in and of itself, independent from life forms and outside the context of alive versus dead.When you die everything that was enclosed by your skin is still there, except Life. Life has left you. But what is that thing called Life? What is it made of?Does Life have particles? If it did, wouldn’t science have found them by now? Is it energy? If it is, wouldn’t scientists be manipulating it? Why have we not been able to capture or isolate it?What Life Is; Dancing on the Edge of Eternity, is not an intellectual or philosophical argument, nor does it promote a religious platform. It touches the subject of Life unlike any other text, exploring the most essential question we can ask. The answer it offers is life-changing and may surprise you.

Scientists continue to scan the heavens in their search for signals from distant galaxies. Committed teams of microbiologists and computer specialists continue their efforts to further decipher the genetic codes in our DNA. And now we discover that all this time there apparently have been hidden codes in the most widely distributed document on the Planet Earth: the Bible.

Hope in the Dark

"A sharp fantasy thriller." --People "Swoonworthy." --Time "Sharp, dark, thoughtful and romantic." --Cassandra Clare, #1 New York Times bestselling author When their worlds collide, X and Zoe are pushed to the edge of everything in this much-buzzed-about tour de force YA fantasy from Entertainment Weekly veteran Jeff Giles. For the perfect love, what would you be willing to lose? It's been a shattering year for seventeen-year-old Zoe, who's still reeling from her father's shocking death in a caving accident and her neighbors' mysterious disappearance from their own home.

Then on a terrifying subzero, blizzardy night in Montana, she and her brother are brutally attacked in the woods--only to be rescued by a mysterious bounty hunter they call X. X is no ordinary bounty hunter. He is from a hell called the Lowlands, sent to claim the soul of Zoe's evil attacker and others like him. X is forbidden from revealing himself to anyone other than his prey, but he casts aside the Lowlands' rules for Zoe. As they learn more about their colliding worlds, they begin to question the past, their fate, and their future. But escaping the Lowlands and the ties that bind X might mean the ultimate sacrifice for them both. Gripping and full of heart, this epic start to a new series will bring readers right to the edge of everything.

In Amanda Ashley's compelling, lushly sensual novels, vampires exist alongside humans--but their desires are not relegated to the shadows. Now, a timeless passion is shattered by dangerous immortal ambition--unless an eternal kiss can hold back the darkness of true death. . . He Will Not Lose Her Again When artist Tracy Warner purchases the rambling seaside house built above Dominic St. John's hidden lair, he recognizes in her spirit the woman he has loved countless times over the centuries. Drawing her into the fascinating, seductive world of the vampire, he aches to believe that this time she will not refuse his Dark Gift. But when Dominic's ancient rival appears in Sea Cliff, hungry for territory and power, Tracy becomes a pawn in a deadly game. To save her--and the passion that burns between them--Dominic must offer. . . A Whisper Of Eternity.

A group of kids from hell come to Earth on one of the craziest nights of the year—Halloween—in this snarky, witty middle grade adventure about teamwork, friendship, shattering expectations, and understanding the world (or otherworld) around us. Mal and his friends are just your regular average kids from hell. The suburbs that is, not the fiery pit part. But when Hell’s Bells ring out—signaling that a soul has escaped from one of the eternal circles, Mal and his friends can’t help but take the opportunity for a little adventure. Before they know it, they’ve somehow slipped through the veil and found themselves in the middle of Salem, Massachusetts, on Halloween night. And what’s even worse, they’ve managed to bring the escaped soul with them! As the essence of one of history’s greatest manipulators gains power by shifting the balance on Earth, Mal and his squad-mates—along with some new friends that they meet along the way—work desperately to trap the escapee, save the people of Earth from the forces of evil, and find the portal back to their own dimension. If they can’t manage it before their parents realize they’re gone, they’ll be grounded for an eternity. And an eternity in hell is a very, very long time.

Seeking to escape the shadow of Annette Bond’s success, Captain Morgan Casimir has taken a posting on the far side of the AITol Imperium. Here she hopes to begin a legend for herself that stands apart from her stepmother, the Duchess.

Moreland, author of The Case for a Creator "A riveting book that opens your heart and mind to the reality of the afterlife. This book is unforgettable, and its messages are empowering. Read this right now!"—Dr. Ken Wilber, author of The Eye of the Beholder "Addresses murder, suicide, death of children, and unresolved family issues with a mix of past and present cases."—Dr. Joe Vitale, author of Zero Limits and star of The Secret "Addresses murder, suicide, death of children, and unresolved family issues with a mix of past and present cases."—Dr. Michael S. Moreland, author of The Case for a Creator "Evidence of Eternity is provocative, stirring, endearing, and hopeful. For a guide to strong spiritual connections, this is the best book I have read."—Dr. My Haley, widow of Alex Haley and collaborator on his New York Times bestseller Roots

Ken Follett’s magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women’s suffrage. A thirteen-year-old Welsh boy enters a man’s world in the mining pits. . . . An American law student rejected in love finds a surprising new love. . . . The aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. . . . The chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, Fall of Giants takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

The remarkable story of how one of the most biologically diverse habitats in the world was destroyed, restored, and continues to evolve—with stunning, full-color photographs by two of the world’s best wildlife photographers. A Window on Eternity is a stunning book of splendid prose and gorgeous photography about one of the biological wonders of the world. Gorongosa National Park in Mozambique was nearly destroyed in a brutal civil war, then was reborn and is now evolv-ing back to its original state. Edward O. Wilson’s personal, luminous description of the wonders of Gorongosa is beautifully complemented by Piotr Naskrecki’s extraordinary photographs of the park’s exquisite natural beauty. A bonus DVD documentary, The Guide, is also included with the book. Wilson takes readers to the summit of Mount Gorongosa, sacred to the local people and the park’s vital watershed. From the forests of the mountain he brings us to the deep gorges on the edge of the Rift Valley, previously unexplored by biologists, to search for new species and as they emerge. From huge colonies of agricultural termites to specialized raider ants that feed on them to giant spiders, a battle between an eagle and a black mamba, “conversations” with traumatized elephants that survived the slaughter of the park’s large animals, and more. He pleads for Gorongosa—and other wild places—to be allowed to exist and evolve on their own terms. He examines the near destruction and rebirth of Gorongosa, Wilson analyzes the balance of nature, which, he observes, teeters on a razor’s edge. Loss of even a single species can have serious ramifications throughout an ecosystem, and yet we are carelessly destroying complex biodiverse ecosystems with unknown consequences. The wildland is this natural world, still evolving, that may outlast us and become our legacy, our window on eternity.

Horace’s Fourth Book of Odes

Recover Your Passion. Recapture Your Dream. Restore Your Joy

Edge of Eternity

Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? Its time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accuratelyas Gods provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices.

It is commonly assumed that the creation story of Genesis and its chronology were the only narratives openly available in medieval and early modern Europe and that the discovery of geological time in the eighteenth century came as a momentous breakthrough that shook the faith in the historical accuracy of the Bible. Historians of science, mainstream geologists, and Young Earth creationists alike all share the assumption that the notion of an ancient Earth was highly heterodox in the pre-modern era. The old age of the world is regarded as the offspring of a secularized science. In this book, Ivano Dal Prete radically revises the commonplace history of deep time in Western culture. He argues that the chronology of the Bible always coexisted with alternative approaches that placed the origin of the Earth into a far, undetermined (or even eternal) past. From the late Middle Ages, these notions spread freely not only in universities and among the learned, but even in popular works of meteorology, geology, literature, and art that made them easily accessible to a vernacular and scientifically illiterate public. Religious authorities did not regard these notions as particularly problematic, let alone heretical. Neither the authors nor their numerous readers thought that holding such views was incompatible with their Christian faith. While the appeal of theories centered on the biblical Flood and on a young Earth gained popularity over the course of the seventeenth century, their more secular alternatives remained vital and debated. Enlightenment thinkers, however, created a myth of a Christian tradition that uniformly rejected the antiquity of the world, as opposed to a new secular science ready to welcome it. Largely unchallenged for almost three centuries, that account solidified over time into a still dominant truism. Based on a wealth of mostly unexplored sources, On the Edge of Eternity offers an original and nuanced account of the history of deep time that illuminates the relationship between the history of science and Christianity in the medieval and early modern periods, with lasting implications for Western society.

Enjoy this paranormal military romance by bestselling author S.B. Alexander My first kiss could be my last. I once dreamed of high school dances and my first date. Now, as a newly formed vampire, I’m navigating a new world with an animalistic hunger I must learn to control. A human boy wants to date me. Another wants to kill me. And a Navy SEAL vampire keeps sending me mixed messages. Yet as I adjust to my novel powers and battle to restrain my vampiric urges, an enemy is closing in. Praise for the series: "A FANTASTIC series that I was sucked into and binge read the five-book collection!!! The characters are really well written, with a lot of growth as the series progresses. Characters are fleshed out and you begin to understand their motivations and thinking. Friends, Family and Romance among these Vampire Navy Seals!" BookDragonGirl "Although character driven, the action and suspense keep you turning the pages wanting to see what will happen. I was so pulled in that I was completely oblivious to what was going on around me. There are shocks and surprises that really shake things up and my jaw would practically hit the floor!" Goodreads Reviewer "If you enjoy paranormal romance, military romance, suspense, action, surprises, plot twists and lots of amazing characters...then this is a FANTASTIC series that I'd highly recommend you check out!!" Goodreads Reviewer "These books are for anyone who likes Vampire paranormal stories. They are well written you can lose yourself in these books. You can imagine what each character looks like. They are well worth a read. I am disappointed I have finished them. Ten out of Ten." Goodreads Reviewer "I am a huge fan of both YA and Supernatural reads, especially ones that are able to set themselves apart from the rest, and this one takes the cake." Goodreads Reviewer Topics: vampire love story, vampire romance, paranormal romance novels, paranormal romance vampires, supernatural, supernatural romance books, supernatural romance, urban fantasy, alpha vampire hero, military romance, navy seal romance, vampire romance series, coming of age, teen vampire romance, young adult vampire romance I thought I had my bloodlust in check. Until I'm kidnapped and left in the middle of a storm-tossed ocean with the human who has a crush on me. Can I get us both to safety before the sea swallows us whole? Or will I lose myself to the dark pull of my ravenous thirst? On the Edge of Eternity is the second book in The Vampire Navy SEAL series. Jo and Webb’s story continues as Jo fights alongside Webb in this action-packed installment full of intrigue, suspense, and an emerging vampire romance. This is an upper young adult/new adult supernatural romance series. Series reading order: 1. On the Edge of Humanity 2. On the Edge of Eternity 3. On the Edge of Destiny 4. On the Edge of Misery 5. Evidence of Eternity

Book One of the Century Trilogy

In Light of Eternity

Book Three of the Century Trilogy

Edge of Eternity Deluxe Edition

An explosive novel of high finance and underworld villainy from Ken Follett, the grand master of international action and suspense. Crime, high finances, and journalism are interconnected in this early thriller by the author of On Wings of Eagles and Lie Down With Lions. In one suspenseful, action-packed day, fortunes change hands as an ambitious young reporter scrambles to crack the story. A suicidal junior minister, an avaricious tycoon, and a seasoned criminal with his team of tough guys all play their parts in a scheme that moves "paper money" around at a dizzying pace.

SOMETHING STRANGE WAS IN THE MISTS OF FERNHAVEN A mantle of mystery had closed in on Elizabeth Blackstone. An inexplicable—unnatural—sensation of being watched had stricken her ever since the accident that claimed her young son and nearly her, as well. Trapped in the depths of despair, she'd been experiencing gaps in her memory, hearing and seeing things that weren't there...feeling even more frightening things. Her once-loving husband, Paul—a handsome, successful businessman—had become a grief-stricken stranger, who'd seemingly retreated from their marriage. But it was an impromptu excursion to the luxury hotel in Fernhaven that proved the true test of their bond.... Paul was desperate to save his wife from the edge of devastation or worse. Would his love be strong enough to overcome a sinister and inconceivable interloper?

Continues the experiences of five intertwined international families as they confront the social, political, and economic turmoil of the second half of the twentieth century.

One must be saved, one must be broken, one must seek vengeance, and one must choose.In a world shaped by a select few masters of the natural elements, the visions of a long-forgotten queen foretell a crossroads in the future of humanity. Oblivious to their significance, four strangers will dictate the fate of the world, and all life balances on the knife edge of their choices.One decisive night will gather them all together under the same roof, where the fires of life will continue to burn... or be extinguished forever.
