Offers a look at a migrant family, detailing their daily life and the struggles they endured to build an existence on the small opportunities they were given

Photographs of contemporary Veles are intertwined with fragments from an archaeological discovery also called 'the Book of Veles' -- a cryptic collection of 40 'ancient' wooden boards discovered in Russia in 1919, written in a proto-Slavic language. It was claimed to be a history of the Slavic people and the god Veles himself--the pre-Christian Slavic god of mischief, chaos and deception

A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.

The Wyoming men are back! In their quest for true love on the range, are these ranchers bold enough to open their hearts to the women under their protection? Ren Colter may own an enormous ranch in Wyoming, but he scorns his wealth. He's closed himself off since his fiancée left him months ago, so he's shocked when he allows Meredith Grayling to stay with him. He tells himself it's only to protect the blonde beauty from a stalker, but Ren's alpha instincts soon kick in. The last thing Merrie wants is a devastatingly handsome man like Ren lurking around her. He's too experienced, too appealing for her already shot nerves. What she needs is just to get away from it all: the man haunting her waking dreams and the one hunting her like an animal. But no woman escapes this Colter cowboy!

**World-renowned Stanford University psychologist Carol Dweck, in decades of research on achievement and success, has discovered a truly groundbreaking idea—the power of our mindset. Dweck explains why it's not just our abilities and talent that bring us success—but whether we approach them with a fixed or growth mindset. She makes clear why praising intelligence and ability doesn't foster self-esteem and lead to accomplishment, but may actually jeopardize success. With the right mindset, we can motivate our kids and help them to raise their grades, as well as reach our own goals—personal and professional. Dweck reveals what all great parents, teachers, CEOs, and athletes already know: how a simple idea about the brain can create a love of learning and a resilience that is the basis of great accomplishment in every area.**

**A finales de la década de 1950, un judío puertorriqueño con orígenes en el Oriente Medio se asienta junto a su familia en la ciudad de Nueva York. Carlos ben Carlos Rossman lleva consigo su legado cultural y a la vez trata de reinventarse mediante la observación atenta de la psicología, la historia y el lenguaje de un enorme país donde confluyen diversas religiones, políticas y prácticas de todas partes del mundo. La reflexión sobre el ser americano y sobre el ser no-americano conduce al protagonista, aspirante a heredero del poeta William Carlos Williams, a desmontar las fábulas e ironías de una nación donde todavía muchos continúan siendo alienados. Publicada originalmente en 2013, esta obra de Benjamin Hollander (Israel, 1952-Estados Unidos, 2016) aparece ahora en su primera edición en español. Se trata de una novela singular y provocativa, donde se integran memorias autobiográficas, citas textuales, cartas, fragmentos líricos y cavilaciones filosóficas para ofrecer una aguda reflexión sobre la identidad del emigrante en Estados Unidos.**

**A masterwork of suspense from the #1 New York Times bestselling author. Tina Evans can think of no better time for a fresh start. It's been a year of unbelievable heartache since her son Danny's death. Now the Vegas show that she directed is about to premiere, so she vows to put her grief behind her. Only there is a message for Tina, scrawled on the chalkboard in Danny's room. Two words that will send Tina on a terrifying journey...NOT DEAD.**

**Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and**

mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

**Written entirely in Spanish, this is the ideal introduction to Spanish linguistics for students. Using clear explanations, it covers all the basic concepts required to study the structural aspects of the Spanish language - phonetics and phonology, morphology and syntax - as well as the history of Spanish, its dialects and linguistic variation. This second edition incorporates new features designed to enhance its usefulness for classroom teaching: chapters have been added on the sociolinguistics of Spanish in the USA, and on semantics and pragmatics. The chapter on syntax has been considerably expanded. Numerous exercises have been added throughout the book, as well as a new glossary to help with technical terms.**

**This book aims to take users from scratch to having a solid base in Italian within six months, and to feel comfortable with the language in as little as three months. In only half an hour a day users will move ahead naturally until they are at ease with all the basic structures needed for communication and become familiar with the basic words and grammar of Italian. The method comprises two phases: the passive phase, in which users simply repeat what they hear and read, and the active phase, in which users begin to create sentences and imagine themselves in a variety of everyday situations.**

**"The priesthood is going through a dark time", according to Pope Emeritus Benedict XVI and Robert Cardinal Sarah. "Wounded by the revelation of so many scandals, disconcerted by the constant questioning of their consecrated celibacy, many priests are tempted by the thought of giving up and abandoning everything." In this book, the pope emeritus and the prefect of the Congregation for Divine Worship and the Discipline of the Sacraments give their brother priests, and the whole Church, a message of hope. They honestly address the spiritual challenges faced by priests today, while pointing to deeper conversion to Jesus Christ as the key to faithful and fruitful priestly ministry and genuine reform. Benedict XVI and Cardinal Sarah "fraternally offer these reflections to the people of God and, of course, in a spirit of filial obedience, to Pope Francis", who has said, "I think that celibacy is a gift for the Church. . . . I don't agree with allowing optional celibacy, no." Responding to calls for refashioning the priesthood, including proposals from participants in the Amazonian Synod, two wise, spiritually astute pastors explain the importance of priestly celibacy for the good of the whole Church. Drawing on Vatican II, they present celibacy as not just "a mere precept of ecclesiastical law", but as a sharing in Jesus' sacrifice on the Cross and his identity as Bridegroom of the Church.**

I find no proof in God's redemptive plan that a woman is any more limited in Christ's ministry than a man is. I see no Biblical evidence. That a woman has any less value to God in public or private Christian ministry than a man has; That the promises, teachings and commands of Chris are not addresses to women the same as they are to men; That a woman should be any more restrained or repressed in sharing the gospel with hurting humanity than a man is; That the gifts and power of the Holy Spirit are any more limited or less effective in a woman's life than in a man's. God is spirit. You and I are His body, His hands to touch with, His eyes to see through, His feet to walk with, His heart to love through, His ears to hear with, His arms to embrace with. Bible believing women all over the world are awakening to their unmitigated stature in the body of Christ and to their equality in God's redemptive plan.

Think and Grow Rich

A study of what would happen to Earth if the human presence was removed examines our legacy for the planet, from the objects that would vanish without human intervention to those that would become long-lasting remnants of humankind. The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

Una edición definitiva, a cargo del propio Philip Roth, de sus ensayos, discursos y entrevistas esenciales acerca de la literatura, su obra, su vida y su país. Recorriendo una carrera literaria que abarca medio siglo e incluye los premios y honores más prestigiosos, ¿Por qué escribir? muestra el vigor, agudeza y poder persuasivo de uno de los grandes escritores de nuestro tiempo. Esta es la edición definitiva, a cargo del propio Philip Roth, de sus ensayos, entrevistas y discursos sobre la escritura, la literatura, su obra y su país. El presente volumen forma un tándem esencial con su obra literaria, contiene material inédito y está dividido en tres partes. Se inicia con lo indispensable de Lecturas de mí mismo, donde destacan los artículos y entrevistas publicados durante la explosiva aparición de El lamento de Portnoy en unos Estados Unidos sacudidos por la agitación política y la revolución sexual. La segunda parte -texto íntegro de El oficio- reúne conversaciones con Primo Levi o Milan Kundera, así como ensayos sobre la obra de Saul Bellow, entre otros. La última parte es una colección de piezas tardías, seis de ellas nunca antes publicadas: un artículo sobre el origen de La conjura contra América o discursos como el que pronunció en su ochenta aniversario, evocando su infancia en Newark. Cierran este volumen dos largas entrevistas, un último repaso a una vida entera dedicada a la literatura: «Día tras día me he enfrentado a la página en blanco, indefenso y desprevenido. Escribir era para mí una forma de supervivencia.» La crítica ha dicho: «Nuestro héroe continúa su discusión formidable y voraz con la vida, exhibiendo una gran generosidad de espíritu hacia otros viajeros de la literatura y una resistencia magnífica ante la prohibición de que un artista intelectualice y defienda su propio trabajo ante el público. En un momento en el que parece que cuestionamos cada afirmación, ¿Por qué escribir? es una lectura esencial.» Jonathan Lethem «Un clásico que engancha, un deleite de principio a fin, una fiesta en tu cabeza. Su grito sostenido contra la tiranía en todas sus formas es una lectura obligada para esta o cualquier época.» Mary Karr «Lectores y críticos, consternados por el nihilismo de la pesadilla política actual, han buscado consuelo en la ficción que afirma sus principios y creencias, una ficción en la que las víctimas se alzan triunfantes. Pero debemos esperar algo más. Debemos tener la esperanza de que aparezcan nuevos Philip Roths.» The New York Review of Books «Consistentemente inteligente y entretenido.» The Wall Street Journal «En la actual literatura norteamericana está Philip Roth y, después, todos los demás.» Chicago Tribune «Es un festín para la inteligencia. Divertido, irreverente, lúcido, imprevisible.» Rafael Narbona, El Cultural de El Mundo «Conversaciones que ayudarán a aproximarse al oficio tanto al escritor joven como al lector adulto, tanto al escritor adulto como al lector joven. Un oficio que requiere de tiempo, disciplina y buenos maestros.» Gonzalo Gragera, Zenda Libros

SECRET SOCIETIES... Following in the footsteps of her best-selling Secrets & Mysteries of the World, Sylvia Browne now writes about the clandestine realm of secret societies. Sylvia's research, combined with amazing communication with her spirit guide Francine, has revealed the fact that many covert organizations affect the lives of each of us every day. She shares her knowledge of the conspiracies, cover-ups, misinformation, and power manipulations of these groups in both the past and present, as well as how they can affect us now and in the future. From the mysterious medieval Knights Templar to the

powerful modern-day organizations that count politicians, celebrities, wealthy businesspeople, and even world leaders (including some U.S. Presidents) as members, Sylvia takes us on an amazing journey to unearth the truth. She discusses the influence of religion in the formation of nations, the agenda of shadowy cabals for a "New World Order," and much more. Sylvia explores it all, and even offers information on a powerful underground group that no one has heard about. She alerts us to those associations that have good intentions, those that do not, and those that we must keep our eyes on. So lock your windows and doors and get ready to learn about these societies and their secrets ... some will really raise the hairs on the back of your neck!

Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

*isn't just an infatuation—it's a way of life. Even as pork prices rise and the economy fluctuates, consumption of bacon remains steady. The American Meat Institute reports that bacon has an almost cultlike following; the Facebook page About Bacon has more than 10 million Likes. Its sublime savory taste has been endorsed by scientists as well: Bacon boasts umami, the seductive "fifth taste" that heightens and rises beyond sweet, sour, bitter, and salty. Bacon isn't just an infatuation—it's a way of life. In Bacon 24/7, author Theresa Gilliam and photographer E Jane Armstrong have teamed up to create a fun and current cookbook to feed the need for bacon. They include recipes for every hour, from dawn through dark, as well as info on topics such as how to cure and smoke your own bacon. Drool-worthy photographs highlight dishes such as Pasta Carbonara, Pork Belly Hash with Kale and Sweet Potatoes, and Apple Pie with Bacon Strudel.
