

Emerald Glory Vikings Of Honor Book 2

Tired of living in his brother’s shadow, Brody Galven wants the folks of Meeteetse to realize he’s no longer a bad boy screwup. He also wants his childhood best friend, Olivia Langston. While staying out of trouble proves impossible, admitting he loves her is out of the question. But will he still feel that way when she’s about to walk out of his life forever?

Scintillate by Tracy Clark A mighty flame follows a tiny spark Cora Sandoval's mother disappeared when she was five and they were living in Ireland. Since then, her dad has been more than overprotective, and Cora is beginning to chafe under his confines. But even more troubling is the colorful light she suddenly sees around people. Everyone, that is, except herself—instead, she glows a brilliant, sparkling silver. As she realizes the danger associated with these strange auras, Cora is inexplicably drawn to Finn, a gorgeous Irish exchange student who makes her feel safe. Their attraction is instant, magnetic, and primal—but her father disapproves, and Finn's mother orders him home to Ireland upon hearing he's fallen in love. After a fight with her father, Cora flees to Ireland, both to follow Finn and to look for her missing mother. There she meets another silver-haloed person and discovers the meaning of her newfound powers and their role in a conspiracy spanning centuries—one that could change mankind forever...and end her life.

*This “delightfully engaging” (RT Book Reviews) entry in the beloved Malory-Anderson Family series from the New York Times bestselling author of the Reid Family series follows the son of a gentleman pirate as he falls in love with the streetwise young woman he hires as his maid. When Danny, a young woman from the streets of London with no memory of her real family, helps handsome rakehell Jeremy Malory steal back the jewels his friend lost in a card game, she is kicked out of her gang. She demands Jeremy give her a legitimate job so she can become respectable. Intrigued by her beauty and spunk, Jeremy hires Danny as his upstairs maid, although he wants her as his mistress. Under the tutelage of Jeremy and his cousin Regina, Danny blossoms into a lady. Although she is drawn to Jeremy by passionate feelings she has never experienced before, she refuses to be anything more than a servant to him. But when she undergoes a Cinderella-like transformation and poses as Jeremy’s new love in an attempt to help him avert a scandal, his aristocratic peers can’t help but notice how familiar Danny looks. Now tongues are wagging, raising the question of her true identity, which threatens not only Danny’s chances of capturing Jeremy’s heart but her very life. A #1 New York Times bestseller by Kim Edwards, *The Memory Keeper’s Daughter* is a brilliantly crafted novel of parallel lives, familial secrets, and the redemptive power of love Kim Edwards’s stunning novel begins on a winter night in 1964 in Lexington, Kentucky, when a blizzard forces Dr. David Henry to deliver his own twins. His son, born first, is perfectly healthy, but the doctor immediately recognizes that his daughter has Down syndrome. Rationalizing it as a need to protect Norah, his wife, he makes a split second decision that will alter all of their lives forever. He asks his nurse, Caroline, to take the baby away to an institution and never to reveal the secret. Instead, she disappears into another city to raise the child herself. So begins this beautifully told story that unfolds over a quarter of a century—in which these two families, ignorant of each other, are yet bound by the fateful decision made that winter night long ago. A family drama, *The Memory Keeper’s Daughter* explores every mother’s silent fear: What would happen if you lost your child and she grew up without you? It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long-buried secrets are finally uncovered.*

The Science, Theory, and Ethics of Sexual Orientation

For four hundred years—from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army’s massacre of Sioux Indians at Wounded Knee in the 1890s--the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus’s fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast. Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched--and in places continue to wage--against the New World’s original inhabitants. Advancing a thesis that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, American Holocaust is a work of impassioned scholarship that is certain to ignite intense historical and moral debate.

Mara, the daughter of an Irish clansman, was raised to believe the men of the North are heathens - murderous pagans without a moral bone in their bodies. Despite warnings of the Northmen's raids, and the growing threat of another incursion, Mara is continually drawn to her favorite place - the River Shannon. Daegan Raeliksen, a wealthy chieftain from Norway's frozen fjords, secretly discovers Mara at the water's edge. He is charmed by her beauty and sensuous grace. As the days pass, his contentment with simply watching her grows thin. He can no longer deny his unabated desire for the young maiden. His search for a wife has ended. However, Mara and Daegan come face-to-face in a time when Ireland is in turmoil - when every Irishman is being called up to fight against the Nordic foreigners. In these times of upheaval, how can Daegan make peace with Mara's father and acquire the woman he treasures? Furthermore, can Mara move past her fears and find the noble man within the savage? During the War Between the States, both sides weaponized men turning them into killing machines. Some men were transformed beyond anything ever before imagined and loosed on each other and the world at large. The end of the war was not the end of these weapons or their desire to kill. The government first denied their existence and then systematically began to exterminate their creation. They were not always successful. Nate Carson walked away from Appomattox in April of 1865. Walking away from his memories of the war was not as easy as that, especially when his nightmares took on flesh and blood and showed up at his front door. It's a fight for his life all over again. Cowboys, Indians, and Werewolves...oh my!

A Book-Lover’s Holidays in the Open is a classic literary work by Teddy Roosevelt which describes the US president’s adventures in the great American outdoors. The man should have youth and strength who seeks adventure in the wide, waste spaces of the earth, in the marshes, and among the vast mountain masses, in the northern forests, amid the steaming jungles of the tropics, or on the deserts of sand or of snow. He must long greatly for the lonely winds that blow across the wilderness, and for sunrise and sunset over the rim of the empty world. His heart must thrill for the saddle and not for the hearthstone. He must be the wielder of axe and of paddle, the rider of fiery horses, the master of the craft that leaps through white water. His eye must be true and quick, his hand steady and strong. His heart must never fail nor his head grow bewildered, whether he face brute and human foes, or the frowning strength of hostile nature, or the awful fear that grips those who are lost in trackless lands.

When those three little words aren't enough. Jamie Sutherland finds herself falling in love with her irresistible next-door neighbor, Joseph Scarbrough. No surprise there. But when she wakes up in his bed, she's stunned that even in her sleep, she can't resist him. As their relationship heats up, Joseph gives Jamie a key to his apartment and he finally gives Caroline, his relentless ex-girlfriend, the boot.

Jamie’s excited to think he just might be the one. But how do you tell the man of your dreams you love him when he insists that he can’t fall in love?

Every myth has a beginning. After escaping the destruction of her home planet, Lanyr, with the help of the mysterious Solaris, Rynah must put her faith in an ancient legend. Never one to believe in stories and legends, she is forced to follow the ancient tales of her people: tales that also seem to predict her current situation. Forced to unite with four unlikely heroes from an unknown planet (the philosopher, the warrior, the lover, the inventor) in order to save the Lanyran people, Rynah and Solaris embark on an adventure that will shatter everything Rynah once believed.

Former trick rider Ava Wallace works the five-thousand-acre McKinley ranch and loves the man who owns it. Only trouble is, they’ve been living together for over seven years, and she can’t help but think things have changed between them. Her rough and tough cowboy used to be relentless with his affection, unable to keep his hands off her. Now, he barely has the time. Cowboy cattle rancher Jonas McKinley can’t seem to catch a break. Between his hard-working live-in girlfriend feeling like they don’t connect, and the nuisance grizzly that keeps tormenting his livestock, he must overcome the troublesome challenges that threaten his lucrative family farm before he loses what he’s worked so hard to keep. Faced with a difficult choice, Jonas has to decide what matters most: Ava or his ranch. "My favorite cowboy romance! There’s just something about a denim-clad, hardworking cowboy that fires a woman’s blood and sets her heart racing ... Renee’s book touched on real issues, and I found myself smiling, laughing and even tearing up a little. She has a way of drawing a reader in so you feel exactly what her characters feel." –Cathryn Fox, New York Times Bestselling Author

The Secret Teachings of All Ages is perhaps the most comprehensive and complete esoteric encyclopedia ever written. The sheer scope and ambition of this book are stunning. In this book Manly P. Hall has successfully distilled the essence of more arcane subjects than one would think possible. This book explores the themes underlying ancient mythology, philosophy, and religion. Unrivaled in its beauty and completeness, it distills ancient and modern teachings of nearly 600 experts.

Triumph of the City

The road less traveled never had so many bumps. Jamie Sutherland never expects to connect with her sexy-as-sin neighbor, Joseph Scarbrough, especially after all the failed relationships she's suffered. Not only does she find out he's not quite "the player" she believed him to be, but that his heart bears scars much deeper than her own. Ready to take a chance on this unlikely match, she eagerly awaits their upcoming date and hopes that Joseph is the very companion she's been waiting for all her life. Time and time again, the comical sporadic encounters resume in their loft apartment complex and Joseph eventually reveals that he is the building superintendent in a very unforgettable, Lucky-in-the-Diet-Coke-commercial fashion. While he's proficient in fixing Jamie's clogged sink, he's not all that great at leaving his past behind. When Caroline, his yuppy ex-girlfriend, makes another surprise visit, Jamie's road to something better gets a little rocky. Will Joseph choose the familiar woman with whom he had a history, or the loyal friend who's given him a future?
