Emma

Emmy was a good girl. At least she tried very hard to be good. She did her homework without being told. She ate all her vegetables, even the slimy ones. And she never talked back to her nanny, Miss Barmy, although it was almost impossible to keep quiet, some days. She really was a little too good. Which is why she liked to sit by the Rat. The Rat was not good at all . . . Hilarious, inventive, and irresistably rodent-friendly, Emmy and the Incredible Shrinking Rat is a fantastic first novel from acclaimed picture book author Lynne Jonell. Recently divorced actor Stephen C. McQueen (no relation, unfortunately) seems to have a knack for bad luck. But a failed marriage, a stalled career, a judgmental ex-wife, a distant daughter, a horrid little studio apartment in the far reaches of the London suburbs—all these pathetic elements seem to pale in the chiseled face of his newest tormentor: the Twelfth Sexiest Man in the World, Josh Harper. Josh is the star of Mad, Bad, and Dangerous to Know, a biographical play about Lord Byron—and Stephen is his understudy. Not only is Josh fantastically, infuriatingly good-looking, internationally renowned, and remarkably talented, he's also frustratingly healthy. No matter how many all-night booze-and-coke benders

Josh goes on, he always shows up at the stage door for his call like clockwork. Stephen doubts he'll ever get his chance to slip on the puffy shirt and tight breeches of Byron and tread the boards in the role that would certainly be the break he's always waited for. And just when Stephen's sure he couldn't resent Josh more, he meets Josh's witty, restless American wife, Nora . . . and discovers he likes her a little too much. Another man might curse his luck at finding that his potential dream woman is a rival's wife, but at this point, Stephen would expect nothing else. Caught between his stirring feelings for Nora, the demands of an insistent and secretive Josh, and his lifelong desire for a real career in show business, Stephen must make a terrible decision: Will it be the girl or the fame? A hapless, bumbling bloke in love, an arrogant megastar with a potpourri of addictions, a sexy married woman out of her element in the fast lane—David Nicholls brings them all together in this knockout romantic comedy. A 23-year-old African Caribbean woman presents in the emergency department with an acute onset facial rash. During initial assessment she complains of a two week history of general malaise, fatigue, fever, and weight loss. You have been assigned her examination...100 Cases in Dermatology presents 100 scenarios with a dermatological manifestation co

lesson plans and answer keys. Emma Woodhouse is beautiful, clever and rich, and she has everything she wants. She does not want a husband for herself, but she loves match-making for her friends. But is Emma really as clever as she thinks? And what will she do when things start to go wrong?

Please note: This ebook edition does not contain the photos found in the print edition. In a quiet community of million dollar homes and shiny SUVs, the Nyce family projected the very image of success. Dr. Jonathan Nyce, an asthma sufferer, had achieved medical breakthroughs that made him rich—and offered hope to countless people. Michelle's beauty made her an object of desire. And adultery was her husband's worst nightmare. Police found Michelle's Land Cruiser floating in a frigid creak near the family home. When forensic investigators examined Michelle's horribly battered body, they knew she had not died in the car. Or by accident. Soon, the truth began to emerge. Of a brilliant man whose beautiful wife had a lover she could not stay away from. Of a family—including three innocent

children—pushed to the breaking point. And of one brutal moment, when a man finally ended his torment by horrifically murdering the woman he loved...

Sara loves visiting her grandparents and helping in her grandmother's magnificent kitchen garden. When Grandmother tries to harvest one prodigiously huge turnip, she needs all the help she can get... A delightful cumulative story, originally from Russia. With fun activities after the story, and online audio in both British English and American English.

Microeconomics

Sense and Sensibility

From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis. While she was in hiding, Anne wrote diaries which described her secret life, and the loves, hopes, fears and dreams of a

teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries, of Anne Frank's early years, and of her life during and after the time in hiding.

Children love stories. Bring the magic of good storytelling into your classroom with Classic Tales, and they'll love their English lessons too. Enjoy this tale from Turkey about a farmer, the milk from her cow, and a magpie . . .

Like no other text for the intermediate microeconomics course, Goolsbee, Levitt, and Syverson's *Microeconomics* bridges the gap between today's theory and practice, with a strong empirical dimension that lets students test theory and successfully apply it. With carefully crafted features and vivid examples, Goolsbee, Levitt, and Syverson's text helps answer two critical questions students ask, "Do people and firms really act as theory suggests?" and "How can someone use microeconomics in a practical way?" The authors teach in economics departments and business schools and are active empirical microeconomics researchers. Their grounding in different areas of empirical research allows them to present the evidence developed in the last 20 years that has tested and refined fundamental theories. Their teaching and professional experiences are reflected in an outstanding presentation of theories and applications.

"The simmering menace and mystery kept me absolutely gripped...a smoldering novel that I could not put down." —Jennifer Saint, author of Ariadne "Rebecca meets The Secret History: gloriously dark, gloriously Gothic." —Sara Collins, bestselling author of The Confessions of Fannie Langton Named a Best Book of 2021 by Goodreads • Entertainment Weekly • Parade • PopSugar • Brit+Co • Romper • Frolic • Crime Reads • SheKnows.com • Women.com Discover the secrets of Caldonbrae Hall in this riveting, modern gothic debut set at an all girls' boarding school perched on a craggy Scottish peninsula. For 150 years, high above rocky Scottish cliffs, Caldonbrae Hall has sat untouched, a beacon of excellence in an old ancestral castle. A boarding school for girls, it promises that the young women lucky enough to be admitted will emerge "resilient and ready to serve society." Into its illustrious midst steps Rose Christie: a 26-year-old Classics teacher, Caldonbrae's new head of the department, and the first hire for the school in over a decade. At first, Rose is overwhelmed to be invited into this institution, whose prestige is unrivaled. But she quickly discovers that behind the school's elitist veneer lies an impenetrable, starkly traditional culture that she struggles to reconcile with her modernist beliefs--not to mention her commitment to educating "girls for the future." It also doesn't take long for Rose to suspect that there's more to the secret circumstances surrounding the abrupt departure of her predecessor--a woman whose ghost lingers everywhere--than anyone is willing to let on. In her search for this mysterious former teacher, Rose instead uncovers the darkness that beats at the heart of Caldonbrae, forcing her to confront the true extent of the school's

nefarious purpose, and her own role in perpetuating it. A darkly feminist tale pitched against a haunting backdrop, and populated by an electrifying cast of heroines, Madam will keep readers engrossed until the breathtaking conclusion. They want our silence... They want our obedience... Let them see our fire burn

Review: "This illustrated A-Z features outstanding type designers from around the world, from Gutenberg to the present day. Arranged alphabetically by designer's name, the book contains over 260 biographical profiles. Entries are illustrated by key typefaces taken from a wide range of sources, including type specimens, original posters, private press editions and magazine covers, and also give a list of work and, where applicable, further reading references and a website address. An essential reference for typographers, graphic designers and students, the book also features a full index and eight short texts by leading typographers - Jonathan Barnbrook, Erik van Blokland, Clive Bruton, John Downer, John Hudson, Jean Francois Porchez, Erik Spiekermann and Jeremy Tankard - that cover a variety of different aspects of type design, including typeface revivals, font piracy, designing fonts for corporate identities and the role of nationality in type design."--BOOK JACKET
