You will learn everything that applies to you in regards to age discrimination, disability discrimination, equal pay requirements, affirmative action, civil rights enactments, worker retraining, and dozens more acts such as OSHA, ERISA, EPPA, COBRA, SOX, PDA, and NLRA acts that enforce the standards of employment for millions of companies around the nation. You will learn which laws your company specifically must follow and how state laws might further designate what you need to know when hiring and employing a new worker. A run down of each kind of business and how certain laws, such as OSHA and other worker safety laws will apply more restrictively to you. Many industry professionals have been interviewed to share their insights on the employment laws in this country, providing a more complete view of how you can adhere to and follow these laws effectively. The tools you need, including the forms and agency addresses and contacts, to comply with these laws are provided in their entirety, along with the federal and state agencies that

you will be dealing with intricately in the weeks to come.
