This book offers five proven principles so multinational companies can advance diversity, equity, and inclusion with a nuanced understanding of local contexts across countries and cultures. It's easy to fall into the trap of using a single-culture worldview when implementing global DEI in organizations. But what makes DEI change efforts successful in one country may have opposite, unintended consequences in another. How do companies find the right balance between anchoring their efforts locally while pushing for change that may disrupt existing power dynamics? This is the question at the heart of global DEI work. Along with practical advice and examples, Rohini Anand offers five overarching principles derived from her own experience leading global DEI transformation and interviews with more than sixty-five leaders to provide a through line for leading global DEI transformation in divergent cultures. Local relevance—understanding markets and acknowledging local beliefs, regulations, and history—is essential for global success. This groundbreaking book explicitly details how to take local histories, laws, and practices into account in DEI transformation work while promoting social justice worldwide.

ABOUT THE ORIGINAL BOOK The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need to mask your appearance.

?DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents.

The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

An Unexpected Affair

Rachel: I didn't belong at that club. I swear, I was only there because they offered a *huge* prize to the winner of the wet t-shirt contest, and I needed the money. The problem is that I forgot to wear a bra that day. Yeah, whoops! Soon my generous assets were out for everyone to see, but one man wanted to claim them all for himself. Damon: The curvy girl was a little flustered at first, but soon, she took to the stage like a mare in heat.

Rachel began dancing and prancing with the best of them, making those luscious curves shake. And after that generous figure was doused with water? Game over because I was determined to give her the grand prize in person: a baby, courtesy of me! Hey Readers - Rachel and Damon meet under illicit circumstances, but that isn't going to stop the alpha male from possessing the curvy girl. Damon's the head of security at the club, but is he too commanding, too zealous, and too controlling in his quest to protect the sassy woman? Read and find out! This is a follow-up to Pregnant By My Stepbrother, but all my books are standalone and do not need to be read in order. No cheating, no cliffhangers, and always an HEA for my readers. You'll love it, I promise! Xoxo, Cassie

Dear Lady Truelove, I am a girl of noble family, but I am painfully shy, especially in my encounters with those of the opposite sex . . . For Clara Deverill, standing in for the real Lady Truelove means dispensing advice on problems she herself has never managed to overcome. There's nothing for it but to retreat to a tearoom and hope inspiration strikes between scones. It doesn't—until Clara overhears a rake waxing eloquent on the art of “honorable” jilting. The cad may look like an Adonis, but he's about to find himself on the wrong side of Lady Truelove. Rex Galbraith is an heir with no plans to produce a spare. He flirts with the minimum number of eligible young ladies to humor his matchmaking aunt, but Clara is the first to ever catch his roving eye. When he realizes that Clara—as Lady Truelove—has used his advice as newspaper fodder, he's infuriated. But when he's forced into a secret alliance with her, he realizes he's got a much bigger problem—because Clara is upending everything Rex thought he knew about women—and about himself. . . .

A family curse turned occupation, a merman in her tub and a mage in her phone. Soph's life just gets weirder.
