("On va dehors") Express your feelings ("Exprimer mes sentiments") Talk about school ("Mon école") and your classes ("Mes cours") Dozens of puzzles and activities--plus an English-French Dictionary--make learning this exciting new language easy, fast, and fun!

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and manyother components, can be used as a reference book or as text for high school or adult ESL students at the beginner level.For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage ofhaving words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners.The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to thetheme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills.The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when theyare studying on their own.

Illustrated by award winning artist Nick Sharzait, this fabulous dictionary is designed to teach young children simple word and picture association, and to help them develop their language skills -- an essential stage in learning to read. My First Picture Dictionary contains a selection of common everyday words, grouped in familiar themes such as in the Park, At the Seaside, and Things We Like to Eat. Each word is accompanied by a bold, colourful illustration, and many spreads also feature an action-packed scene incorporating the words. A special feature of the dictionary is the questions posed by the cat, the dog and the family of children who appear throughout the book. These questions help parents and teachers to share the book with their children, encouraging them to look closely at the words and pictures, and talk about what they see. The dictionary opens with an introduction for adults, explaining how to get the most out of the book, and ends with a range of fun spreads that explore simple concepts such as colour, numbers and 'doing' words. Age 2-4

Calling all little linguists! Learning French is fun and fast with this colourful French-English bilingual picture dictionary. Colour Friends introduces dual language colour names in French and English. With cartoon illustrations that children will love, Colour Friends is a fun introduction to French language learning for beginners. Discover more from the Bilingual Friends Collection of children's books from PimPomme Books Perfect for beginners of all ages including babies, toddlers and preschoolers, Bilingual Friends is a collection of colourful, fun bilingual picture books and dictionaries for children. Available in twelve different language combinations, titles include Fruit Friends, Animal Friends, Vegetable Friends, Tiger Ice Cream and Friends, Zodiac Friends, My Head and many more. These colourful bilingual children's books are not only a great way for multilingual families to share their culture and heritage but they are also popular in many different educational settings, including homeschooling, kindergartens and in classrooms as a teaching material or multicultural learning resource.

Reference

This simple, colorful picture dictionary is perfect for young readers. Here are more than 350 useful words in English, organized by topic, including school, sports, park, beach, house, street, farm, and wild animals. Each word is clearly illustrated for easy learning, and there is a full alphabetical list of words at the end of the book. A handy format, colorful illustrations, and simple, clear layout make this book ideal for early readers.

FRENCH PICTURE DICTIONARY Vol.1: English to French THIS EDITION: The dual-language text has been arranged for quick and easy cross-referencing. The text can be used on its own. However, the content is ideal for reinforcing the basics, and as a precursor to studying grammar or more advanced bilingual editions. Volume 1 in this series provides the language learner with a broad exposure to basic words and concepts, using visual queues to support understanding and retention. This picture dictionary takes the unconventional approach of including adjectives, verbs, adverbs and prepositions, not just nouns. In doing so, visual queues become a way to progress much deeper into the foreign language. Once a student has studied the basics, the Picture Dictionary can be a helpful language building resource. The suggestion is to progress through the dictionary as you would a normal book, rather than try and use it as a reference text. The dictionary provides the basis for a language learner to make an easy and fruitful transition to more advanced bilingual texts. If audio is an important component of your interest in languages, electronic devices that support quality text-to-speech (TTS) will likely be appealing. With a library card, TTS technology (in a device that supports the relevant content), and resources from 2Language Books (as digital content), an entire language learning system is available for not much more than a cup of coffee! There is no substantial financial outlay to get you started. Furthermore, there are no additional ongoing fees (and updates), and there are no expiry dates on 'premium' content and resources. This hardcover book is the perfect tool to help introduce young readers to a new language. » Colorful illustrations and eye-catching photography are designed to help new readers absorb information even if they're looking through the book on their own. » Each word entry is accompanied by a helpful pronunciation guide, ensuring that children remember their new vocabulary words correctly. » Written by an accomplished foreign language expert, My First English-Spanish Picture Dictionary is equally useful in a classroom or at home.

This book is about the central figure of our contemporary, "liquid modern" times - the man or woman with no bonds, and particularly with none of the fixed or durable bonds that would allow the effort of self-definition and self-assertion to come to a rest. Having no permanent bonds, the denizen of our liquid modern society must tie whatever bonds they can to engage with others, using their own wits, skill and dedication. But none of these bonds are guaranteed to last. Moreover, they must be tied loosely so that they can be untied again, quickly and as effortlessly as possible, when circumstances change - as they surely will in our liquid modern society, over and over again. The uncanny frailty of human bonds, the feeling of insecurity that frailty inspires, and the conflicting desires to tighten the bonds yet keep them loose, are the principal themes of this important new book by Zygmunt Bauman, one of the most original and influential social thinkers of our time. It will be of great interest to students and scholars in sociology and in the social sciences and humanities generally, and it will appeal to anyone interested in the changing nature of human relationships.

Key words and phrases connected with detailed illustrations translate thousands of terms in English and French.

Liquid Love

"An enlarged and improved version of "Arabisches Wörterbuch für die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wörterbuch für die Schriftsprache der Gegenwart" and a collection of new additional material (about 13,000 entries) by the same author."

Vibrant, realistic illustrations and unparalleled teaching support make the Oxford Picture Dictionary Program what every classroom needs to build students' vocabulary, reading, and critical thinking skills.

Rhyming teaches children how language works. It helps them notice and work with the sounds within words. When children are familiar with a nursery rhyme or rhyming book, they learn to anticipate the rhyming word. This prepares them to make predictions when they read, another important reading skill.Read rhyming books to your child. If possible, try to have reading time at least once a day. As

always, reading time should be a fun and enjoyable time for both of you, and it helps to build reading activity into part of a routine. Reading before bedtime is a good way to introduce the activity into your child's day.

100 First Words for Toddlers: English-French Bilingual

A French-English dictionary with French-Canadian terms and essential French vocabulary.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day. Organized by such common subjects as Home, Work, Dining Out, Transportation, Health, and Sports, these bilingual visual dictionaries give students, travelers, and business people quick access to foreign terms in the simplest and most intuitive way.

This outstanding package provides the Concise Oxford-Hachette French Dictionary in both book and electronic form. The Concise Oxford-Hachette French Dictionary The dictionary provides over 175,000 words and phrases, and 270,000 translations covering all areas of the language - from general to technical, business to literary - giving a detailed picture of French as it is used today. Innovative in-text boxes on topics such as numbers, nationalities, games and sports, and forms of address group together word patterns and expressions to help with usage, construction, and vocabulary-building. The most frequently-used words in both languages are extensively explained and exemplified while grammatical notes within entries warn users of problem areas. Supplementary material includes: a unique guide to email and the Internet; thematic wordfinder covering all the essential vocabulary for a variety of topics; and practical help with French correspondence. The Pop-up Oxford-Hachette French Dictionary Instant translations from Internet ExplorerRC: cutting-edge iFinger technology allows you to move your cursor over a word on your Web page and the translation is instantly displayed in a pop-up window. Easy searching in WindowsRG: highlight a word in your WindowsRG application - including email - and with one keystroke you can find the translation Useful Replace function: writing a letter in French and can't think of the right word? Type in the English word, double-click on it, and select the appropriate translation from the entry and use the iFinger Replace function to copy it straight back into your letter. No fuss and no waiting: the dictionary automatically installs on your hard-drive and runs in the background - ready for whenever you need it. It can be easily integrated with any of the iFinger Bilingual and English reference resources which are available on CD-ROM from Oxford University Press or from http://www.ifinger.com System requirements PC with 166MHz Pentium-class processor. WindowsRG 95, 98, 200, or NT 4.0. 32Mb RAM. 20Mb free hard disk space. SVGA monitor, displaying 16-bit colour (64K, High colour). CD-ROM or DVD-ROM drive. Internet ExplorerRC 4.0 or 5.0 (version 5.0 supplied on the enclosed CD-ROM). Internet access (this is required to validate and register your CD-ROM). Minimum 56K modem (required to connect to the iFinger web site to purchase other files and to download software upgrades).
