

## English Grammar In Use Third Edition

This book contains 200 varied exercises to provide students with extra practice of the grammar they have studied in English Grammar in Use Third Edition. The ideal companion to English Grammar in Use, this book includes 200 additional exercises for extra practice of all the grammar covered in the main book. These supplementary exercises, with answers, are ideal for self-study.

Raymond Murphy's English Grammar in Use is the first choice for intermediate (B1-B2) learners and covers all the grammar you will need at this level. This book without answers has clear explanations and practice exercises that have helped millions of people around the world improve their English. It is perfect for teachers to use in the classroom as a supplementary book, for extension work, or for homework activities.

This American English edition of English Grammar in Use can be used both as a classroom text and as a grammar reference for students. Each unit deals with a particular grammar point (or points), providing clear explanations and examples on the left-hand page, with exercises to check understanding on the facing right-hand page. The book covers many of the problems intermediate students of American English encounter, including tense usage, modals, conditionals, the

subjunctive and prepositions. A separate answer key is available for self-study, individual work in the language laboratory and as an easy reference for teachers.
