The way autoimmune disease is viewed and treated is undergoing a major change as an estimated 50 million Americans (and growing) suffer from these conditions. For many patients, the key to true wellness is in holistic treatment, although they might not know how to begin their journey to total recovery. The Autoimmune Wellness Handbook, from Mickey Trescott and Angie Alt of Autoimmune-Paleo.com, is a comprehensive guide to living healthfully with autoimmune disease. While conventional medicine is limited to medication or even surgical fixes, Trescott and Alt introduce a complementary solution that focuses on seven key steps to recovery: inform, collaborate, nourish, rest, breathe, move, and connect. Each step demystifies the process to reclaim total mind and body health. With five autoimmune conditions between them, Trescott and Alt have achieved astounding results using the premises laid out in the book. The Autoimmune Wellness Handbook goes well beyond nutrition and provides the missing link so that you can get back to living a vibrant, healthy life.

The bold, bright colors of India leap off the page in this picture book retelling of how Ganesha helped write the epic Hindu poem, the Mahabharata. Ganesha is just like any other kid, except that he has the head of an elephant and rides around on a magical mouse. And he loves sweets, but when Ganesha insists on biting into a super jumbo jawbreaker laddoo, his tusk breaks off! With the help of the wise poet Vyasa, and his friend Mr. Mouse, Ganesha learns that what seems broken can be quite useful after all. With vibrant, graphic illustrations, expressive characters, and offbeat humor, this is a wonderfully inventive rendition of a classic tale. Praise for Ganesha's Sweet Tooth "Pink elephants haven't looked this good since Dumbo." —The New York Times "Beautifully presented. . . . So sweet we almost want to pop it in our mouths." —Entertainment Weekly "Stylish. . . . A fresh and comedic introduction to a Hindu legend, with a winning combination of both eye candy and actual candy." —Publishers Weekly "Bright, elaborately detailed illustrations. . . . Grade-schoolers. . . . will enjoy the story's turnarounds and focus on luscious sweets, and many will be ready for the classic Hindu myth." —Booklist

'You are here for the rest of your life. Do you understand? You are not leaving Iran. You are here until you die.' Betty Mahmoody and her husband, Dr Sayyed Bozorg Mahmoody ('Moody'), came to Iran from the USA to meet Moody's family. With them was their four-year-old daughter, Mahtob. Appalled by the squalor of their living conditions, horrified by what she saw of a country where women are merely chattels and Westerners are despised, Betty soon became desperate to return to the States. But Moody, and his often vicious family, had other plans. Mother and daughter became prisoners of an alien culture, hostages of an increasingly tyrannical and violent man. Betty began to try to arrange an escape. Evading Moody's sinister spy network, she secretly met sympathisers opposed to Khomeini's savage regime. But every scheme that was suggested to her meant leaving Mahtob behind for ever... Eventually, Betty was given the name of a man who would plan their perilous route out of Iran, a journey that few women or children had ever made. Their nightmare attempt to return home began in a bewildering snowstorm...

*Gujarati Book for Babies & Toddlers*Ask any parent in the west about teaching the Gujarati language in a country where there is little or no exposure to Gujarati whatsoever? Based on the word-list of the Little Oxford Dictionary, and including its most helpful features, the Universal English-Gujarati Dictionary contains 34,000 English words and phrases covering a broad range of contemporary English, together with short, precise Gujarati definitions. It will be the standard English-Gujarati dictionary for use in Britain.

The books will be prepared under the able guidance of the well-known author and editor of several books. Format and scheme of all books will be the same as that of this book and each book will be prepared in close consultation with the topmost linguists of the language concerned. We hope, this series will bring together the people of various parts of our country promoting mutual understanding in fostering national unity. We hereby present the book 'Diamond Gujarati Learning And Speaking Course'.

A "vivid and extremely interesting" novel of an upper-class Chinese wife's quest for freedom, from the Nobel Prize-winning author of The Good Earth (The New Yorker). At forty, Madame Wu is beautiful and much respected as the wife of one of China's oldest upper-class houses. Her birthday wish is to find a young concubine for her husband and to move to separate quarters, starting a new chapter of her life. When her wish is granted, she finds herself at leisure, no longer consumed by running a sixty-person household. Now she's free to read books previously forbidden her, to learn English, and to discover her own mind. The family in the compound are shocked at the results, especially when she begins learning from a progressive, excommunicated Catholic priest. In its depiction of life in the compound, Pavilion of Women includes some of Buck's most enchanting writing about the seasons, daily rhythms, and customs of women in China. It is a delightful parable about the sexes, and of the profound and transformative effects of free thought. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility. There is a "critical period" or "window of opportunity" when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language. All images include the words in both English and the second language in clear, bold text. Suitable for toddlers on their own or in groups, these books are a child's perfect introduction to exploring new languages.

This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book.

Learning is fun with this book full of animal images in full color. Good Night India highlights the Himalayan Mountains, Golden Temple, Valley of Flowers National Park, Palace of Winds, Hawa, Mahal, Mehrangarh Fort, Goa, beaches, dolphins, lions in the Gir Forest, tigers in the Sundarbans, Darjeeling tea, blue train, elephants, and more. This charming board book invites young readers on an exciting and educational tour of one of the world's most interesting countries: India. This book is part of the bestselling Good Night Our World series, which includes hundreds of titles exploring iconic locations and exciting, child-friendly themes. Many of India's most beloved regions are artfully celebrated in these board books designed to soothe children before bedtime while instilling an early appreciation for India's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions as rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place.

Gattu befriends a squirrel and names her Chikootichoo. Guess who decides to move in with Gattu? Gattu, the central character in the book, is based on the popular character from the primetime serial on Star Plus called Baa Bahoo Aur Baby. The book is accompanied by an animated CD/VCD with the animated story, a print and paint colouring book and games. The CD/VCD uses Same Language Subtitling (SLS), a new and award-winning concept that helps a child relate phonetic sounds with visual sub-titles to accelerate the development of reading skills.

The adults in a child's life play a significant role in helping a child learn new words.
