questions in
contemporary
university
governance: (1) How
and why has
academic
governance in
Anglophone nations
changed in recent

How do power

capability
contributing to it,
encompassing the
entire spectrum from

witnessed frenzied progress, in the spheres of both the military and the civil/commercial.

With an ever increasing number of countries joining the space bandwagon, space is getting congested and competitive.

International legislation on space,

Indian presence in
the global space

in the global space
order to look beyond
its domestic charter
and address the
