*THE MILLION COPY BESTSELLER 'Warmly funny, dry and mischievous . . . Genuine and brilliant.' Daily Mail Paul O'Grady is one of Britain's very best loved entertainers. He is known and adored by millions, whether as the creator of the acid-tongued Blonde Bombsite, Lily Savage, the presenter of the fantastically successful, award-winning Paul O'Grady Show on Channel 4 or the massive hit ITV show, For the Love of Dogs. Now, in his own unique voice, Paul O'Grady tells story of his early life in Irish Catholic Birkenhead that started him on the long and winding road from mischievous altar boy to national treasure. It is a brilliantly evoked, hilarious and often moving tale of gossip in the back yard, bragging in the corner shop and slanging matches on the front doorstep, populated by larger-than-life characters with hearts of gold and tongues as sharp as razors. At My Mother's Knee features an unforgettable cast of rogues, rascals, lovers, fighters, saints and sinners - and one iconic bus conductress. It's a book which really does have something for everyone and which reminds us that, when all's said and done, there's a bit of savage in all of us... Readers love At My Mother's Knee: 'I laughed, I cried, I couldn't put it down and the characters really just jumped out of the page.' \*\*\*\*\* 'Candid, heart warming and also hilarious.' \*\*\*\*\* 'Wonderfully written, laugh out loud funny and poignant by turns.' \*\*\*\*\**

Dorothy and Leonard Elmhirst were the founders of Dartington - she the daughter of an American millionaire who was once Secretary to the US Navy; he the son of a Yorkshire parson and secretary to Rabindranath Tagore in Bengal before he married Dorothy. They were the twentieth century's most substantial private patrons of architecture in England as well as of the arts and education. Dartington School was one of the most famous experimental schools in the world. Bertrand Russell sent his children there, as did Aldous Huxley and the Freuds. Dartington College of Arts and its associated Summer

School of Music were equally famous in the world of the arts. Bernard Leach taught pottery, Mark Tobey painting, and Imogen Holst music. The Amadeus Quartet was formed there. Benjamin Britten and Peter Pears were frequent performers. In a setting of great beauty, school and college belonged to a general experiment in rural reconstruction. Dartington Glass was made in the Devonshire countryside and exported world-wide. So were Dartington Textiles, Dartington Furniture and Dartington Pottery. This book, originally published in 1982 (and reissued in 1996), describes how a unique combination of education, arts, industry and agriculture came to be put together. The result was one of the hardest Utopian communities of modern times. It eventually overcame the strong local opposition to such a daring undertaking. The author finds the origins of modern Dartington in the founders' hopes that mankind would be liberated through education; that a new flowering of the arts would transform a society impoverished by industrialisation and secularisation; and that a society seeking to draw together town and country would combine the best of both worlds. This book is an extraordinary memoir of two people and the place they made.

The Elmhursts of Dartington

A Personal and Political Biography

MAYBE IT ' S TIME YOU LEARNED THE TRUTH... The community of Christian faith worldwide knows her as the finest woman who ever lived. Born in obscurity to a distant descendant

of Israel ' s magnificent King David, Mary, the mother of Jesus of Nazareth, was honored by the Creator of the Universe to be the person through whom God himself would visit his own Creation. No matter what you may have thought you knew before about this first century paragon of virtue and faith, there ' s a good possibility that you ' ve been misinformed about her. In fact, chances are you ' ve been wrong from the start about the most remarkable woman who ever walked the dusty roads of first century Israel at the height of the Roman Empire ' s power. No, Mary isn ' t who you think she is. More than twenty centuries have come and gone since a teenaged virgin became the mother of God ' s incarnate Son. As a result, far too much myth has grown up around the person and story of the woman who became one of the foundational figures of human history. But what the New Testament records tell us about the life of Mary, the mother of Jesus is fascinating enough in its own right that accumulated legends seem to embellish the story. So today, more than twenty centuries later, Biblical scholar and theologian Dr. William Welty pulls back the dusty curtain of historically inaccurate tradition and introduces you to the very human, but utterly magnificent character of Mary, the mother of the Messiah, as she struggles to pass Ten Test Questions for the World ' s Finest Woman. In this analysis of every passage recorded in the New Testament in which she is mentioned, you ' ll learn why Mary, the mother of the Rabbi from Nazareth, rose from literal obscurity to become one of the most pivotal figures in all of human history.
