“We speak of a mother’s love, but we forget her power.” Civilization has come to the alien, sunless planet its inhabitants call Eden. Just a few generations ago, the

Acces PDF Epic Of Eden

culture. We must step back and allow the voices of the biblical writers to be heard in the tone in which they were originally spoken. #2 The second tendency I have come to call canonizing culture is the unspoken and

Acces PDF Epic Of Eden

usually unconscious presupposition that the norms of my culture are superior to those of someone else's. Every culture must ultimately respond to the gospel's critique. #3 The Bible reveals God through a

Acces PDF Epic Of Eden

specific human culture. God did not choose to reveal himself in any single culture, but in several incarnations of the same culture. We should not be about the business of canonizing the culture of

Acces PDF Epic Of Eden

ancient Israel, but we must understand it in order to understand the intent of the biblical authors. #4 The term redemption is culturally conditioned. It comes from the New Testament, but it originally

Acces PDF Epic Of Eden

came from the Old Testament. It was used to describe the laws and social customs of the ancient tribal society of which the Hebrews were a part.
