In Jesuit Philosophy on the Eve of Modernity Cristiano Casalini collects eighteen contributions by renowned specialists to track the existence and distinctiveness of Jesuit philosophy during the first century since the inception of the order.

Set against the background of civil unrest in the late 1860s after the overthrow of the monarchy - a period of turmoil, brief restoration, and the eventual triumph of the republicans in 1873 - the novel portrays the life of a young girl, Amparo, growing up in the streets of La Corufia, the city Dona Emilia knew so well from her own wanderings there some years earlier.

This collection is a general military and diplomatic history of the First World War, from June 1914 to May 1920. Military affairs are the foremost issue, with political and diplomatic events relevant to the war intertwined. The work includes short biographies of important military leaders.

Juntos: Italian for Speakers of English and Spanish, Third Edition, is the first comprehensive textbook for the teaching of Italian to students who already possess knowledge of Spanish, whether as L1 Spanish speakers, heritage speakers, or L2 Spanish learners. Suitable for students at the high school and college levels, Juntos is also the first textbook to cultivate interlinguistic awareness through intercomprehension, developing bridges that foster the recognition and use of student bilingual repertoire as a tool for learning Italian and acquiring other Romance languages. Features.Networked approach that motivates learners to draw on their multilingual language repertoire to acquire reading, writing, speaking, and listening skills in Italianinnovative activities that encourage multilingual, multicultural, and metalinguistic thinking and analysisReadings and translation activities that promote and develop translinguaging—the practice of drawing from one’s multilingual linguistic repertoire as a whole when thinking, speaking, and writingInstruction that reinforces learners’ knowledge of English and Spanish, while building understanding of the links and interactions between global Romance languages and culturesInclusive readings on topics of transnational interest that invite students to reflect on the interconnectedness of cultures around the worldCompanion website (available on the book title page on www.hackettpublishing.com) with audio files

supplemental web-based activities that reinforce students’ intercultural awareness and literacyFull-color interior, with illustrations and easy-to-read, color-coded language recognition system Cities and city regions are growing throughout the world and this trend is forecast to continue well into the 21st century. The authors of The Rise of the City see the next 100 years as being the Ólurban CenturyÓ. In this book they examine urban growth

"This volume provides a general overview of Sign-Based Construction Grammar (SBCG), the synthesis of Berkeley Construction Grammar and Head-Driven Phrase Structure Grammar that emerged from a decade of interactions between Ivan Sag, Charles Fillmore, Paul Kay and Laura Michaelis. The papers collected here also demonstrate the analytic value of SBCG for a variety of linguistic problems -- some old chestnuts, others untouched by 'mainstream' theories "--P. [4] of cover

"There are times when I feel like a stranger in this country. I am not complaining and it's not for lack of opportunity. But it is something of a disappointment. I never would have imagined that after having spent thirty five years in the United States I would still be a stranger to so many. But that's how it is". Jorge Ramos, an Emmy award-winning journalist, Univision's longtime anchorman and widely considered the "voice of the voiceless" within the Latino community, was forcefully removed from an Iowa press conference in 2015 by then-candidate Donald Trump after trying to ask about his plans on immigration. In this personal manifesto, Ramos sets out to examine what it means to be a Latino immigrant, or just an immigrant, in present-day America. Using current research and statistics, with a journalist's nose for a story, and interweaving his own personal experience, Ramos shows us the changing face of America while also trying to find an explanation

he, and millions of others, still feel like strangers in this country. "It is precisely this pattern of confrontation... that has won Ramos the trust of so many Hispanics. They know that in many countries south of the United States, direct questions can provoke not simply a loss of access but also a loss of life." --Marcela Valdes, The New York Times

Modern Italian Poets

Niebla es una de las novelas ms celebres de Miguel de Unamuno. Corresponde al perodo literario denominado el Existencialismo y constituye una de las obras cumbres de la Generacin del 98.La novela narra la situacin de Augusto Prez, un joven rico licenciado en Derecho. Hijo nico de Madre viuda, a la muerte de su madre no halla qu hacer con su vida hasta que un da, paseando sin rumbo, conoce a una guapa joven pianista, Eugenia Domingo del Arco de la que se enamora o cree enamorarse y cuya amistad trata de conseguir.

The present volume provides a cross-linguistic perspective on the development of tense-aspect in L2 acquisition. Data-based studies included in this volume deal with the analysis of a wide range of target languages: Chinese, English, Italian, French, Japanese, and Spanish. Theoretical frameworks used to evaluate the nature of the empirical evidence range from generative grammar to functional-typological linguistics. Several studies focus on the development of past tense markers but other issues such as the acquisition of a future marker are also addressed. An introductory chapter outlines some theoretical and methodological issues that serves as relevant preliminary reading for most of the chapters included in this volume. Additionally, a preliminary chapter offers a substantive review of first language acquisition of tense-aspect morphology. The analysis of the various languages included in this volume significantly advances our understanding of this phenomenon, and will serve as an important basis for future research.

With a population of 40 million and growing, the United States witnessed Latinos becoming the largest minority in America in 2003—creating a voting bloc with the potential to determine the outcome of elections throughout the nation. In The Latino Wave, award-winning journalist Jorge Ramos argues that the political party that can correctly understand the wants and needs of Hispanics will triumph at the polls. Ramos deftly clarifies these points, among many others, and explains why it’s necessary to bridge the gap of misunderstanding that exists between Latinos and non-Latinos. With insight from the nation’s Latino political luminaries and interviews with Hispanics living across the United States, Ramos reveals who these New Americans really are—and what it means for the country.

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages. to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French.

Why? Well, I will discuss several reasons why I decided to write this book and why you need it.1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide.

through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once.2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages.3)

Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at home wherever you go, whether as a tourist or businessman.4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer’s.5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do.In conclusion, I would like to sincerely thank you for perceiving the book and your interest in it. I hope it will help youimprove your languages and become multilingual.

Chronicles of the Immigrants Shaping Our Future

Aprende con ritmo

A Novel

Winner of the 2001 Carey McWilliams Award. This paperback edition of Mike Davis's investigation into the Latinization of America incorporates the extraordinary findings of the 2000 Census as well as new chapters on the militarization of the Border and violence against immigrants.

Immigrants in America are at the heart of what makes this country the most prosperous and visionary in the world. Writing from his own heartfelt perspective as an immigrant, Jorge Ramos, one of the world’s most popular and well-respected Spanish-language television news broadcasters, listens to and explores stories of dozens of immigrants who decided to change their lives and risk everything -- families, jobs, history, and their own culture -- in order to pursue a better, freer, and opportunity-filled future in the United States. In his famously clear voice, Jorge Ramos brings to life the tales of individuals from Mexico, Puerto Rico, Cuba, and the Dominican Republic, among other countries, and explains why they first immigrated, what their dreams are, how they deal with American racism, and what they believe their future in America will hold for them and their children. From the Vieques controversy to the “Spanglish” phenomenon to the explosion of Latino creativity in the arts, Ramos shows that there is a new face in America -- one whose colors and countries of origin are as diverse as the country it has adopted as home.

In 1948, the poet Eugenio Montale published his Quaderno di traduzioni and created an entirely new Italian literary genre, the “translation notebook.” The quaderni were the work of some of Italy’s foremost poets, and their translation anthologies proved fundamental for their aesthetic and cultural development. Modern Italian Poets shows how the new genre shaped the poetic practice of the poet-translators who worked within it, including Giorgio Caproni, Giovanni Giudici, Edoardo Sanguineti, Franco Buffoni, and Nobel Prize-winner Eugenio Montale, displaying how the poet-translators used the quaderni to hone their poetic techniques, experiment with new poetic metres, and develop new theories of poetics. In addition to detailed analyses of the work of these five authors, the book covers the development of the quaderno di traduzioni and its relationship to Western theories of translation, such as those of Walter Benjamin and Benedetto Croce. In an appendix, Modern Italian Poets also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet-translators.

This is the first comprehensive study of the remarkably rich tradition of women’s writing that flourished in Italy between the fifteenth and early seventeenth centuries. Virginia Cox documents this tradition and both explains its character and scope and offers a new hypothesis on the reasons for its emergence and decline. Cox combines fresh scholarship with a revisionist argument that overturns existing historical paradigms for the chronology of early modern Italian women’s writing and questions the historiographical commonplace that the tradition was brought to an end by the Counter Reformation. Using a comparative analysis of women’s activities as artists, musicians, composers, and actresses, Cox locates women’s writing in its broader contexts and considers how gender reflects and reinvents conventional narratives of literary change.

*A seagull, dying from the effects of an oil spill, entrusts her egg to Zorba the cat, who promises to care for it until her chick hatches, then teach the chick to fly. Reprint.*

*Apostles of Empire contributes to ongoing research on the Jesuits, New France, and Atlantic World encounters, as well as on early modern French society, print culture, Catholicism, and imperialism.*

*The 21st century Latin American developmental welfare state model is based on a new public-private alliance, where state-led developmental social policy relies for its implementation mainly on proactive, emerging regional entrepreneurs and a growing middle class. This volume illustrates where innovative development strategy may be in the making.*

*The Spanish Inquisition remains a fearful symbol of state terror. Its principal target was the conversos, descendants of Spanish Jews who had been forced to convert to Christianity some three generations earlier. Since thousands of them confessed to charges of practicing Judaism in secret, historians have long understood the Inquisition as an attempt to suppress the Jews of Spain. In this magisterial reexamination of the origins of the Inquisition, Netanyahu argues for a different view: that the conversos were in fact almost all genuine Christians who were persecuted for political ends. The Inquisition's attacks not only on the conversos' religious beliefs but also on their "impure blood" gave birth to an anti-Semitism based on race that would have terrible consequences for centuries to come. This book has become essential reading and an indispensable reference book for both the interested layman and the scholar of history and religion.*

*This edition presents The Mountain Girl from La Vera (1613) for the first time in English. The extraordinary protagonist, Gila, calls herself a man, takes pride in doing things men do, and falls in love with a queen. Her betrayal by an army captain who she has humiliated leads to tragedy. Gila has been described as feminist, lesbian, queer, and transgender. It is a vibrant, relevant play and a great piece of theatre.*

*A New York Times Editor's Choice Pick "A novel of huge heart and fierce intelligence. It has restored my faith in pretty much everything." —Ann Patchett, #1 New York Times bestselling author of Commonwealth "[An] electric debut novel...Reader, beware: Spending time with Lucy is unapologetic fun, and heartbreak, and awe as well." —Chloe Malle, The New York Times Book Review In this “frank, bittersweet coming-of-age story that crackles with raw adolescent energy, fresh-cut prose, and a kinetic sense of place” (Entertainment Weekly), a teenaged tomboy explores love, growing up, and New York City in the early 1990s. New York, 1993. Street-smart seventeen-year-old Lucy Adler is often the only girl on the public basketball courts. Lucy's inner life is a contradiction. She's by turns quixotic and cynical, insecure and self-possessed, and, despite herself, is in unrequited love with her best friend and pickup teammate, Percy, the rebellious son of a prominent New York family. As Lucy begins to question accepted notions of success, bristling against her own hunger for male approval, she is drawn into the world of a pair of provocative feminist artists living in what remains of New York's bohemia. Told with wit and pathos, The Falconer is at once a novel of ideas, a portrait of a time and place, and an ode to the obsessions of youth. In her critically acclaimed debut, Dana Czapnik captures the voice of an unforgettable modern literary heroine, a young woman in the first flush of freedom.*

*First Published in 1988. Routledge is an imprint of Taylor & Francis, an informa company.*

*Over the last two decades, interest in translation around the world has increased beyond any predictions. International bestseller lists now contain large numbers of translated works, and writers from Latin America, Africa, India and China have joined the lists of eminent, bestselling European writers and those from the global English-speaking world. Despite this, translators tend to be invisible, as are the processes they follow and the strategies they employ when translating. The Translator as Writer bridges the divide between those who study translation and those who produce translations, through essays written by well-known translators talking about their own work as distinctive creative literary practice. The book emphasises this creativity, arguing that translators are effectively writers, or rewriters who produce works that can be read and enjoyed by an entirely new audience. The aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating, away from more abstract speculation about what translation might involve.*

*Discusses renowned masters including Roberto Rossellini and Federico Fellini, as well as directors lesser known outside Italy like Dino Risi and Ettore Scola. The author examines overlooked Italian genre films such as horror movies, comedies, and Westerns, and he also devotes attention to neglected periods like the Fascist era. He illuminates the epic scope of Italian filmmaking, showing it to be a powerful cultural force in Italy and leaving no doubt about its enduring influence abroad. Encompassing the social, political, and technical aspects of the craft, the author recreates the world of Italian cinema.*

*This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.*

*Il libretto si propone come un fascicolo complementare ai libri usati dal docente di spagnolo per rilanciare o mantenere viva la motivazione allo studio degli allievi, fornendo al contempo attività ludico-didattiche nonché spunti pratici per il ripasso o l'approfondimento di contenuti grammaticali di diverso livello attraverso argomenti interessanti da trattare in classe e veicolati da una musica accattivante*

*While much has been written about the Catholic Church and the Holocaust, little has been published about the hostile role of priests, in particular Jesuits, toward Jews and Judaism. Jesuit Kaddish is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree Nostra aetate. James Bernauer undertakes a self-examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation. Jesuit Kaddish demonstrates the way Jesuit hostility operated, examining Jesuit moral theology's dualistic approach to sexuality and, in the case of Nazi Germany, the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture. Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of Nostra aetate. This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as "Righteous Among the Nations" by Israel's Yad Vashem Holocaust Center. Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism, Catholic-Jewish relations, Jesuit history, and the history of anti-Semitism in Europe.*

Essential Italian Vocabulary is the course for you if you need help with your study of Italian. This fully revised edition of our best-selling course now comes with free downloadable audio support containing hints on how to learn vocabulary effectively. Unlike a phrasebook or a dictionary, Essential Italian Vocabulary will take your existing knowledge and build on it systematically and organically, so that you will increase your vocabulary and at the same time expand your range of expression.

This volume comprises contributions originally presented at the 15th European Symposium on Languages for Special Purposes held at the University of Bergamo on 29 August - 2 September 2005. The volume is divided into four parts: Approaches to Terminological Theories; Terms in Discourse; Knowledge Elicitation, Ordering and Management; Term extraction and terminographical work. The research presented in this volume clearly indicates that terminology as an inter- and transdisciplinary field of knowledge is firmly developing its theoretical foundations and practical applications in accordance with and within the framework of its overall goal: to ensure and to augment the quality of communication with professional content.

- Do you want to become fluent in the language(s) you are interested in? - Are you sick of studying languages without the results you were hoping for? - Are you looking for efficient study routines and easy-to-apply language learning strategies? - Do you love languages and don't want to wait for years before starting to learn new ones? - Are you interested in learning more than one language at the same time? - Do you want to know the advantages of multilingual learning? - Do you want to be able to switch from one language to another with ease? - Do you want to stop mix languages up? - Are you looking for interesting language learning activities? - Do you want to find ways to improve your speaking and feel more confident? - Do you only have little time and want to know what to do to reach your goals?If you can relate to any of the above, this book is for you! In this book, you will find a detailed description of my multilingual method, a method that anyone can follow to learn multiple languages at the same time without mixing them up. It involves easy steps and fun activities, many efficient learning strategies for learning any language (as well as one at a time too), and examples of efficient study routine, tools and strategies to keep you motivated. Even though it may seem like a challenge, learning more than one language at the same time is not only possible but also speeds up your learning process, and even just five minutes a day, provided you use them efficiently (a methodology widely explained throughout this book), are enough to help you see amazing results and become more confident in your language(s). So don't wait any longer, get started now!
