

Essential World History 6th Edition

Sit, Stay, LEAD!The Presidogs of the United States of Pawmerica is a re-imagining of history, telling the story of the forty-four men who have led this nation as if they were furry, fun-loving dogs. How would a rambunctious pooch have handled the Embargo Act of 1807? Or the Cuban Missile Crisis? Or a Civil War?! This coffee table book answers these questions, as well as provides the reader with an endless supply of historical and pawlittically charged puppy puns. Consti-CHEW-tion, anyone?Since every president is matched to a different breed of dog, this full color volume provides the reader with a concise personality profile for each represented breed.It's a great gift idea for animal lovers, history buffs, gooballs, hipsters, and children of all ages. Learn about history! Learn about dogs! All while laughing your silly head off. The Presidogs of the United States of Pawmerica is a quirky, educational and thoroughly adogable read for the whole family! This revised, best-selling text explores common challenges and experiences uniting the human past and informing key global patterns over time. Thorough coverage of political, economic, social, religious, intellectual, cultural, and military history has been integrated into a chronologically ordered synthesis.

The Essential World History Since 1500 4e Worth Publishing Company

IN A PLACE OF PEACEDURING A TIME OF WARTHE UNFORGIVEN WILL NOT GO FORGOTTEN.Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butler of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance.Involving Marshall Geary might be his biggest mistake.Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes.In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their fallings and their buried pasts.

Cengage Advantage Books: World History

To provide adults taking a high-school level world history course with a text giving them high-interest, comprehensive coverage of key events and themes in world history.

"Death of a Dream" is a remarkable scholarship book in which Roig searched and described with lucidity, the historical events and collective behavior of the Cubans. The book twenty one chapters are explicitly historical, strongly analytical, concisely written and closely argued; the result is a brilliant narrative that spanned over five centuries of Cuba's history. This encyclopedic telling is a fast moving and fascinating and much needed, relatively unbiased account of Cuba's promise as a sovereign nation. Mary DeLorse Coleman, PhD Executive Director, Afro Cuban Research Institute, Jackson State University This panoramic study of Cuban history from Columbus to the Castro revolution is beautifully told. Pedro Roig un masks many of the myths of the Castro brothers' dictatorship while placing them in the much larger and more appealing context. This is a balanced, objective, and eminently readable account. Brian Late is Senior Research Associate, Institute for Cuban and Cuban American Studies, University of Miami and author of After Fidel: Raul Castro and the Future of Cuba's Revolution. Roig 's "Death of a Dream" is a brilliant history of Cuba written with grace and precision. A vigorous narrative with a deep insight into the mores, values and psychology of the Cuban nation. The essential political facts are all there. An exceptionally good book. Carlos Alberto Montaner Author, Journalist and Historian Roig takes us on a captivating journey through Cuba's history from the days of King Ferdinand and Isabella to the Castro regime. At a time when the end seems to be approaching for Cuba's oppressive government, this book explains much of the hardships of the Cuban people. Newport Gingrich Historian and Speaker of the U.S. House of Representatives. (1995-1999) "Death of a Dream" is an extraordinary book that provides much insight into the values, psychology and behavior of the Cuban people. For those interested in understanding what happened in Cuba, Pedro Roig's book is a must. Jaime Suchnicki Emilio Bacardi Morsau Professor of History, University of Miami

"Mental toughness is the natural or developed psychological edge that results from a collection of skills, attributes, values, emotions, and behaviors that allow people to overcome any obstacle, adversity, or pressure as well as deal with the general day-to-day demands (lifestyle, training, competition) placed upon them and still remain consistent, focused, confident, and motivated to achieve their goals."Fortitude is a guide for high performing athletes and business professionals on understanding mental toughness, how to build and sustain it over time. Kate Allgood built her business helping individuals like you learn what it takes to perform under pressure. In this book you'll discover: - What you need to know to build real and long lasting confidence- How to improve the ability to focus and refocus - The power of mindfulness- How to build motivation in yourself and others - And much, much, more! "Kate is a force in the sports business and with her new book she brings the best insight directly to your field of play." Jeremy M. Evans, Founder of and Managing Attorney at California Sports Lawyer(R) "If you want to step up your game, your business or just kill it in life, Fortitude is an easy to read guide to do it."- Majo Orellana - Pro Athlete, Coach and Entrepreneur

21 exciting tales of Alternate History! What if fate had turned out differently in these United States? What if the Louisiana Purchase never happened? What if George Washington had been a Loyalist? The Modern Library Essential World History 4-Book Bundle

Cursed to Survive

The Essential World History, Volume I: To 1800

Developed to meet the demand for a low-cost, high-quality history book, this economically priced version of WORLD HISTORY, 8th Edition, offers readers the complete narrative with only the most essential features, photos, and maps. All volumes feature a paperback, two-color format that appeals to those seeking a comprehensive, trade-sized history text. Noted teachers and scholars William J. Duiker and Jackson J. Spielvogel present a balanced, highly readable overview of world history that explores common challenges and experiences of the human past, and identifies key patterns over time. Thorough coverage of political, economic, social, religious, intellectual, cultural, and military history is integrated into a chronological framework to help students gain an appreciation and understanding of the distinctive character and development of individual cultures in society. This approach helps students link events together in a broad comparative and global framework, and consequently see the contemporary world in a more meaningful historical context. CENGAGE ADVANTAGE BOOKS: WORLD HISTORY includes over 100 maps and excerpts of over 100 primary sources that enliven the past while introducing students to the source material of historical scholarship. Available in the following split options: CENGAGE ADVANTAGE BOOKS: WORLD HISTORY, 8th Edition (Chapters 1?30); Volume I: To 1800 (Chapters 1?18); Volume II: Since 1500 (Chapters 14?30). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, Orientalism remains one of the most important books written about our divided world.

Revisit a world of conquest, exploration, and imperial adventure with this Modern Library eBook bundle that includes Edward Gibbon's The Decline and Fall of the Roman Empire, Francis Parkman's Montcalm and Wolfe, William H. Prescott's History of the Conquest of Mexico, and Theodore Roosevelt's The Naval War of 1812. THE DECLINE AND FALL OF THE ROMAN EMPIRE (ABRIDGED) Edward Gibbon's masterpiece, which narrates the history of the Roman Empire from the second to the fifteenth centuries, is widely considered the greatest work of history ever written. This abridgment retains the full scope of the original, while emphasizing elements ignored in all other abridgments—in particular the role of religion in the empire and the rise of Islam. MONTCALM AND WOLFE The result of more than forty years of passionate research, Montcalm and Wolfe is the epic story of Europe's struggle for dominance of the New World. Thought by many to be Francis Parkman's greatest work, it is a riveting read and an essential part of any military history collection. HISTORY OF THE CONQUEST OF MEXICO William H. Prescott's sweeping account of Cortés's subjugation of the Aztec people has endured as a landmark work of scholarship and dramatic storytelling. This pioneering study presents a compelling view of the clash of civilizations that reverberates in Latin America to this day. THE NAVAL WAR OF 1812 Published when its author, Theodore Roosevelt, was only twenty-three years old, The Naval War of 1812 was immediately hailed as a literary and scholarly triumph, and it is still considered the definitive book on the subject. Roosevelt's inimitable style and robust narrative make The Naval War of 1812 enthralling, illuminating, and utterly essential to every armchair historian.

THE Translation of this venerable Piece of Antiquity is undertaken upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

Explore world history in a brief, balanced, highly readable overview that examines common challenges and experiences that unite the human past and identify key global regional patterns over time with THE ESSENTIAL WORLD HISTORY. This brief overview of world history covers political, economic, social, religious, intellectual, cultural, and military history integrated into a chronologically ordered synthesis to help you gain an appreciation and understanding of the distinctive character and development of individual cultures in society. You can use the book 's global approach and its emphasis on analytical comparisons between cultures to link events together in a broad comparative and global framework that places the contemporary world in a more meaningful historical context. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"In these pictures, the Indian comes into contact with different tribes in the Southwest, they were so intrigued by the structure of the communities that they gave the natives the name Pueblo, a term they used to measure certain sizes for their own settlements. Thus, while most Americans have heard of the Pueblo and Navajo, many remain unfamiliar with distinctions within the tribes. The Spaniards' interest was understandable, because the Pueblo fascinated those who came across their settlements, especially those located in desert regions and the region of cliffs that involved the use of adobe mud, stone, carving homes out of cliffs. One such settlement, Oraibi, was created around 1100 A. D. and remains one of the oldest continuously inhabited settlements in North America, but the most famous of the cliff dwellings can be found at Mesa Verde, which was turned into a national park in the early 20th century, about 1500 years after the Ancient Pueblo established the settlement. Today's Puebloan tribes are descended from tribes known as the "Ancestral Puebloan People", one of which was the Anasazi, but anthropologists believe that the Anasazi were a common ancestor of every Pueblo group, so the Ancient Pueblo are often referred to simply as the Anasazi. The name Anasazi came from their enemies; it is a Navajo word that means "enemy ancestor". While that name understandably continues to offend the descendants of the Anasazi, it also underscores that there is still a lot of uncertainty regarding the history of the Anasazi. In fact, it is still unclear what the Anasazi called themselves, and though they resided near the "Four Corners" area of Utah, Arizona, Colorado and New Mexico for more than 700 years, they mysteriously abandoned their settlements shortly after they truly began to flourish around 1050-1150 A. D. Despite the mystery surrounding the Anasazi, it's widely agreed that they occupied Mesa Verde and its unique structures for a period of nearly 700 years, beginning as early as the 7th century. Thanks to its occupants taking advantage of the surrounding geologic formations, Mesa Verde is an amazing collection of cliff dwellings, as well as houses that utilize caves and rock overhangs, and structures consisting of adobe and sandstone. Unfortunately, the natural conditions that make Mesa Verde so special also likely played a role in its abandonment, with overpopulation and drought forcing inhabitants out near the end of the 13th century. Mesa Verde: The History of the Ancient Pueblo Settlement covers the establishment of Mesa Verde from its origins until its establishment as a national park. Along with pictures, footnotes, and a bibliography, you will learn about Mesa Verde like never before.

Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

There are many theories about what caused the Great Depression, and the truth is that there is no simple answer. Rather, a perfect storm of events came together and changed the lives of millions of people. One of the first signs of this dark period was the stock market crash in October 1929. In the aftermath, the country fell into the Great Depression, the longest and most significant economic depression since the Civil War. Through most of the 1920s, the United States economy was growing, and the stock market had reached new highs. People were making money in the stock market and having a grand time, so much so that few noticed the dark clouds forming on the horizon. By the end of the decade, industrial production had begun to decline, while unemployment was steadily rising. Stock market prices were plummeting from their peak in September 1929, and sales reached a crescendo in late October. On October 28, over sixteen million shares were traded in just one day. Billions of dollars were lost, with thousands of investors wiped out, and stock tickers were running hours behind because they were simply unequipped to manage this unprecedented amount of trading. The crash was not the only cause of the Great Depression, but it was certainly a symptom of a larger set of problems. Earlier in 1929, Herbert Hoover won the presidency under a wealth and prosperity platform. He made several unsuccessful attempts to prevent the economy from weakening during his administration. Despite his best efforts, banks continued to fail, and more Americans entered the ranks of unemployment. No one understood the extent of this economic downturn. But the election of 1932 brought Democrat Franklin D. Roosevelt into the White House by a landslide. Roosevelt wasted no time, proposing extensive legislation called the New Deal to create new jobs, revitalize the banks, and give hope to the American people. Some of the New Deal programs were successful, while other fell short; but by the end of the 1930s, things had finally begun to improve. However, it would take the massive spending required during World War II for the economy to return to where it was a decade before. Read about this tumultuous period in American history by purchasing the book The Great Depression - A Short History, 30-Minute Book Series Welcome to the eleventh book in the 30-Minute Book Series. Books in this series are fast-paced, accurate, and cover the story in as much detail as a short book possibly can. You can complete each work in less than an hour, which makes our books a perfect companion for your lunch hour or your commute home from work. About the Author Doug West is a retired engineer, small business owner, and an experienced non-fiction writer with several books to his credit. His writing interests are general, with special expertise in science, biographies, and "How To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University

Media literacy educator Nick Pernisco's new book, Practical Media Literacy: An essential guide to the critical thinking skills for our digital world, is the perfect introduction to media literacy for young adults, teachers, and parents. Pernisco has distilled his years of teaching experience into a practical guide for learning the most crucial skills needed to be a digital citizen in the 21st century. This is a must-read for anyone interested in learning how to interpret the enormous amounts of information we are exposed to everyday, both in traditional media and online. The book includes an introduction to media and media literacy, explaining what media is, how it affects us, and why we should pay close attention to it. The reader is then presented with a framework that can be used to analyze any type of media. Once the basics are thoroughly explained, the bookfocuses on individual types of media and specific methods for analyzing each type. Readers will learn to analyze and think critically about movies, television, music, social media, advertising, news, video games,and more. Each section contains relevant exercises to help readers better understand the impact each type of media has on their lives. These exercises can be completed alone, or may be used as lesson plans in a classroom setting. This 2nd edition builds on the strengths of the previous version. "A stronger focus on the learner. The book explains media literacy from its most basic elements to some sophisticated topics of interest for all ages. This makes the book a perfect textbook for any K-12 classroom." "Expanded information on more types of media. Movies, TV, advertising, photography, social media, music, news, and video games each get their own chapter, each illustrating details about how to analyze each type of media and numerous activities that may be used as lesson plans. This book is perfect as a textbook for a course on media literacy, an introductory course about media, any class that uses media (tv, movies, music, the web) to convey information, forat home use by parents, and for curious minds trying to better understand their world.

THE ESSENTIAL WORLD HISTORY, Enhanced Third Edition, shows you how to use the maps, images, and documents in the book to give you an edge in your study of history. A brief Introduction to the text -- "Studying from Primary Source Materials" -- reveals some of the tricks to uncovering the past that your instructor wants you to know. "Discovery" sections, at the end of every chapter, assist you in practicing these skills, which will help you connect the text's seven themes of world history and excel in your course. A readable overview of world history that explores common challenges and experiences uniting the human past and informing key global patterns over time. Thorough coverage of political, economic, social, religious, intellectual, cultural, and military history has been integrated into a chronologically ordered synthesis to help you gain an appreciation and understanding of the distinctive character and development of individual cultures. The text takes a global approach to world history, helping you link events together in a contemporary world in a more meaningful historical context.

"The Prince" is a political treatise by Machiavelli that is not considered to be representative of the work published during his lifetime, but is the most remembered. The theories in this book describe methods that an aspiring prince can use to acquire the throne, or an existing prince can use to maintain his reign. These theories include defense and military, perceived reputation, generosity, cruelty versus mercy, gaining honors, fortune and a number of other discourses.It is customary for such as seek a Prince's favour, of theirs which they themselves most value, or in which they perceive him chiefly to delight. Accordingly, we often see horses, armour, cloth of gold, precious stones, and the like costly gifts, offered to Princes as worthy of their greatness.

John Sutter, who left Switzerland to escape debtor's prison, came to California and built a giant land monopoly. Again, he became heavily in debt and died destitute. The entire Sacramento and San Joaquin valleys were inundated for 300 miles long and 20 miles wide by the flood of 1862. The cholera epidemic killed more than 1,000 citizens, including doctors and others who were caring for the patients. The Old City Cemetery is an exciting place. As docents are quick to remind, "People are dying to get in here." The docents are trying to bring the city's cemeteries back to life. We love the epitaph on one headstone that simply reads: "See ya later."

This is Volume II of WORLD HISTORY, Fourth Edition. Noted teachers and scholars William J. Duiker and Jackson J. Spielvogel present a balanced picture of world history, with all respect for the richness and diversity of the tapestry of the human experience. Critically and popularly acclaimed, their comprehensive text balances a global approach with attention to the unique character and development of civilization in divergent parts of the world. The text covers individual civilizations such as China, India, and Europe, with and provides points of comparison between and among these civilizations. A wealth of primary-source documents, maps, and supplements enhance students' experience with the material. WORLD HISTORY is available in the following volume splits: WORLD HISTORY, Fourth Edition (Chapters 1-29) ISBN: 0534603637; WORLD HISTORY, Volume I: To 1800, Fourth Edition (Contains Chapters 1-17) ISBN: 0534603645; WORLD HISTORY, Volume II: Since 1400, Fourth Edition (Contains Chapters 13-29) ISBN: 0534603653; WORLD HISTORY, Fourth Edition (Chapters 1-12) ISBN: 0534603661.

Callie Armstrong's personal life was already in turmoil. Now circumstances are forcing her to share her successful music production company with three business partners. One partner wants her husband. One partner wants her money. One partner wants her trust- even while keeping secrets. Is this how it is with all sisters? Callie has decisions to make and secrets to uncover and lies to unravel in the midst of the family chaos. The only thing she knows for sure is that when they're all together, it's just too many sisters. "

Duiker's comprehensive, balanced history of the world in the twentieth and twenty-first centuries provides you with context for interpreting the events that you hear about in the news each day. You'll view history from the broader global perspective, while at the same time gaining insight into the distinct character of individual civilizations and regions. To ensure that you'll have a well-rounded understanding of the most decisive moments in recent times, Duiker integrates political, economic, social, and cultural history into a smoothly written narrative. The Fit how to make important connections between geography and the turn of historic events. Additional tools include timelines that highlight and contrast different cultures and nations--giving you an "at-a-glance," holistic perspective on eras and their defining events; photos from William Duiker's own collection for a closer, more personal look at the world we live in; and primary-source documents that illustrate and clarify key points.

Cursed to Survive is a thrilling love story set in the actual historical events of Germany at the beginning and during the Third Reich. It takes a unique look inside the mind of a patriotic German nobleman with unusual gifts and immense opportunities for glory and domination. We witness the horrors of the Holocaust through his eyes, as he falls madly in love with a daughter of a Jewish doctor in the midst of the Nazi reign. Cursed to Survive is an easy-to-read and passionately engaging novel. It's the story filled with tragedy, real history and a sobering analysis of the New York's high society -- Rose Blackford Stern, who in addition to her family's immense wealth and a prominent name has a highly prestigious job with the most influential fashion magazine in New York City. But as readers soon learn, having it all doesn't mean that the search for something beyond the material ever stops. Rose encounters the stunningly handsome Max at the grave of her late grandmother. Max is enigmatic and the subject of Rose's obsession from the moment they meet. Rose has a seemingly perfect life, yet she is unable to shake the Aliza when she is a teenage girl in pre-World War II Germany. Max comes from one of the oldest and wealthiest noble families of Europe. The attraction between Maximillian and Aliza is instant and overpowering, albeit impossible -- a German aristocrat could never be with a Jewish commoner. As the Nazi movement gains momentum, their country is shattered and their deep mutual connection becomes deadly. Aliza loses her entire family and lives through terror and abuse before Max infiltrates the Third Reich and rescues her. Nearly seventy years later Max's love

This is the first full-length scholarly study of the Chinese 'core' leader and his role in the Chinese Communist Party's elite politics.

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like A Huff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

Offers a range of documents that illustrates civilizations from key stages in world history, with special attention to comparing major societies. Documents in World History is a thematically organized, authoritative collection of original sources that highlight political, social, cultural and economic issues in world history. The text also provides documents on the hot topics of gender and cultural history. Revised and updated with over a quarter of the documents new, the sixth edition retains its global emphasis. Standard selections and editorial coverage have been improved, and attention to Islam and Christianity as well as South Asia have been expanded. Note: MySearchLab does not come automatically packaged with this text. To purchase MySearchLab at no extra charge, please visit www.mysearchlab.com or use ISBN: 9780205007059.

Cast from their home country by religious intolerance, the Pilgrims' harrowing voyage to the New World was filled with hardships. But through it all they persisted, motivated by the promise of a better life in which they could gather and worship God in their own ways. A collection of ragtag ships carried them across the ocean, among them The Mayflower. Crammed into the ship's hull, 102 people made this most famous pilgrimage. Besieged by illness and Indians and, many of them believed, witches, the Pilgrims eventually flourished, building up colonies and establishing their own rules for the practice of religion. Here is their dramatic story.
