Etiquette Guide To Japan Know The Rules That Make The Difference Ebook Boye Lafayette De Mente

In The Ikiagi Journey, authors Hector Garcia and Francesc Miralles take their international bestseller ikiagi: the Japanese Secret to a Long and Happy Life a step further by showing you how to find your own ikiagi through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikiagi is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikiagi is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that—acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1—Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2—Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3—Journey Through the Present: Ise (an ancient capital that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians (many of whom claim their strong sense of ikiagi as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikiagi method helps you find peace and fulfillment in your busy life.

Etiquette Guide to Japan offers an inside look at the social norms of the Japanese—when to bow, how to propose a toast, when to pay the bill, the careful art of gift-giving, how to deal with public transportation, dating, weddings, funerals, and last, but not least, how to save yourself from possible embarrassment during your stay in Japan, you will find the Etiquette Guide to Japan to be a much-needed companion.

In The Japanese Mind, Roger Davies offers Westerners an invaluable key to the unique aspects of Japanese culture. Readers of this book will gain a clear understanding of what makes the Japanese, and their society, tick. Among the topics explored: aima (ambiguity), amae (dependence upon others' benevolence), amakudari (the nation's descent from heaven), chimuku (silence in communication), gambari (perseverance), giri (social obligation), haragei (literally, 'belly art'; implicit, unspoken communication), kenkyo (the appearance of modesty), sempai-kohai (seniority), wabi-sabi (simplicity and elegance), and zoto (gift giving), as well as discussions of child-rearing, personal space, and the roles of women in Japanese society. It includes discussion topics and questions after each chapter. All in all, this book is an easy-to-use introduction to the distinguishing characteristics of Japanese society, an invaluable resource for anyone—business people, travelers, or students—perfect for course adoption, but also for anyone interested in Japanese culture. Next in this series: Now available separately, Japanese Culture: The Religious and Philosophical Foundations is a fascinating journey through Japan's rich cultural history. Farewell to faux pas! Minding your manners is an acquired skill, but what serves you well elsewhere could trip you up in Japan. Save yourself possible embarrassment with Etiquette Guide to Japan. An inside look at Japanese social graces, it answers all the questions of the thoughtful traveler. Extensive, specific information on Japanese business etiquette assists readers traveling to Japan for business. Although often overshadowed by a modern facade, long-standing traditional aspects of Japan's culture still influence the country and almost everyone in it. Concrete evidence of this traditional culture can be seen everywhere—in the ancient arts and crafts that are still essential parts of everyday life, in the many shrines and temples that dot the nation, and in the recent comeback of traditional fashions such as kimono and yakata robes. To many Western visitors, however, the most obvious example of this traditional culture's strength is the unique etiquette of the Japanese. Like many nations, Japan has experienced vast political, social, and economic change over the past century. But enough of Japan's traditional etiquette remains to set the Japanese apart socially and psychologically and to make success in socializing and doing business with them a special challenge for Westerners. About this new version: This updated and expanded edition of the best-selling Japanese etiquette guide addresses not just the puzzling protocols relating to name cards, bowing or shaking hands, bathrooms and public baths—but also what to do when entertaining Japanese dinner guests, attending a Japanese tea ceremony, taking the subway, and much more! It also provides the latest etiquette in mobile phone manners, texting, social media and other forms of digital communication. The glossary at the back of the book has been revised to include the latest technology-related words and expressions used by Japanese today. Two new chapters address the changing role of foreigners in the workplace and the contemporary business style and etiquette used by the younger generation of Japanese who are now increasingly cosmopolitan—but still very Japanese!

Japanese Etiquette Today

To deal effectively with the Japanese, Westerners must not only be familiar with the kata, but must also know how and when to induce the Japanese to break the kata and behave in a non-Japanese way.

Overcrowding. Lengthy queues. Increasing animosity from locals. Loss of authenticity. Disappointment. As tourists, how can we improve tourism for locals, their communities, their culture and the environment - as well as for ourselves?By taking steps to "be invisible," of course!Unbeknownst to most tourists, there is a hidden power within them. This handbook examines the lesser-known problems with overtourism, how they came to be and details practical solutions to help you unlock this power to use as a force for good.Packed with everything you need to know to tailor your own invisibility cloak, you'll learn how to: Plan a stress-free trip every time & ways to reduce disappointment; Enjoy popular destinations without crowding; Feel fulfilled by personal, authentic encounters with locals whilst helping their business; Avoid pickpockets & scammers for a safe travel experience; Preserve local culture & identities instead of diluting them; Protect attractions of significant cultural heritage & the natural environment;Learn how to make the most of your next travel experience by "blending in!"

This book is a combination Japanese phrase book, Japanese travel guide and Japanese etiquette guide Packed with expressions and information for everyday occasions (looking for a place to stay, eating at a restaurant, making a telephone call), as well as less common ones (what to do if you become ill or something is lost or stolen). Japanese for Travelers allows you to break out of the role of passive spectator during your time in Japan and allow you to speak Japanese with locals. Helpful illustrations demystify Japan's sometimes intimidating rail system and provide handy information of ferry travel as well. The text offers travel tips ranging from where to go for a cheap, comfortable night's sleep (you'd be surprised) to whom not to stand behind when in line at customs. A bread apart from run-of-the-mill Japanese phrasebooks, Japanese for Travelers is a tool for the traveler who is out not only to survive, but succeed, while staying in Japan. Sections include: Basic Communication Money Mail Getting around Eating and restaurants Lodging Leisure Dealing with problems such as illness

A Guide to Business & Social Customs

Featuring full-color photographs and illustrations throughout, this text is a comprehensive guide to Japanese culture. The richness of Japan's history is renowned worldwide. The heritage of culture that its society has produced and passed on to future generations is one of Japan's greatest accomplishments. In Introduction to Japanese Culture, you'll read an overview, through sixty-eight original and informative essays, of Japan's most notable cultural achievements, including Religion, Zen Buddhism, arranged marriages and Bushido Drama and Art—from pottery, painting and calligraphy to haiku, kabuki and karate Cuisine—everything from rice to raw fish Home and Recreation, from board games such as Go to origami, kimonos and Japanese gardens The Japan of today is a fully modern, Westernized society in nearly every regard. Even so, the elements of an earlier age are clearly visible in the country's arts, festivals, and customs. This book focuses on the essential constants that remain in present-day Japan and their counterparts in Western culture. Edited by Daniel Sosnoski, an American writer who has lived in Japan since 1985, these well-researched articles, color photographs, and line illustrations provide a compact guide to aspects of Japan that often puzzle the outside observer. Introduction to Japanese Culture is wonderfully informative, a needed primer on the cultural make-up and behaviors of the Japanese. This book is certain to fascinate the student, tourist, or anyone who seeks to know and understand Japanese culture, Japanese etiquette, and the history of Japan.

Be a celebration of all things Japanese—from the country's fascinating ancient traditions to its unique and influential modern culture. Blending both travel information and cultural insights into a single book, Be More Japan helps you understand and experience the best of Japan, both at home and abroad. Beginning with an overview of the four seasons - a key theme in Japanese culture - you'll learn about the festivals, food, fashion and flowers that change throughout the year and make this country so full of fun and variety. Then dive into the captivating culture of Japan, with topics such as art, music, food, wellness and spirituality! all split into separate sections to help you pinpoint the areas that interest you. Learn about the traditional skills of the tea ceremony and calligraphy, and where you can go to see and practice them yourself. Find out more about the country's most popular sports and where to catch a game of baseball or see a martial arts exposition. For pop culture fans, there are dedicated sections on J-Pop, anime and video games, with plenty of information on the best places to enjoy them in Japan. And if you want to get a feel for modern Japanese lifestyle, you'll find enough details on topics such as transportation, karaoke, ikiagi, shopping and hot springs to help you make the most of even a short trip to Japan. You can pick and choose what interests you to plan your perfect trip, or explore a bit of everything to get a sense of the essentials of Japanese life and culture. And for those who can't make the trip to Japan, or who want to carry on the experience when they return, there are tips and suggestions for how to bring Japanese culture to you, and places where you can see its influence around the world.

This guide to common courtesy, acceptable behavior, and manners is essential for any visitor to Japan. Japanese are unfailingly polite and will never tell you if you've crossed the line. But by knowing how to act in every situation you'll gain the respect of your hosts and in the end get even better service and enjoyment during your travels. Covered here are all the essentials—like travel, greetings, dining—plus subtle niceties like tone of voice, body language, cell phone usage, city vs. country styles, and attire (and what to do about your tattoos!). The author, a 25-year resident of Japan and tourist adviser who lives on the fabled Inland Sea, knows just what foreign visitors need and delivers it in a smart, compact, and delightfully illustrated package for quick use and reference.

Language was used for centuries as a barrier to prevent the non-Japanese from learning about how Japanese society works. This book provides a practical insight into anticipating Japanese behaviour and avoiding cultural faux-pas.

Written by local expert Sumiko Kajiyama, Cool Japan explores the heart of Japanese culture and must-see places from a uniquely Japanese perspective. First, visit Kyoto, where you will discover 1,000 years of history, from the ancient love story the Tale of Genji to the traditional tea ceremony. Then head to Tokyo to experience Japan's cutting-edge capital, where the 21st-century kawaii culture collides with landmarks like the Kabuki-za Theater and the Imperial Palace. For a different perspective, venture outside the city to the serene towns of Tohoku, the region largely affected by the 2011 tsunami disaster. Informative, entertaining, and useful, this book is an ideal introduction for any traveler looking for a deeper understanding of Japanese culture, past and present.

A Guide To Japanese Business Practices And Procedure-- Fully Revised Edition

Japanese Business Culture and Practices presents detailed insights and descriptions on the proper ways to conduct business with contemporary Japanese. It focuses on the traditional and nontraditional business-related practices, including the internal mechanisms of promotion and decision-making in Japanese corporations. From advice on how to avoid cultural misunderstandings and how to develop trust with Japanese colleagues, readers will gain insights on how to communicate, negotiate, entertain, and socialize with Japanese as well as the minutiae of correct behavior. Using linguistic examples to facilitate how Japanese themselves view their work environment, authors Isao Takei and Jon P. Alston describe the social etiquette and protocols Japanese expect all foreigners to adopt in order to successfully conduct business. With a glossary of terms and practical real-life experiences, this is an essential guide for anyone who wants to forge deeper business relationships with Japanese.

A handy Japanese phrasebook and guide to the Japanese language, Survival Japanese contains basic vocabulary necessary for travelling in Japan. This book contains all the necessary words and phrases for speaking Japanese in any kind of setting. Perfect for students, tourists, or business people learning Japanese or deeper to Japan, it also contains a beginner guide to the Japanese language, allowing for a deeper understanding of Japanese than a typical Japanese phrasebook or Japanese dictionary. The phrase book is broken into two basic sections: Common Japanese Expressions and Key Words, and Japanese Romanization Guides for Key Japanese Times and Signs. All Japanese words and phrases are written in Romanized form as well phonetically, making pronouncing Japanese a breeze. For example, the word for "hotel," *hoteru* is also written as *ho-tei-yu-ru-ue*. Authentic Japanese script (Kana) and Kanji) is also included so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. Key features of Survival Japanese include: Hundreds of useful Japanese words and expressions. A short Japanese dictionary in the back Up-to-date expressions for the internet, mobile, and social media

Sushi restaurants have become more popular than ever, with new locations popping up every day in big cities and small towns all across the country. Though Westerners are quickly learning to appreciate the unique flavors and textures of sushi, few truly understand the intricacies of the preparations, terminology, and culture they find at sushi restaurants. Fortunately, The Connoisseur's Guide to Sushi is here to help. With detailed explanations of everything from maki to sake, Dave Lowry demystifies the language, lore, and - of course - the food that diners may encounter. He offers an alphabetical exploration of both the mainstays of the sushi restaurant (including the types of fish and sushi available) and the more adventurous offerings and toppings. There are also sections on sushi accompaniments, such as pickled vegetables, wasabi, beverages, etc.; on sushi etiquette; and on what to look for in a good sushi restaurant. Advice and anecdotes abound, ensuring that those who read this book will feel confident (and maybe even a little smug) the next time they go out for sushi.

Tokyo is ground zero for Japan's famous "geek" or otaku culture—a phenomenon that has now swept across the globe. This is the most comprehensive Japan travel guide ever produced which features Tokyo's geeky underworld. It provides a comprehensive run-down of each major Tokyo district where geeks congregate, shop, play and hang out—from hi-tech Akihabara and trendy Harajuku to newer and lesser-known haunts like chic Shimo-Kita and working-class Ikebukuro. Dozens of iconic shops, restaurants, cafes and clubs in each area are described in loving detail with precise directions to get to each location. Maps, URLs, opening hours and over 400 fascinating color photographs bring you around Tokyo on an unforgettable trip to the centers of Japanese manga, anime and geek culture. Interviews with local otaku experts and people on the street let you see the world from their perspective and provide insights into Tokyo and Japanese culture, which will only continue to spread around the globe. Japanese pop culture, in its myriad forms, is more widespread today than ever before—with J-Pop artists playing through speakers everywhere, Japanese manga filling every bookstore; anime cartoons on TV; and toys and video games, like Pokemon Go, played by tens of millions of people. Swarms of visitors come to Tokyo each year on a personal quest to soak in all the otaku-related sights and enjoy Japanese manga, anime, gaming and idol culture at its very source. This is the go-to resource for those planning a trip, or simply dreaming of visiting one day! While Japan has been on center stage of the world economy for decades, interactions between the Japanese and Westerners continue to be on the rise. Daily communication in both business and social settings is commonplace, and connections through the Internet and mobile media make what felt distant only a few years ago seem familiar. Our cultures and social norms remain vastly different, however, and professionals working in Japan are likely to confront new challenges every day. For example, what are the three biggest challenges for Westerners who go to work in Japan? How can you tell when "yes" might mean "no"? When you are the guest in a taxi, who should sit where? In the fully updated second edition of With Respect to the Japanese, readers discover not only answers to basic etiquette questions, but also how to communicate successfully with the Japanese and, in the process, earn mutual respect. John C. Condon and Tomoko Masumoto use real-life examples (from kindergarten classrooms to the boardroom) to explain the contrast between these two distinct cultures. In this essential guide to Japanese culture, you will learn how vital societal characteristics affect communication, decision making, management styles and many other aspects of work and everyday relationships.

A concise guide for business people or tourists, Japanese Etiquette Today contains vital information for navigating tricky Japanese social interactions. Japan today "looks" more and more Western, principles governing social and business relations become harder to see. Most foreigners know that Japanese etiquette differs from that of other countries, but few people know the extent of the differences. It is this diversity that first attracted the authors of Japanese Etiquette Today, a book written to make working and living in Japan enjoyable and rewarding experiences. The authors look at a variety of formal and informal occasions governed by subtle rules—visiting a Japanese office and home, giving and returning gifts, attending weddings and funerals, and much more. The result is an informal overview of Japanese society and a manual of practical advice on getting a long in that society. Complete with essential vocabulary and phrases, this handy guidebook explains what to do and perhaps more important what not to do, what to say, what to wear, indeed, whatever you need to observe the complex rules of modern Japanese etiquette.

Learn the elements of the timeless beauty that is Japanese design in this concise reference volume. Japanese design is known throughout the world for its beauty, its simplicity, and its blending of traditional and contemporary effects. This succinct guide describes the influence and importance of 65 key elements that make up Japanese design, detailing their origins—and their impact on fields ranging from architecture and interior design to consumer products and high fashion. Led by monks a thousand years ago. And how unexpected influences—like tatami (straw mats) or seijaku (silence)—have contributed to contemporary Japanese design. Elements of Japanese Design offers new insights into the historical and cultural developments at the root of this now international aesthetic movement. From wa (harmony) to kaizen (continuous improvement), from mushin (the empty mind) to mujo (incompleteness), you'll discover how these elements have come to define and act. Chapters include: Washi, Paper with Character Ikebana, Growing Flowers in a Vase Bukkyo, The Impact of Buddhism Shibuï, Eliminating the Unessential Kawaii, The Incredibly "Cute" Syndrome Katana, Swords with Spirit Beginning students in Japanese martial arts, such as karate, judo, aikido, iaido, kyudo, and kendo, learn that when they are in the dojo (the practice space), they must don their practice garb with ritual precision, address their teacher and senior students in a specific way, and follow certain unwritten but deeply held codes of behavior. But very soon they begin to wonder about the meaning behind the traditions, gear, and relationships in the dojo. In this collection of lively, detailed illustrations, the history and meaning behind the rituals, training costumes, objects, and relationships that have such profound significance in Japanese martial arts, including • the dojo space itself • the teacher-student relationship • the act of bowing • what to expect—and what will be expected of you—when you visit a dojo • the training weapons • the hakama (ceremonial skirt) and dogi (practice uniform) • the Shinto shrine Authoritative, insightful, and packed with fascinating stories will pore over and advanced students will treasure.

A concise guide for business people or tourists, Japanese Etiquette Today contains vital information for navigating tricky Japanese social interactions. Don't just see the sights—get to know the people. The Japanese people have always seen themselves as a nation uniquely apart. Their exquisite art forms and elegant culture, military prowess and technological precision, have long been the envy of friend and foe alike. Today, even as Japan adapts to a rapidly changing world, its traditional culture and consensus-based philosophy have proved remarkably resilient. Culture Smart! Japan will guide you through modern Japan's shifting social and cultural maze, and equip you with the tools to avoid the pitfalls of cultural misunderstanding. It provides practical tips and invaluable insights into people s attitudes and behavior to help make your visit a more meaningful and successful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.

A guide for business people traveling to Japan or taking a job with a Japanese company explains the rules of doing business in Japan, proper Japanese etiquette, and how to adapt Western business attitudes to Eastern methods of doing business

The Japanese people have an extensive range of customs, rituals, and forms of etiquette for all aspects of their lives. These forms of etiquette are not only interesting for non-Japanese but also open our eyes to the fact that despite the huge strides Japan has made in terms of modern-day advancement in technologies, the age-old customs and traditions are still a deeply-embedded part of their society. They revere and respect their customs, traditions, and other forms of etiquette and expect people visiting from other countries to do so too. Similarly, the Japanese people are equally respectful of other people's traditions, customs, and etiquette and work hard to understand them so that they don't make a mistake when they visit other countries. Taking a page out of their etiquette book, it makes a lot of sense to learn about the Japanese forms of etiquette so that we can be prepared to do the right thing at the right time in the right place when we travel to Japan. Moreover, knowing about the culture of another country is a fabulous way of opening our minds and celebrating world differences. With the etiquette tips in this book, you will be able to handle the expectations of the courteous and polite people of Japan in terms of good behaviour and manners. Most of the people are happy to welcome guests and tourists with open arms and will be even more obliged to do their best to make your stay in their country happy and worthwhile if you show an effort to replicate their etiquette norms and requirements. What are you waiting for? Get this book and start learning today!

This is the first book to explain in detail why the Japanese think and behave as they do. In Japan: A Guide to Traditions, Customs and Etiquette veteran Japanologist Boye Lafayette De Mente unlocks the mysteries of Kata — the cultural forms that shape and define Japanese etiquette, character and world view. These forms are responsible for creating the unique traits and talents which distinguish the Japanese people. Kata governs virtually all interactions in Japan and remains the key to understanding Japanese customs, business etiquette and daily communication. In seventy short, clear essays ranging from "The Art of Bowing" and "Importance of the Apology" to "The Compulsion for Quality" and "Exchanging Name Cards," De Mente unravels the complexities of Japanese culture by exploring the origin, nature, use and influence of Kata in Japanese life. By virtually delving into Japanese history and the collective Japanese psyche, readers will experience the modern expressions of this ancient culture and specific way of thinking.

Introduction to Japanese Culture

The Ikiagi Journey

Japanese Culture: The Religious and Philosophical Foundations takes readers on a thoroughly researched and extremely readable journey through Japan's cultural history. This much-anticipated sequel to Roger Davies's best-selling The Japanese Mind provides a comprehensive overview of the religion and philosophy of Japan. This cultural history of Japan explains the diverse cultural traditions that underlie modern Japan and offers readers deep insights into Japanese manners and etiquette. Davies begins with an investigation of the origins of the Japanese, followed by an analysis of the most important approaches used by scholars to describe the essential elements of Japanese culture. From there, each chapter focuses on one of the formative elements: Shintoism, Buddhism, Taoism, Zen, Confucianism, and Western influences in the modern era. Each chapter is concluded with extensive endnotes along with thought-provoking discussion activities, making this volume ideal for individual readers and for classroom instruction. Anyone interested in pursuing a deeper understanding of this complex and fascinating nation will find Davies's work an invaluable resource.

This book covers the main practical elements of doing business with the Japanese. It gives the reader sufficient background to understand and associate with the Japan of the 1980s as well as support him with the know-how for searching out and grasping the rich opportunities that lie ahead.

Etiquette Guide to JapanKnow the rules that make the difference!Tuttle Publishing

"This portrait of Japanese country life reminds us that at its core, a happy and healthy life is based on the bonds of food, family, tradition, community, and the richness of nature"—John Einarson, Founding Editor and Art Director of Kyoto Journal What would it be like to move to Japan, leaving everyone you know behind, to become part of a traditional Japanese household? At Home in Japan tells an extraordinary true story of a foreign woman who goes through an amazing transformation, as she makes a move from a suburban lifestyle in America to a new life in rural Japan. She dedicates 30 years of her life as a housewife, hostess, and chef to a year-old family in a rural Japan. This extraordinary travel book traces a circular path from west to east, beginning to day details of life in the house and village, through relationships with family, neighbors and the natural and supernatural entities with which the family shares the house. Rebecca Otowa then focuses on her inner life, touching on some of the pivotal memories of her time in Japan, the lessons in perception that Japan has taught her and the ways in which she has been changed by living in Japan. An insightful and compelling read, At Home in Japan is a beautifully written and illustrated reminiscence of a once simple life made extraordinary.

"Manners and Mischief is a cohesive, stimulating volume. Reading these essays and the editors' enlightening introduction was a joy; I learned a great deal, smiled and laughed with uncommon regularity, and marveled at the quality of this remarkable collection." -William M. Tsutsui, author of *Godzilla on My Mind* "This book is full of fascinating insights. Well-written and often witty, it captures a detailed snapshot of Japanese society in the early 21st

century. I would say this is the most insightful book on modern Japan I have read in years." -Liza Dalby, anthropologist and novelist
