Treat yourself to an epic #1 New York Times bestselling love story that spans decades and continents as two people at a crossroads -- one from North Carolina and one from Zimbabwe -- experience the transcendence and heartbreak of true love. Hope Anderson has some important choices to make. At thirty-six, she's been dating her boyfriend, an orthopedic surgeon, for six years. With no wedding plans in sight, and her father recently diagnosed with ALS, she decides to use a week at her family's cottage in Sunset Beach, North Carolina, to ready the house for sale and mull over some difficult decisions about her future. Tru Walls has never visited North Carolina but is summoned to Sunset Beach by a letter from a man claiming to be his father. A safari guide, born and raised in Zimbabwe, Tru hopes to unravel some of the mysteries surrounding his mother's early life and recapture memories lost with her death. When the two strangers cross paths, their connection is as electric as it is unfathomable . . . but in the immersive days that follow, their feelings for each other will give way to choices that pit family duty against personal happiness in devastating ways. Illuminating heartbreaking regrets and enduring hope, Every Breath explores the many facets of love that lay claim to our deepest loyalties while asking a life-changing question: How long can a dream survive?

Every breath counts?especially when you think you're taking your last?A vicious attack in her uncle's stable that nearly took Marnie McAllister's life, also brought the stunning Marcus Deveraux into it. Marnie is determined she doesn't need a watch dog, but she sure got one with the infuriating and irrepressible Marcus. He can follow her around all he wants, but she's not going to be taken in by his gorgeous blue eyes and gentle charm that probably have women falling at his feet. But as Marcus becomes a trusted ally in protecting her, Marnie realizes if she has any hope for true happiness, she is going to have to overcome the demons that have followed her from childhood. Marcus is more entranced than he could ever have imagined when he arrives at Sinclair Lake Farm and is reacquainted with Marnie. He understands the recent attack on her life has traumatized her and made her hesitant toward any kind of romantic relationship. But no matter the cost to him, Marcus will do anything to keep her safe and is determined to prove that he is worth taking a chance on. Meeting Marnie again has changed the course of his life, and he is praying that Marnie will come to the same conclusion.

Unforgettable characters, sizzling romance, and riveting suspense: These are the trademarks of beloved author Judith McNaught. With millions of devoted fans and ten New York Times bestsellers to date, McNaught is a writer whose work just gets better with each new novel—and Every Breath You Take is the book readers have been waiting for. Returning to the lavish Chicago setting of her popular novel Paradise, and revisiting some of that book's characters as well, this story will captivate in inimitable Judith McNaught style. High atop a snow-covered hill, the stately old Wyatt mansion is perched like a crown, its stone spires pointing upward, its stained glass windows glowing like colorful jewels. Such opulence means success and, surely, happiness. But on the eve of wealthy philanthropist Cecil Wyatt's eightieth birthday, all the money in the world won't bring back his missing grandson, William Wyatt. The only thing for certain: Foul play was involved. The family, the police, the media—all have tried in vain to discover the young man's fate. Now suspicion has turned shockingly toward William's own half-brother, the rather distant and enigmatic Mitchell Wyatt. Kate Donovan never dreamed that a chance romantic encounter on a tropical island paradise would tag her as a suspect in a high-society murder case. But after Kate tangles with the darkly charismatic Mitchell Wyatt, she finds herself cast in a shadow of guilt and mistrust. As the Chicago police tighten their net, it will take all of Kate's ingenuity to clear her name. With her calm, cool wit, and the help of a man who may or may not be a dangerous catch, Kate vows to claim the life and love she desires. From the Hardcover edition.

Meridia Falls Chronicles Special Edition

When Breath Becomes Air

The New Science of a Lost Art

Breathe

A single night of passion with enigmatic billionaire Mitchell Wyatt draws Kate Donovan into a perilous criminal case when police suspect that Mitchell may have been responsible of the disappearance and possible murder of his own brother.

This fast-paced and immersive thriller shows just how hard one girl will fight back against corruption and violence, knowing any breath might be her last. Publisher's Weekly said, "Gabriel's

debut demonstrates how technology can be used to incite violence, and fans of Barry Lyga and Morgan Baden's The Hive will find a similarly themed, and similarly frightening, story here.” Also winner of the 2020 ILA Award for Best YA Fiction. The Swarm is unrecognizable, untraceable, and unpredictable—a mob that leaves death in its wake. Public places are no longer safe. Every day is a threat. Though it’s been two years since the last attack, Lia Finch has found clues that the Swarm is ready to claim a new victim. The last victim was Lia’s father, attorney Steven Finch. Devastated and desperate for answers, Lia will do anything to uncover the reasons behind his death and to stop someone else from being struck down. However, the odds are stacked against her: Lia’s PTSD from her father’s attack has left her with a shaky grip on reality, and her debilitating asthma is a time bomb that could kill her at any moment. After a close encounter with the Swarm puts Lia on their radar, she teams up with a teen hacker, a reporter, and a mysterious stranger who knows firsthand how the Swarm works. Together, they work to uncover the master puppeteer behind the group. If Lia and her network don’t stop the person pulling the strings—and fast—Lia will be the next victim. Inspired by the real flash mobs in Chicago, readers ages 13 and up won’t be able to put Every Stolen Breath down. This YA thriller is great for readers who enjoy mystery and suspense.

A leading authority in the field takes readers on a fascinating and surprising journey through the atmosphere—from our lungs to outer space—that will leave readers breathless. With seven million early deaths each year linked to air pollution, air quality is headline news around the world. But even though we breathe in and out every few seconds, few of us really know what’s in the air all around us. In Every Breath You Take, air quality specialist—and full-time breather—Dr. Mark Broom connects the dots from the atmosphere on distant planets to the holes in the ozone layer to the particles in our lungs. How do we measure air pollution and what on earth is an odor panel? Why are property prices higher upwind of cities? And will our grandchildren inherit an atmosphere worth breathing? With keen insights on the atmospheric effects of climate change, industrial air pollution, and urbanization in the twenty-first century, Every Breath You Take combines the latest scientific research with Mark’s personal stories to answer these questions and many more in a readable and surprising journey through the atmosphere.

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE’S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper’s Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade’s worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When Breath Becomes Air chronicles Kalanithi’s transformation from a naïve medical student “possessed,” as he wrote, “by the question of what, given that all organisms die, makes a virtuous and meaningful life” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can’t go on. I’ll go on.’” When Breath Becomes Air is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

A Memoir of Love, Loss and Hope

Every Breath You Take (Every Breath You Take #1)

Affinity Rising

LONGLISTED FOR THE 2020 MAN BOOKER INTERNATIONAL PRIZE A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "Her most unsettling work yet — and her most realistic." --New York Times Named a Best Book of the Year by The New York Times, O, The Oprah Magazine, NPR, Vulture, Bustle, Refinery29, and Thrillist A visionary novel about our interconnected present, about the collision of horror and humanity, from a master of the spine-tingling tale. They've infiltrated homes in Hong Kong, shops in Vancouver, the streets of in Sierra Leone, town squares in Oaxaca, schools in Tel Aviv, bedrooms in Indiana. They're everywhere. They're here. They're us. They're not pets, or ghosts, or robots. They're real people, but how can a person living in Berlin walk freely through the living room of someone in Sydney? How can someone in Bangkok have breakfast with your children in Buenos Aires, without your knowing? Especially when these people are completely anonymous, unknown, unfindable. The characters in Samanta Schweblin's brilliant new novel, Little Eyes, reveal the beauty of connection between far-flung souls—but yet they also expose the ugly side of our increasingly linked world. Trusting strangers can lead to unexpected love, playful encounters, and marvelous adventure, but what happens when it can also pave the way for unimaginable terror? This is a story that is already happening; it's familiar and unsettling because it's our present and we're living it, we just don't know it yet. In this prophecy of a story, Schweblin creates a dark and complex world that's somehow so sensible, so recognizable, that once it's entered, no one can ever leave. BREATHE DEEP . . . AND JUMP IN At the ends of the earth, Patagonia is a land where ambition trumps reason and the savage summit of La Aguja lures the most determined climbers. It's also the last spot a "play-it-safe girl" like Auden Woods expects to find herself. But she'll lace up her brand-new hiking boots and do whatever it takes to secure a dream job at an adventure magazine . . . even if it kills her. And it just might. When disaster strikes, her only chance at survival comes in the form of the surliest, sexiest mountaineer ever to come out of Scotland. After a climbing accident cost him his brother, professional mountaineer Rhys MacAskill is at the end of his

rope. Redemption is not in his future. That is, until a terrifying storm blows a budding journalist into his tent and it's up to him to make sure they both survive until morning. Despite the demons weighing on him, Rhys can't resist the temptation of the charming American and one wild night just isn't enough. Auden and Rhys soon learn there are no shortcuts as they navigate their way between life, death, and atonement, and discover something they never expected-love. "Riley writes a captivating story from beginning to breathtaking end." -Publishers Weekly (starred review) on Inside Out

When James Mycroft drags Rachel Watts off on a night mission to the Melbourne Zoo, the last thing she expects to find is the mutilated body of Homeless Dave, one of Mycroft's numerous eccentric friends. But Mycroft's passion for forensics leads him to realize that something about the scene isn't right--and he wants Watts to help him investigate the murder. While Watts battles her attraction to bad-boy Mycroft, he's busy getting himself expelled and clashing with the police, becoming murder suspect number one. When Watts and Mycroft unknowingly reveal too much to the cold-blooded killer, they find themselves in the lion's den--literally. A trip to the zoo will never have quite the same meaning to Rachel Watts again...

Vowing never to fall for a man with a dangerous profession, English literature professor Imani Maxwell finds her resolve weakening when the kidnapping of one of her students leads her into the arms of special agent Garrison Wade. Original.

Every Breath She Takes

Dying Breath

The Autobiography of Luis Bunuel

How to Breathe Your Way to a Mindful Life

A young woman is murdered; her heart cut out, and in its place is a single white rose. Soon the White Rose Killer steps up his campaign. Is DI Lorraine Hunt imagining it, or does he have a message specially for her? As he circles ever closer, nobody escapes suspicion and Lorraine faces her toughest case yet.

CANDLE ISLAND HIDES ITS SECRETS WELL PERHAPS TOO WELL Madeline Brogan has blocked out almost all memories of her childhood on the remote island off the coast of Maine.

Including that tragic day when her parents vanished and she was found covered in blood—the sole witness to Candle Island's most infamous event. Now, fleeing from her deranged ex-husband

Maddie returns to the island with her six-year-old son in search of a safe haven. Everyone—from the vicious town gossips to the handsome police chief—is instantly intrigued by her. For while she has no knowledge of her gruesome past, the islanders do, especially the one person who knows exactly what Maddie saw that terrible day . . . and who must make sure she never tells anyone. "A riveting, fast-paced read filled with danger, suspense, and a once-in-a-lifetime love." —Dinah McCall, author of Dreamcatcher

The New York Times bestselling Under Suspicion series by the "Queen of Suspense" Mary Higgins Clark and Alafair Burke returns with this gripping mystery following television producer's Laurie Moran investigation of the unsolved Met Gala murder—in which a wealthy widow was pushed to her death from the famous museum's rooftop. Laurie Moran's professional life is a success—her television show Under Suspicion is a hit, both in the ratings and its record of solving cold cases. But her romantic break from former host Alex Buckley has left her with on-air talent she can't stand—Ryan Nichols—and a crippling sense of loneliness. Now Ryan has suggested a new case. Three years ago, Virginia Wakeling, a member of the Board of Trustees of the Metropolitan Museum of Art and one of the museum's most generous donors, was found dead in the snow, after being thrown from the museum's roof on the night of the Met Gala. The leading suspect then and now is her much younger boyfriend and personal trainer, Ivan Gray. Ivan runs a trendy, successful boutique gym called Punch—a business funded in no small part by the late Virginia—which happens to be the gym Ryan frequents. Laurie's skepticism about the case is upended by a tip from her father's NYPD connection, and soon Laurie realizes there are a bevy of suspects—including Virginia's trusted inner circle. As the Under Suspicion crew pries into the lives of a super wealthy real estate family with secrets to hide, danger mounts for several witnesses—and for Laurie.

America's #1 true-crime writer fulfills a murder victim's desperate plea with this shattering New York Times bestseller. "If anything ever happens to me...find Ann Rule and ask her to write my story." In perhaps the first true-crime book written at the victim's request, Ann Rule untangles a web of lies and brutality that culminated in the murder of Sheila Blackthorne Bellush—a woman Rule never met, but whose shocking story she now chronicles with compassion, exacting detail, and unvarnished candor. Although happily ensconced in a loving second marriage, and a new family of quadruplets, Sheila never truly escaped the vicious enslavement of her ex-husband, multi-millionaire Allen Blackthorne, a handsome charmer— and a violent, controlling sociopath who subjected Sheila to unthinkable abuse in their marriage, and terrorized her for a decade after their divorce. When Sheila was slain in her home, in the presence of her four toddlers, authorities raced to link the crime to Blackthorne, the man who vowed to monitor Sheila's every move in his obsessive quest for power and revenge.

With Every Breath

Stalking Narratives and the Law

Every Breath You Take

A Novel

Every Breath She Takes Wheeler Publishing, Incorporated

Mindful breathing is direct, natural and easy to learn, it is simply using your breath as a focus or a tool for mindfulness. If you can breathe you can be mindful and once you master this you can access it at any point, wherever you are day or night. Mindful breathing can help you to:

- Gain an immediate sense of peace - this can be experienced from the first breath
- Helps you accept yourself, other people, and your life, just as they are without fighting against them
- Connect to your own inner strength
- Achieve an inner sense of well-being, energy, and joy
- Be kinder to yourself and to others

Following on from the hugely successful I Met A Monk, Rose Elliot, renowned vegetarian chef and proponent of mindfulness gently leads the reader on a journey that starts with the teachings of the Buddha on a moonlit evening. In its re-telling she reveals the techniques and teachings of the Buddha, that are as valid today as they were two and a half thousand years ago on mindful breathing. Every Breath You Take brings a fresh approach to mindfulness that will inspire anyone who hasn't tried it and will bring new life to the practice of those who have. Both practical, personal and inspirational this book will give you the tools and exercises you need to be able to understand and use mindful breathing every day of your life.

A SEASIDE RETREAT . . . It's summer on the Jersey Shore. Children play on the beach. Husbands are off working in the city. And the surf echoes in the night. Here, in this perfect place, a serial killer has no worries in the world—except choosing the next victim . . . **HAS JUST BECOME . . .** Cam Hastings has come to Long Beach Island with her teenage daughter and the hope that maybe she can save her failed marriage. Cam has never stopped loving her husband Mike nor has she been able to outrun her flaws and demons—a vanished mother, a lost sister, and the ugly visions she has of missing children . . . **A KILLER'S FAVORITE PLAYGROUND . . .** Now, Cam is about to step over the edge. For once, she will act on one of her visions—and then face the consequences. For a killer has just struck again. And for Cam, and the people she loves most, fear has come home for good . . .

Examines male and female stalkers in history, literature, and film, and their relationship to contemporary legislation

(McCall Family Series Book 1)

Little Eyes

Exploring the Science of Our Changing Atmosphere

Every Breath I Take

"She is Miss Congeniality meets Castle's Kate Beckett. A smart, funny, and lethal combo." USA TODAY SOME DATES ARE TO KILL FOR When the son of a Chicago billionaire is murdered the only lead on this high-profile crime - one that has the media buzzing and politicians scrambling - is an exclusive dating service that discretely caters to the rich and famous. Who better to go undercover in the world of personal profiles, promising matches, and questionable motives than an ace detective who is single and as attractive as she is tough? Some dates are to kill for - but some dates will get you killed. Detective Kristen Conner may not be able to figure out her own love life, but she is about to get a crash course on finding Mr. Right - even as she finds herself in the crosshairs of a determined killer's gun. Conner and the fabulous cast of characters that made Cuts Like a Knife a debut sensation are back and on the case. The author of the Vampire Babylon series and Only the Good Die Young presents another ghost story... Ever wonder what happens after you die? Well, as a ghost, Jensen Murphy could tell you?and the truth is much stranger than anything you could imagine? I never accomplished much when I was alive. As an average eighties California beach bum, I, Jensen Murphy, didn't have any direction. But since I've joined Boo World, I've found a calling. Now, I'm a supernatural investigator, using my ghostly skills to spook confessions out of bad guys. But being a paranormal PI is taking its toll. Spirits are hounding me for justice day and night, and, now, a ghost hunting TV show is digging up dirt on my unsavory demise that I'd rather keep buried. Worst of all, a seriously evil specter is making my afterlife hell by hurting the people and ghosts I care about. To stop him, I'll need assistance from a higher power?only the price I'll have to pay for that help could be my very soul?

A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR “A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we’ve all been doing it wrong for a long, long time.” —Elizabeth Gilbert, author of Big Magic and Eat Pray Love No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you’re not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren’t found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, Breath turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

Someone in greater Los Angeles is stalking stalkers, luring them to their deaths by posing as the perfect victim. The press calls this mystery woman the Femme Fatale-while the entire country plays guessing games about her identity.

The Journey from Loss to Living Again

Suspenseful Motorcycle Club Romance

Tonglen Meditation for Transforming Pain into Joy

Love on Every Breath

She has nothing to lose, but loving her could cost him everything. Is he willing to risk it all a second time around when she has less than thirty days to live? Renowned motivational speaker Nina Marie Robinson has received a grim prognosis. With the little time she has left, she's giving one last commencement speech at her alma mater Jackson State University and taking a well-deserved vacation to the Bahamas. Nina is also determined to show her college sweetheart she's still

in love with him, but can she convince him to drop everything and board that plane with her? Andrew McCall is one step away from being promoted to professor at Jackson State University. If anything goes wrong, Andrew will find himself in the last place he wants to be—chief executive officer of McCall Resorts as his father's successor. When Nina comes to town and requests that he accompany her to the Bahamas, will he have to choose between the woman he's always loved and everything he's worked for?

The compelling story of a woman's lifelong battle with Cystic Fibrosis and her astonishing resilience despite a double lung transplant and a senseless murder. Anna Maynard was diagnosed with Cystic Fibrosis when she was six months old, at a time when average life expectancy for children afflicted with the genetic disorder was only fourteen years. Throughout her tumultuous childhood, Anna found for a life of normalcy and despite the death of her older sister, France—who succumbed to the same disease—Anna pursued her dream to live a long, productive life with courage, determination and hope.

Risking everything to save his brother's life, Robert Cameron ventures behind enemy lines to fetch the MacLeod witch, an elderly woman known for her healing powers, and comes face to face with Sunshine Phillips, a young woman from the modern world.

The palatial weekend retreat of Wildfell Cottage is just the ticket for three career women seeking reflection on their sudden life changes, but soon after meeting, one is brutally murdered and another is determined to catch the killer. Reprint.

Every Breath

Better with Every Breath

**A True Story of Obsession, Revenge, and Murder
Breath**

Today, when our human family is facing so many challenges, it is more important than ever that we find peace and sustenance in our hearts. Love on Every Breath, or Tonglen, is a seven-step meditation for anyone who wants to nourish and open their heart. An ancient and profound meditation that has been practiced in isolated mountain retreats in the Himalayas for centuries, it is now available to us in the modern world. Lama Palden Drolma, a Western teacher trained by Tibetan Buddhist masters and also schooled in contemporary psychotherapy, introduces readers to the meditation in this powerful, user-friendly book. She walks readers step-by-step through the meditation, from beginning issues of sitting with awareness and focusing on the breath to taking in and extending love. Real-life challenges of sadness, anger, and overwhelm are addressed with "On-the-Spot" versions of the meditation. Love on Every Breath is a meditation that changes our experience in the moment — and changes our lives.

When oxygen levels plunge in a treeless world, a state lottery decides which lucky few will live inside the Pod. Everyone else will slowly suffocate. Be left breathless by this gripping, zeitgeist dystopian thriller

"Camden takes readers on a breathless ride..."--RT Book Reviews In the shadow of the nation's capital, Kate Livingston's respectable life as a government worker is disrupted by an encounter with the insufferable Trevor McDonough, the one man she'd hoped never to see again. A Harvard-trained physician, Trevor never showed the tiniest flicker of interest in Kate, and business is the only reason he has sought her out now. Despite her misgivings, Kate agrees to Trevor's risky proposal to join him in his work to find a cure for tuberculosis. As Kate begins to unlock the mysteries of Trevor's past, his hidden depths fascinate her. However, a shadowy enemy lies in wait and Trevor's closely guarded secrets are darker than she ever suspected. As revelations from the past threaten to destroy their careers, their dreams, and even their lives, Trevor and Kate find themselves in a painfully impossible situation. With everything to lose, they must find the strength to trust that hope and love can prevail over all.

A few of the things Natalie Scott's stalker knows about her: She likes foreign films, cinnamon gum and strawberry yogurt. She goes jogging along Chicago's lakefront every Monday, Wednesday, and Friday. She smells like sunflowers in the summer and roses in the winter. What Natalie Scott doesn't know: Every minute of every day, a madman is watching her. Every minute of every day, he's waiting for the perfect moment to strike. Every minute of every day, she's inching closer to catastrophe . . . And what Natalie Scott doesn't know just might kill her. . .

My Every Breath

A Slow Burn Novel

A Book About Air

My Last Sigh

Ace homicide detective Rio Scott Walker finds himself attracted to Carlie Bishop, the daughter of a U.S. Supreme Court Justice and the prime suspect in a series of brutal murders. Would-be stalkers are lured to their deaths by a female serial killer posing as the perfect victim

"Cade King has fallen for the wrong woman. She's the daughter of New York's most notorious hitman, and he's the newest target." -- Amazon.com

#1 USA Today and New York Times bestselling author Maya Banks continues her suspenseful and sizzling Slow Burn series with this fourth book—a mesmerizingly sexy tale of a brilliant woman who encounters the one man who makes her lose all control. Eliza Cummings fought free of a monster who terrorized her when she was an innocent teenager a

him away for good. She took a job with Devereaux Security Services and devoted every hour to taking down the very thing she'd nearly become. No one, not even those closest to her darkest, shameful secrets. But now the killer has been set free on a legal loophole and it's only a matter of time before he comes for her. Eliza's only choice is to run and leave away from the people she loves. Wade Sterling has always lived by his own rules, a law unto himself who answers to no one. He's never professed to be a good man, and he's definitely not hero material. Wade never allows anyone close enough to see the man behind the impenetrable mask—but one woman threatens his carefully leashed control. He took a bullet for her, the result was more than a piece of metal entrenched in his skin. She was under his skin and nothing he did rid himself of the woman with the courage of a warrior and who thinks nothing of putting her life before others. But when Wade sees a panicked and haunted Eliza he knows something is very wrong, because the fool woman has never been afraid of anything. When she tries to run, the primal beast barely lurking beneath his deceptively polished façade erupts in a rage. She may not know it, but she belongs to him. This time, Eliza isn't going to let her protector. She was damn well going to be the protected. And as long as Wade breathes, no one will ever hurt what is his.

"Even though the fig trees have no blossoms, and there are no grapes on the vines....yet I will rejoice in the Lord! I will be joyful in the God of my salvation" (Habakkuk 3:17-18 NIV). When a loved one dies or you suffer a setback or loss, rejoicing in the Lord may be the last thing you feel like doing. This book was written through the tears and pain of loss, in the first year after the author's wife Barbara died. Yet as James Thornber shares in this moving account of his own journey, the choices you make determine how fast and how well you heal. By sharing words of wisdom and sympathy, this book provides you with helpful hints that will lead towards your healing and recovery. And if you've ever wondered what to say to someone who has recently suffered loss, this book will assist you in offering support in a way that is helpful.

Every Stolen Breath

Every Breath We Take

Surviving and Thriving with Cystic Fibrosis

Lincoln When I was fifteen, my father died suddenly and just like that, I became the man of the house. The burden of caring for my mother and little sisters fell on my shoulders. Ever since then, I've been a rock, a port in the storm for the people I love, there for them whenever they need me. But the pressure of my responsibilities has taken its toll and I'm drowning under the weight of it all. When the President of my MC pulls me aside and asks me to watch over Tatum Carter while keeping my distance from her, it seems like a simple chore. One that will give me a temporary reprieve from the pressure of my life. And then I saw her. All it took was one glimpse and I knew staying away from her was going to be impossible. Tatum Life made me a fighter. Every hardship and obstacle I've endured strengthened my perseverance. Yet nothing prepared me for the unexpected death of my mother. My world was shattered, leaving me struggling to keep my head above water. And then Lincoln appeared. Sure, the first time I met him, I thought he was an unbelievable jerk but even then, there was just something about him that called to me. The second time we bumped into each other, it felt like something I shouldn't ignore. Our connection was like a force of nature and I couldn't help getting swept up in it. That's when the phone calls began. Mysterious messages and cryptic packages on my doorstep hinted that I never truly knew my mother. I turn to Lincoln for help but as we face down the ghosts of my mother's past, I fear what we find may steal the only serenity Lincoln and I have ever known.

Lauren has a good reason for hiding her psychic ability. Not only did her "freakisgness" earn her pariah status in the small town where she grew up, it cost her a fiance and her faith in love. When Lauren forsees a murder she traces the victim to a sprawling ranch, never guessing what waits for her.

Clean air is essential for all living creatures—plants, animals, and people—to live healthy lives. Every Breath We Take is a positive, life-affirming look at clean air, with a subtle message about how air can be dirtied—and how it can be cleaned up. Photographs of beautiful children around the world exploring air through touch, smell, sound, and sight underscore the importance of clean air to all life on earth. This is science that surrounds us. The first step to cherishing something is recognizing its importance and understanding why it is necessary. A portion of the proceeds from the sales of this book will be donated to Moms Clean Air Force, a national movement of over a half million moms, dads, and grandparents who are protecting the right of every child to breathe clean air.

A provocative memoir from Luis Buñuel, the Academy Award winning creator of some of modern cinema's most important films, from *Un Chien Andalou* to *The Discreet Charm of the Bourgeoisie*. Luis Buñuel's films have the power to shock, inspire, and reinvent our world. Now, in a memoir that carries all the surrealism and subversion of his cinema, Buñuel turns his artistic gaze inward. In swift and generous prose, Buñuel traces the surprising contours of his life, from the Good Friday drumbeats of his childhood to the dreams that inspired his most famous films to his turbulent friendships with Federico García Lorca and Salvador Dalí. His personal narratives also encompass the pressing political issues of his time, many of which still haunt us today--the specter of fascism, the culture wars, the nuclear bomb. Filled with film trivia, framed by Buñuel's intellect and wit, this is essential reading for fans of cinema and for anyone who has ever wanted to see the world through a surrealist's eyes.
