***This volume honors Professor Andrzej Grzegorzczak, the nestor of Polish logicians, on his 85th anniversary. The editors would like to express the respect and sympathy they have for him. His textbook The Outline of Mathematical Logic has been published in many editions and translated into several languages. It was this textbook that introduced many of us into the world of mathematical logic. Professor Grzegorzczak has made fundamental contributions to logic and to philosophy. His results, mainly on hierarchy of primitive recursive functions, known as the Grzegorzczak hierarchy, are of fundamental importance to theoretical computer science. In particular, they were precursory for the computational complexity theory. The editors would like to stress that this special publication celebrates a scientist who is still actively pursuing genuinely innovative directions of research. Quite recently, Andrzej Grzegorzczak gave a new proof of undecidability of the first order functional calculus. His proof does not use the arithmetization of Kurt Gödel. In recognition of his merits, the University of Clermont-Ferrand conferred to Professor Andrzej Grzegorzczak the Doctorat Honoris Causa. The work and life of Professor Andrzej Grzegorzczak is presented in the article by Professors Stanislaw Krajewski and Jan Wolenski. The papers in this collection have been submitted on invitational basis.***

Americans have built an empire on the idea of "race," a falsehood that

damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

***The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.***

Reminiscent of the early work of Jhumpa Lahiri, Ayelet Tsabari's award-winning debut collection of stories is global in scope yet intimate in feel, beautifully written, and emotionally powerful. From Israel to India to Canada, Tsabari's indelible characters grapple with love, violence, faith, the slipperiness of identity, and the challenges of balancing old traditions with modern times. These eleven spellbinding stories often focus on Israel's Mizrahi Jews, featuring mothers and children, soldiers and bohemians, lovers and best friends, all searching for their place in the world. In "Tikkun," a man crosses paths with his free-spirited ex-girlfriend—now a married Orthodox Jew—and minutes later barely escapes tragedy. In "Brit Milah," a mother travels from Israel to visit her daughter in Canada and is stunned by her grandson's upbringing. A young medic in the Israeli army bends the rules to potentially dangerous

consequence in "Casualties." After her mom passes away, a teenage girl comes to live with her aunt outside Tel Aviv and has her first experience with unrequited love in "Say It Again, Say Something Else." And in the moving title story, two estranged sisters—one whose marriage is ending, the other whose relationship is just beginning—try to recapture the close bond they had as kids. Absorbing, tender, and sharply observed, *The Best Place on Earth* infuses moments of sorrow with small moments of grace: a boy composes poetry in a bomb shelter, an old photo helps a girl make sense of her mother's rootless past. Tsabari's voice is gentle yet wise, illuminating the burdens of history, the strength of the heart, and our universal desire to belong. Praise for *The Best Place on Earth* "It's impossible not to be awestruck by the depth and power rendered in Tsabari's stories."—Elle "Tsabari creates complex, conflicted, prickly people you'll want to get to know better."—Kirkus Reviews (starred review) "There's remarkable scope in Ayelet Tsabari's *The Best Place on Earth*, which interweaves stories of discrimination, loss, displacement, sex, death, religion, and a host of other issues. And yet, despite the range of viewpoints and the different facets of Israeli society explored, this is a collection that always stays intensely personal, the broader forces of history moving not merely across nations but within the souls of her beautifully conceived characters."—Phil Klay, National Book Award-winning author of *Redeployment* "With incredible compassion and a delicate touch, Ayelet Tsabari explores the heartbreak inherent in forming bonds, whether with another person or with a whole country. *The Best Place on Earth*, a complicated love song to Israel, is a sure-footed and stunningly skillful debut."—Shelly Oria, author of *New York 1, Tel Aviv 0* "Powerful . . . brilliant . . . These stories . . . depict minorities so skillfully, with such a light and accurate touch."—The Daily Beast "Highly recommended . . . Compelling and compassionate; [Tsabari's stories] speak out from the heart of Israeli society and experiences. . . . The stories of *The Best Place on Earth* leave you wishing they wouldn't end."—The Times of Israel "This short story collection is a fiction debut for Tsabari, but it demonstrates that she is already a talented storyteller. . . . Her writing has an immediacy and power that invites readers into her characters' psyches."—Publishers Weekly
