**Cover: The new Boeing 707 Jet. This book welcomes the reader with snapshots during the golden age of flying from carrying mail to a time when excited passengers were treated as guests and everyone dressed in their Sunday best to board American Airlines. It is engaging and appreciated. We served the flying public with much, much "More Than a Ticket." We had time to hang coats, learn names, have a conversation, serve a delicious meal and hold babies. You will feel the excitement of times gone by and get a glimpse of how the atmosphere of air travel has changed through the years. The drama of time has created a different picture. Part one: "My Life as a Stewardess," takes the reader on a journey with a shy country girl to the city, but she is still a country girl as she becomes a confident**
