In one week, Manhattan will be gone. In one month, the country. In two months . . . the world. At New York's JFK Airport an arriving Boeing 777 taxiing along a runway suddenly stops dead. All the shades have been drawn, all communication channels have mysteriously gone quiet. Dr. Eph Goodweather, head of a CDC rapid-response team investigating biological threats, boards the darkened plane . . . and what he finds makes his blood run cold. A terrifying contagion has come to the unsuspecting city, an unstoppable plague that will spread like an all-consuming wildfire—lethal, merciless, hungry . . . vampiric. And in a pawnshop in Spanish Harlem an aged Holocaust survivor knows that the war he has been dreading his entire life is finally here . . . . At the nexus of high finance and sophisticated computer programming, a terrifying future may be unfolding even now. Dr. Alex Hoffmann's name is carefully guarded from the general public, but within the secretive inner circles of the ultrarich he is a legend. He has developed a revolutionary form of artificial intelligence that predicts movements in the financial markets with uncanny accuracy. His hedge fund, based in Geneva, makes billions. But one morning before dawn, a sinister intruder breaches the elaborate security of his lakeside mansion, and so begins a waking nightmare of paranoia and violence as Hoffmann attempts, with increasing desperation, to discover who is trying to destroy him. Fiendishly smart and suspenseful, *The Fear Index* gives us a searing glimpse into an all-too-recognizable world of greed and panic. It is a novel that forces us to confront the question of what it means to be human—and it is Robert Harris's most spellbinding and audacious novel to date.

**NEW YORK TIMES BESTSELLER** • The end of the world was only the beginning. In his internationally bestselling and critically acclaimed novel *The Passage*, Justin Cronin constructed an unforgettable world transformed by a government experiment gone horribly wrong. Now the scope widens and the intensity deepens as the epic story surges forward . . . In the present day, as the man-made apocalypse unfolds, three strangers navigate the chaos. Lila, a doctor and an expectant mother, is so shattered by the spread of violence and infection that she continues to plan for her child's arrival even as society dissolves around her. Kittridge, known to the world as "Last Stand in Denver," has been forced to flee his stronghold and is now on the road, dodging the infected, armed but alone and well aware that a tank of gas will get him only so far. April is a teenager fighting to guide her little brother safely through a landscape of

death and ruin. These three will learn that they have not been fully abandoned—and that in connection lies hope, even on the darkest of nights. One hundred years in the future, Amy and the others fight on for humankind's salvation . . . unaware that the rules have changed. The enemy has evolved, and a dark new order has arisen with a vision of the future infinitely more horrifying than man's extinction. If the Twelve are to fall, one of those united to vanquish them will have to pay the ultimate price. A heart-stopping thriller rendered with masterful literary skill, *The Twelve* is a grand and gripping tale of sacrifice and survival. Look for the entire Passage trilogy: *THE PASSAGE* | *THE TWELVE* | *THE CITY OF MIRRORS* Praise for *The Twelve* “[A] literary superthriller.”—*The New York Times Book Review* “An undeniable and compelling epic . . . a complex narrative of flight and forgiveness, of great suffering and staggering loss, of terrible betrayals and incredible hope.”—*Milwaukee Journal Sentinel* “*The Twelve* is even better than *The Passage*.”—*The Plain Dealer* “A compulsive read.”—*San Francisco Chronicle* “Gripping . . . Cronin [introduces] eerie new elements to his masterful mythology. . . . Enthralling, emotional and entertaining.”—*The San Diego Union-Tribune* “Fine storytelling.”—*Associated Press* “Cronin is one of those rare authors who works on two different levels, blending elegantly crafted literary fiction with cliff-hanging thrills.”—*Fort Worth Star-Telegram*

*magic of Harry Potter and Twilight” (People). Look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness’s sparkling debut, A Discovery of Witches, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford’s Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar’s depth to this riveting tale of magic and suspense. The story continues in book two, Shadow of Night, and concludes with The Book of Life.*

*“Persuasive and based on deep research. Atomic Awakening taught me a great deal.”—Nature The American public’s introduction to nuclear technology was manifested in destruction and death. With Hiroshima and the Cold War still ringing in our ears, our perception of all things nuclear is seen through the lens of weapons development. Nuclear power is full of mind-bending theories, deep secrets, and the misdirection of public consciousness, some deliberate, some accidental. The result of this fixation on bombs and fallout is that the development of a non-polluting, renewable energy source stands frozen in time. Outlining nuclear energy’s discovery and applications throughout history, Mahaffey’s brilliant and accessible book is essential to understanding the astounding phenomenon of nuclear power in an age where renewable energy and climate change have become the defining concerns of the twenty-first century.*

*Published by the University Art Museum, California State University, Long Beach in association with Getty Publications The renowned Argentine conceptual artist David Lamelas (born 1946) has an expansive oeuvre of sensory, restive, and evocative work. This book, published to coincide with the first monographic exhibition of the artist’s work in the United States, offers an incisive look into Lamelas’s art. The guiding analytic theme is the artist’s adaptability to place and circumstance, which invariably influences his creative production. Lamelas left Argentina in the mid-1960s to study at Saint Martin’s in London. Since then, he has divided his time among various cities. While the typical narrative invoked about artists like Lamelas is one of “internationalism,” his nomadic movement from one place or conceptual framework to the next has always been more “postnational” than “international.”*

Meet Tannie Maria: She's fifty-something, short and soft (perhaps a bit too soft in the wrong places) with brown curls and untidy Afrikaans. She is also the agony aunt for the local paper, the Klein Karoo Gazette. One day, her life takes a sinister turn when a woman in the area is murdered and she becomes entangled in the investigation ... to the intense irritation of a handsome local policeman. But what else will this amateur detective uncover in a small town marinated in secrets? Warm, poignant and entertaining, Sally Andrew's delightful heroine blends together intrigue, romance and cooking in this irresistible new mystery, complete with a few mouth-watering recipes.

"Take my word for it, James Reece is one rowdy motherf\*\*\*er. Get ready!" —Chris Pratt, star of *The Terminal List*, coming to Amazon Prime The #1 New York Times bestselling *Terminal List* series continues as James Reece embarks on a global journey of vengeance. A woman boards a plane in the African country of Burkina Faso having just completed a targeted assassination for the state of Israel. Two minutes later, her plane is blown out of the sky. Over 6,000 miles away, former Navy SEAL James Reece watches the names and pictures of the victims on cable news. One face triggers a distant memory of a Mossad operative attached to the CIA years earlier in Iraq—a woman with ties to the intelligence services of two nations...a woman Reece thought he would never see again. Reece enlists friends new and old across the globe to track down her killer, unaware that he may be walking into a deadly trap.

Could she be the key to unravelling the dark fabric of the Shadow Fold and setting Ravka free? The Darkling, a creature of seductive charm and terrifying power, leader of the Grisha. If Alina is to fulfil her destiny, she must discover how to unlock her gift and face up to her dangerous attraction to him. But what of Mal, Alina's childhood best friend? As Alina contemplates her dazzling new future, why can't she ever quite forget him? Glorious. Epic. Irresistible. Romance.

**NEW YORK TIMES BESTSELLER** • The inspiration for *American Crime Story: The People v. O. J. Simpson* on FX, starring Cuba Gooding, Jr., John Travolta, David Schwimmer, and Connie Britton The definitive account of the O. J. Simpson trial, *The Run of His Life* is a prodigious feat of reporting that could have been written only by the foremost legal journalist of our time. First published less than a year after the infamous verdict, Jeffrey Toobin's nonfiction masterpiece tells the whole story, from the murders of Nicole Brown Simpson and Ronald Goldman to the ruthless gamesmanship behind the scenes of "the trial of the century." Rich in character, as propulsive as a legal thriller, this enduring narrative continues to shock and fascinate with its candid depiction of the human drama that upended American life. Praise for *The Run of His Life* "This is the book to read."—Michiko Kakutani, *The New York Times* "This book stands out as a gripping and colorful account of the crime and trial that captured the world's attention."—*Boston Sunday Globe* "A real page-turner . . . strips away the months of circuslike televised proceedings and the sordid tell-all books and lays out a simple, but devastating, synopsis of the case."—*Entertainment Weekly* "A well-written, profoundly rational analysis of the trial and, more specifically, the lawyers who conducted it."—*USA Today* "Engrossing . . .

**NOW A MAJOR MOTION PICTURE** The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

**#1 NEW YORK TIMES BESTSELLER • “A thrilling finale to a trilogy that will stand as one of the great achievements in American fantasy fiction.”—Stephen King** You followed The Passage. You faced The Twelve. Now enter The City of Mirrors for the final reckoning. As the bestselling epic races to its breathtaking finale, Justin Cronin's band of hardened survivors await the second coming of unspeakable darkness. The world we knew is gone. What world will rise in its place? The Twelve have been destroyed and the terrifying hundred-year reign of darkness that descended upon the world has ended. The survivors are stepping outside their walls, determined to build society anew—and daring to dream of a hopeful future. But far from them, in a dead metropolis, he waits: Zero. The First. Father of the Twelve. The anguish that shattered his human life haunts him, and the hatred spawned by his transformation burns bright. His fury will be quenched only when he destroys Amy—humanity's only hope, the Girl from Nowhere who grew up to rise against him. One last time light and dark will clash, and at last Amy and her friends will know their fate. Look for the entire Passage

trilogy: **THE PASSAGE | THE TWELVE | THE CITY OF MIRRORS** Praise for *The City of Mirrors* “Compulsively readable.”—The New York Times Book Review “The City of Mirrors is poetry. Thrilling in every way it has to be, but poetry just the same . . . The writing is sumptuous, the language lovely, even when the action itself is dark and violent.”—The Huffington Post “This really is the big event you’ve been waiting for . . . A true last stand that builds and comes with a bloody, roaring payoff you won’t see coming, then builds again to the big face off you’ve been waiting for.”—NPR “A masterpiece . . . with *The City of Mirrors*, the third volume in *The Passage* trilogy, Justin Cronin puts paid to what may well be the finest post-apocalyptic epic in our dystopian-glutted times. A stunning achievement by virtually every measure.”—The National Post “Justin Cronin’s *Passage* trilogy is remarkable for the unremitting drive of its narrative, for the breathtaking sweep of its imagined future, and for the clear lucidity of its language.”—Stephen King Hailed as “an extraordinary novel of men at war” (The Washington Post) this is the book that inspired the TNT television series starring Eric Dane, Rhona Mitra, Adam Baldwin and Michael Bay as Executive Producer. The unimaginable has happened. The world has been plunged into all-out nuclear war. Sailing near the Arctic Circle, the U.S.S. *Nathan James* is relatively unscathed, but the future is grim and Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain—one-hundred-and-fifty-two men and twenty-six women—to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are earth’s last remaining survivors—and they’ve all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

An unsettling cold case investigation ensnares Cormoran Strike and his partner in a web of dangerous secrets in this #1 New York Times bestseller, the inspiration for HBO Max's acclaimed series C.B. Strike. When a troubled young man named Billy asks Cormoran Strike to help him investigate a crime he witnessed as a child, the private eye is left deeply troubled. While Billy is obviously mentally distressed and cannot remember many concrete details, there is something sincere about him and his story. But before Strike can question him further, Billy bolts from his office in a panic. Trying to get to the bottom of Billy's story, Strike and Robin Ellacott -- once his assistant, now a partner in the agency -- set off on a twisting trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a beautiful but sinister manor house deep in the countryside. And during this labyrinthine investigation, Strike's own life is far from straightforward. His newfound fame as a private eye means he can no longer operate behind the scenes as he once did. Plus, his relationship with his former assistant is more fraught than it ever has been; Robin is now invaluable to Strike in the business, but their personal relationship is much, much trickier than that. The most epic Robert Galbraith novel yet, *Lethal White* is "addictive, murderous fun" for British mystery lovers and crime fiction fans alike (Vox).

What if you could live again and again, until you got it right? On a cold and snowy night in 1910, Ursula Todd is born to an English banker and his wife. She dies before she can draw her first breath. On that same cold and snowy night, Ursula Todd is born, lets out a lusty wail, and embarks upon a life that will be, to say the least, unusual. For as she grows, she also dies, repeatedly, in a variety of ways, while the young century marches on towards its second cataclysmic world war. Does Ursula's apparently infinite number of lives give her the power to save the world from its inevitable destiny? And if she can -- will she? Darkly comic, startlingly poignant, and utterly original -- this is Kate Atkinson at her absolute best.

The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. “The

*Now an HBO limited series starring Ben Mendelsohn! Evil has many faces...maybe even yours in this #1 New York Times bestseller from master storyteller Stephen King. An eleven-year-old boy's violated corpse is discovered in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens—Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon have DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying details begin to emerge, King's story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can.*
