

F7 Exam Report Acca Global

The examiner-reviewed F7 Practice and Revision Kit provides invaluable guidance on how to approach the exam, contains past ACCA exam questions for you to try and covers all areas of the F7 syllabus in the same order as the Study Text. The detailed solutions and marking schemes show you how the examiner awards marks.

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. F7 is a demanding paper covering all the fundamentals of financial reporting. It has five main sections: 1. The conceptual framework of accounting 2. The regulatory framework 3. Preparation of financial statements which conform with IFRS 4. Preparation of consolidated financial statements 5. Analysis and interpretation of financial statements. F7 builds on knowledge from F3, or old paper 1.1. New topics introduced at this level are consolidated financial statements, construction contracts, financial instruments and leases. This study text has been reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The text has a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

Are you looking for an engaging, decision-focussed approach to financial reporting that encourages students to develop their interpretative skills? Building on the success of the first edition, this textbook takes a 'how, why, what' approach to financial accounting, interwoven in each chapter. From chapter one, students understand how financial information is prepared and presented, why it is prepared and presented in this way, and what the resulting financial information means for users. Designed for students taking a step beyond their introductory financial accounting training, the textbook equips them with all the key tools they will require when they enter professional practice. Reflective of the latest International Financial Reporting Standards (IFRS) and International Accounting Standards (IAS), this textbook delivers concise, clear explanations of all the key issues in accounting standards that students need to know. Content maps to professional accounting body syllabi, making this the perfect choice for accounting courses which offer exemptions. Chapters are rich with 3 types of examples to enhance understanding: - Illustrative examples of real-world situations; - Worked examples demonstrating the calculation of figures required for financial statements; - Extracts from company annual reports demonstrate how the theory relates to financial reporting in practice. More engaging, more balanced, and more applied than other offerings, this is exactly the textbook your financial reporting students need! An extensive Online Resource Centre accompanies the textbook and includes: For students: DT Solutions to all the end-of-chapter questions in the book including walkthroughs of solutions to key questions; DT Additional graded questions including professional body questions; DT Additional interpretative case studies based on real-life companies; DT A guided tour through a company report DT Specific study skills tips for accounting students For lecturers: DT Customisable PowerPoint slides DT Solutions to all the additional online questions DT Outline solutions to the interpretative case studies DT Group discussion questions
