Is Catholicism more than giving up beer or chocolate for Lent? Even if it's good beer or great chocolate the answer is a resounding "yes!" In fact, we're called to have such faith that when others meet us they actually see Christ. But how do we do that in a world where Notre Dame means "football" and not Our Lady? By following the lead of so many before us... We have living examples of holy men and women who overcame the same types of temptations we face and shortcomings we all have, to become "huge, blinking neon signs that pointed to Jesus." And if they can do it so can we...with a little practice. Author, lecturer, and Catholic covert Matthew Leonard combines the stories of the saints' triumphs and struggles along with his own personal anecdotes and wry humor to show us all a fresh take on the art of being truly Catholic in a contemporary world.

Highly influential, the Lettrists served as a bridge of sorts between the earlier works of the Dadaists and Surrealists and the later Conceptual artists. Off-Screen Cinema is the first monograph in English of the Lettrists. Offering a full portrait of the avant-garde scene of 1950s Paris, it focuses on the film works of key Lettrist figures like Gil J Wolman, Maurice Lemaître, François Dufrêne, and especially the movement's founder, Isidore Isou, a Romanian immigrant whose "discrepant editing" deliberately uncoupled image and sound. Through Cabañas's history, we see not only the full scope of the Lettrist project, but also its clear influence on Situationism, the French New Wave, the New Realists, as well as American filmmakers such as Stan Brakhage.**

Her rebellious streak attracts the attention of local golden boy Doyle Rahn, who teaches Nes the ropes at Ebenezer. As her friendship with Doyle sizzles into something more, Nes discovers the town she's learning to like has an insidious undercurrent of racism. The color of her skin was never something she thought about in Brooklyn, but after a frightening traffic stop on an isolated road, Nes starts to see signs everywhere—including at her own high school where, she learns, they hold proms. Two of them. One black, one white. Nes and Doyle band together with a ragtag team of classmates to plan an alternate prom. But when a lit cross is left burning in Nes's yard, the alterna-prommers realize that bucking tradition comes at a price. Maybe, though, that makes taking a stand more important than anything.**

Once upon a time, I viewed the Air Force as my personal entertainment and dating service. I was a hard-charging, well-paid, impeccably-educated, high-functioning, award-winning anesthetist and clinical instructor of anesthesia as well as an Air Force captain on my way to becoming a colonel in record time. Beyond that, I worked in a highly specialized area of the military, dabbling in the shadowy world behind the scenes in places some have never heard of, in situations that rarely make the nightly news. Known by important people, I was a guy who could "get 'er done" no matter what the order or mission at hand. On call twenty-four hours a day, I never knew when my next mission would be called. the operating room in San Antonio, the next on a plane bound for some unnamed location for reasons I wasn't privy to. Leaving my strict Baptist upbringing behind, I was living my dream of becoming a "hero," while fueling my ever burgeoning need for newness and more, sleeping my way around the world with no rules and no conscience. One woman, my childhood image of the "girl next door," changed all that. We met in the back anesthesia hallway at Wilford Hall U.S. Air Force Medical Center. She, a mere first year anesthesiology resident. Me, a superstar staff nurse anesthetist. Despite her lowly position, she was clearly the kindest and sexiest woman I'd ever met. Within a month of our first date, I chose to forego my aspirations of military glory and "settle down." However, soon after Joan and I married, I felt trapped. Trapped by what I recognized as the mundane life of my parents. Trapped by Joan's desire to bear a child. Trapped to the point that I began fantasizing about her death. Then came the call. Twenty-five weeks into her pregnancy, Joan was diagnosed with leukemia. In the blink of an eye, I was transformed from my own personal cynosure to the husband of the pregnant lady with cancer, caretaker, guardian of my wife and daughter's lives, and reluctant chief decision maker on how to reconcile my desperate desire for her to live with her disdain for life support measures. This story depicts not only the battle against cancer faced by Joan and our unborn child, but also my own attempt to move past earlier misdeeds, desperately praying for a miracle, hoping that, despite my sins, God would deign to save the woman and child I loved. Written from the perspective of a former military true believer who turned his back on dreams of glory, chose love, and became a (hesitant) husband, then single father, *Broken Road: A Widower* is similar to Nadia Bolz-Weber's *Accidental Saints* and Anne Lamott's *Small Victories: Spotting Improbable Moments of Grace*. A much-praised memoir of living and surviving mental illness as well as "a stereotype-shattering look at a tenacious woman whose brain is her best friend and her worst enemy" (Time).

Elyn R. Saks is an esteemed professor, lawyer, and psychiatrist and is the Orrin B. Evans Professor of Law, Psychology, Psychiatry, and the Behavioral Sciences at the University of Southern California Law School, yet she has suffered from schizophrenia for most of her life, and still has ongoing major episodes of the illness. The

Center Cannot Hold is the eloquent, moving story of Elyn's life, from the first time that she heard voices speaking to her as a young teenager, to attempted suicides in college, through learning to live on her own as an adult in an often terrifying world. Saks discusses frankly the paranoia, the inability to tell imaginary fears from real ones, the voices in her head telling her to kill herself (and to harm others), as well as the incredibly difficult obstacles she overcame to become a highly respected professional. This beautifully written memoir is destined to become a classic in its genre.
