It's Senior Party Week, that magical in-between time after classes have ended but before graduation, chock-full of gimmicky theme parties, last-minute bonding, and family traditions. Olivia couldn't be more ready. Class salutatorian and confident in her future at LSU, she's poised to sail through to the next phase of her life. But when the tiny hiccup of an unsigned off-campus P.E. form puts Olivia in danger of not graduating at all, she has one week to set things straight without tipping off her very big and very nosy extended family. Volunteering to help at a local golf tournament should do it, but since Olivia's mom equipped her phone with a tracking app, there'll be no hiding the fact that she's at the golf course instead of all the graduation parties happening at the same time. Unless, that is, she can convince the Fab Four--her ride-or-die cousins and best friends Sophie, Charlie, and Wes--to trade phones with her as they go through the motions of playing Olivia for the week. Sure, Olivia's sudden "passion" for golf is met with some suspicion. And sure, her grasp of the rules is a little shaky. And yes, okay, a very cute, very off-limits boy keeps popping up in her orbit. But she is focused! She has a schedule and a plan! Nothing can possibly go wrong . . . right?

And other rules Liam, her detestable big-oil lawyer of a roommate, knows nothing about. Okay, sure, technically she's the interloper. The problem is, living with someone means getting to know them. And the more Mara finds out about Liam, the harder it is to loathe him...and the easier it is to love him. Mr. Malcolm's List

From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is

*the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.*

After one date—one amazing, unforgettable date—Grady isn't ready to call it quits, despite his own no-attachments policy, and he's found a sneaky way around both their rules. Throwing gutter balls with pitchers of beer? Not a real date. Everyone knows bowling doesn't count. Watching a band play at a local show? They just happen to have the same great taste in music. Definitely not a date. Hiking? Nope. How can exercise be considered a date? With every "non-date" Grady suggests, his reasoning gets more ridiculous, and Willa must admit she's having fun playing along. But when their time together costs Willa two critical clients, it's clear she needs to focus on the only thing that matters—her future. And really, he should do the same. But what is she supposed to do with a future that looks gray without Grady in it? Long Walk to Freedom

Adam Hardesty must hunt down his blackmailer quickly or his secrets will be revealed to all, and Caroline Fordyce joins him as they navigate the darker side of London, guarding not only their secrets, but eventually their very lives.

Midwestern librarian Letitia Thornquist didn't have the right stuff to run Thornquist Gear, Inc. That was the bottom-line opinion of Joel Blackstone, the seasoned CEO who had built the small Seattle sporting goods store into an industry giant. But Letty's rich Uncle Charlie willed her the company, and now she was bubbling with enthusiasm to have Joel, a perfect mentor, show her the ropes. Teaching her the business was all Joel grudgingly planned to do...until the sensuous curves under Letty's navy suit and the unabashed desire in her wide, innocent eyes left him longing for a personal kind of merger. Soon his sizzling kisses convinced her that she wasn't in Kansas anymore. But no matter how skilled Joel was in the art of love, Letty knew she was at risk in his arms. Behind his tough facade she sensed a world of hurt that cried out for her warmth and understanding. She realized the "L" word might never be spoken if trust didn't make them perfect partners 9 to 5...and in the loving after-hours of midnight to dawn. In a witty, classical duel of romance and ambition, Jayne Ann Krentz deftly portrays two fiery opposites caught by an irresistible attraction...in a deliciously spicy tale of life at the top and love in the depths of the heart.

Charismatic twins Amanda and Marian Laton, sent to live with their aunt on a sprawling 1870s Texas ranch, find themselves competing for the love of cowboy neighbor Chad Kinkaid. By the author of *The Pursuit*. Reprint.
