The Pushcart Prize–winning poet’s memoir of his criminal youth and years in prison: a “brave and heartbreaking” tale of triumph over brutal adversity (The Nation). Jimmy Santiago Baca’s “astonishing narrative” of his life before, during, and immediately after the years he spent in the maximum-security prison garnered tremendous critical acclaim. An important chronicle that “affirms the triumph of the human spirit,” it went on to win the prestigious 2001 International Prize (Arizona Daily Star). Long considered one of the best poets in America today, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—with the ability to read and a passion for writing poetry. “Proof there is always hope in even the most desperate lives.” —Fort Worth Star-Telegram “A hell of a book, quite literally. You won’t soon forget it.” —The San Diego U-T “This book will have a permanent place in American letters.” —Jim Harrison, New York Times—bestselling author of A Good Day to Die

In 1975, at the age of twenty-three, Farideh Goldin left Iran in search of her imagined America. She sought an escape from the suffocation she felt under the cultural rules of her country and the future her family had envisioned for her. While she settled uneasily into American life, the political unrest in Iran intensified and in February of 1979, Farideh's family was forced to flee Iran on the last El-Al flights to Tel Aviv. They arrived in Israel as refugees, having left everything behind including the only home Farideh's father had ever known. Baba, as Farideh called her father, was a well-respected son of the chief rabbi and dayan of the Jews of Shiraz.

During his last visit to the United States in 2006, he handed Farideh his memoir that chronicled the years of his life after exile: the confiscation of his passport while he attempted to return to Iran for his belongings, the resulting years of loneliness as he struggled against a hostile bureaucracy to return to his wife and family in Israel, and the eventual loss of the poultry farm that had supported his family. Farideh translated her father's memoir along with other documents she found in a briefcase after his death. Leaving Iran knits together her father's story of dislocation and loss with her own experience as an Iranian Jew in a newly adopted home. As an intimate portrait of displacement and the construction of identity, as a story of family loyalty and cultural memory, *Leaving Iran* is an important addition to a growing body of Iranian-American narratives.

When I was 18 years old, I left Iran after graduating from high school to come to America to continue my education, with the hope that someday I might become a physician. I suffer from multiple disabilities. The most troubling issue revolves around polio. At the age of five, I contracted polio as a result of a bad dose of the vaccine I received. As an adult with a severely twisted body, I have been forced to walk with a cane and stand only four feet tall. Over the course of my life, I've had to deal with additional medical issues as a result of my initial infection. It would be easy for me to be bitter about my situation, but I have chosen a different path. I've written a short memoir which I have titled *I Am Like You*. My hope is that my book will both inspire and encourage others with disabilities to recognize that they need not be defined or limited by whatever physical limitations they may encounter in the world. Certainly,

my life has been a challenge, but I've chosen to remain optimistic about the limitless possibilities available to anyone who isn't ready to throw in the towel. I've tried to tell my story with a mixture of humor and pathos. Additionally, I think there is a unique perspective to my story. Coming from a Third World country allows me to compare and contrast the differences between the treatment of the disabled in a country like America compared to how someone with my kinds of issues may be dealt with in Iran (or any Third World country for that matter). This handy and affordable quick reference guide offers extensive and relevant coverage of today's English and Arabic, with thousands of phrases and examples guiding you to the most appropriate translation. The clear layout allows for fast and easy access when you most need it. Ideal for use on the go, at home, in the office, classroom or on vacation.

In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." —The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. Americanized follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-"American" teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the almost-as-terrifying possibility that she might be the only one of her friends without a date to the prom. This

moving, often hilarious story is for anyone who has ever shared either fear. The Social Media Reader is the first collection to address the collective transformation with pieces on social media, peer production, copyright politics, and other aspects of contemporary internet culture from all the major thinkers in the field. Culling a broad range and incorporating different styles of scholarship from foundational pieces and published articles to unpublished pieces, journalistic accounts, personal narratives from blogs, and whitepapers, The Social Media Reader promises to be an essential text, with contributions from Lawrence Lessig, Henry Jenkins, Clay Shirky, Tim O'Reilly, Chris

Anderson, Yochai Benkler, danah boyd, and Fred von Loehmann, to name a few. It covers a wide-ranging topical terrain, much like the internet itself, with particular emphasis on collaboration and sharing, the politics of social media and social networking, Free Culture and copyright politics, and labor and ownership. Theorizing new models of collaboration, identity, commerce, copyright, ownership, and labor, these essays outline possibilities for cultural democracy that arise when the formerly passive audience becomes active cultural creators, while warning of the dystopian potential of new forms of surveillance and control.

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the

river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there.
