

Feminism A Beginner S Guide

Called "powerful and provocative" by Dr. Ibram X. Kendi, author of the New York Times bestselling *How to be an Antiracist*, this explosive book of history and cultural criticism reveals how white feminism has been used as a weapon of white supremacy and patriarchy deployed against Black and Indigenous women, and women of color. Taking us from the slave era, when white women fought in court to keep "ownership" of their slaves, through the centuries of colonialism, when they offered a soft face for brutal

File Type PDF Feminism A Beginner S Guide

tactics, to the modern workplace, *White Tears/Brown Scars* tells a charged story of white women's active participation in campaigns of oppression. It offers a long overdue validation of the experiences of women of color. Discussing subjects as varied as *The Hunger Games*, Alexandria Ocasio-Cortez, the viral BBQ Becky video, and 19th century lynchings of Mexicans in the American Southwest, Ruby Hamad undertakes a new investigation of gender and race. She shows how the division between innocent white women and racialized, sexualized women of color was created, and why this division is

File Type PDF Feminism A Beginner S Guide

crucial to confront. Along the way, there are revelatory responses to questions like: Why are white men not troubled by sexual assault on women? (See Christine Blasey Ford.) With rigor and precision, Hamad builds a powerful argument about the legacy of white superiority that we are socialized within, a reality that we must apprehend in order to fight. "A stunning and thorough look at White womanhood that should be required reading for anyone who claims to be an intersectional feminist. Hamad's controlled urgency makes the book an illuminating and poignant read. Hamad is a purveyor of such bold thinking,

File Type PDF Feminism A Beginner S Guide

the only question is, are we ready to listen?" -Rosa Boshier, The Washington Post

Young women today have a bad reputation, and for good reason: They're sexting their classmates, they spend more time on FaceBook than they do in class, and their appetite for material possessions and reality TV is matched only by their overwhelming apathy about important social and political issues. Right? Wrong. FBomb blog creator Julie Zeilinger debunks these (and other) myths about modern youth in *A Little F'd Up*, the first book about feminism for young women in their teens and twenties to actually be

File Type PDF Feminism A Beginner S Guide

written by one of their peers. In this accessible handbook, Zeilinger takes a critical, honest, and humorous look at where young feminists are as a generation, and where they're going—and she does so from the perspective of someone who's in the trenches right alongside her readers. Fun, funny, and engaging, *A Little F'd Up* is a must-read for the growing number of intelligent, informed young women out there who are ready to start finding their voice—and changing the world. Your twenties can be isolating, infuriating and painful – but how do you stay healthy and realistic when you're also dealing with

File Type PDF Feminism A Beginner S Guide

depression, mania, or anxiety? Emily Reynolds's *A Beginner's Guide to Losing Your Mind* explores the unique challenges, including: * How to deal with pressure at school and college * Tips for dating when you are mentally ill (and what to expect when you're on the other side) * Handling self-harm and suicidal thoughts * Advice for your family and friends * Learning how to navigate the internet and the online community * Advice on diagnosis, treatment, and maintaining your mental health A blackly funny, deeply compassionate, and extremely practical book, *A Beginner's Guide to Losing*

File Type PDF Feminism A Beginner S Guide

Your Mindis all at once the author's personal account of what it's like to live with mental illness, a guide to dealing with and understanding it, and a companion to make the journey feel a little less lonely.

Your Guide to Wealth and Success Live your wealthiest life: Sometimes the best way to stick it to the man is by doing well for yourself. There's just one problem: it's hard to do well for yourself when systemic oppression has placed innumerable hurdles between you and your aspirations. The Feminist Financial Handbook provides real motivation and resources for real women who

File Type PDF Feminism A Beginner S Guide

may be struggling—not only those who have already accumulated wealth. Overcome obstacles: The Feminist Financial Handbook provides actionable tips for women in business to overcome these obstacles without dulling the visceral experience of the real-life struggles women face as they try to master their money management and their lives. Because women's experiences don't exist in a vacuum relegated to their gender, the handbook explores financial issues with anecdotes and perspectives of women of different races, sexual orientations and abilities. Find the answers to your money

File Type PDF Feminism A Beginner S Guide

questions: Whether you want to learn more about general financial planning principles, like saving or earning a higher income, or delve into issues that disproportionately affect women, like the wage gap or the long road to economic recovery after experiencing domestic violence, The Feminist Financial Handbook has stories and advice from women who have been there, worked through the struggle, and achieved personal success. Learn from the frontrunner of the Femme Frugality blog: Written in the same passionate tone that has made Femme Frugality a two-time nominee for Best Women's Finance

Feminism, Resistance, and Revolution in
Trump's America

A Companion to Simone de Beauvoir

Politicians invoke grand ideas: social justice, democracy, liberty, equality, community. But what do these ideas really mean? How can politicians across the political spectrum appeal to the same values? This new edition of Adam Swift's highly readable introduction to political philosophy answers these important questions, and includes new material on global justice,

feminism, and method in political theory, as well as updated guides to further reading. This lively and accessible book is ideal for students, but it also brings the insights of the world's leading political philosophers to a wide general audience. Using plenty of examples, it equips readers to think for themselves about the ideas that shape political life. Democracy works best when both politicians and voters move beyond rhetoric to think clearly and carefully about the political principles that should govern their society. But clear thinking is difficult in an age when established orthodoxies have fallen by the

wayside. Bringing political philosophy out of the ivory tower and within the reach of all, this book provides us with tools to cut through the complexities of modern politics. In so doing, it makes a valuable contribution to the democratic process and this new edition will continue to be essential reading for students of political philosophy and theory.

Equality starts early, and it begins at home. As soon as girls are big enough to flip through a board book, they can understand the concept that girls are equal to boys. This book underscores that important idea with clear,

simple illustrations and clever rhyming text. From encouraging girls to use their voice and to support other girls to showing them that beauty is on the inside to reminding them that no woman is free until all women are free, there are big lessons here, in a small and appealing package.

Extra Bold is the inclusive, practical, and informative (design) career guide for everyone! Part textbook and part comic book, zine, manifesto, survival guide, and self-help manual, Extra Bold is filled with stories and ideas that don't show up in other career books or design

overviews. • Both pragmatic and inquisitive, the book explores power structures in the workplace and how to navigate them. • Interviews showcase people at different stages of their careers. • Biographical sketches explore individuals marginalized by sexism, racism, and ableism. • Practical guides cover everything from starting out, to wage gaps, coming out at work, cover letters, mentoring, and more. A new take on the design canon. • Opens with critical essays that rethink design principles and practices through theories of feminism, anti-racism, inclusion, and nonbinary thinking. • Features

interviews, essays, typefaces, and projects from dozens of contributors with a variety of racial and ethnic backgrounds, abilities, gender identities, and positions of economic and social privilege. • Adds new voices to the dominant design canon. Written collaboratively by a diverse team of authors, with original, handcrafted illustrations by Jennifer Tobias that bring warmth, happiness, humor, and narrative depth to the book. Extra Bold is written by Ellen Lupton (Thinking with Type), Farah Kafei, Jennifer Tobias, Josh A. Halstead, Kaleena Sales, Leslie Xia, and Valentina Vergara.

A Beginner's Guide to Language and Gender offers a broad and accessible introduction to the study of gender and language use for those new to the subject. The book introduces the theoretical and practical perspectives, including relevant frameworks necessary to understand ways in which language interacts with gender/sex in various settings, including: in media, in schools, in places of business, in places of worship, and at home.

A Feminist, Inclusive, Anti-racist, Nonbinary Field Guide for Graphic Designers

The work of Simone de Beauvoir has endured and flowered in the last two decades, thanks primarily to the lasting influence of *The Second Sex* on the rise of academic discussions of gender, sexuality, and old age. Now, in this new Companion dedicated to her life and writings, an international assembly of prominent scholars, essayists, and leading interpreters reflect upon the range of Beauvoir ' s contribution to philosophy as one of the great authors, thinkers, and public intellectuals of the twentieth century. The Companion examines Beauvoir ' s rich intellectual life from a variety of angles—including

File Type PDF Feminism A Beginner S Guide

literary, historical, and anthropological perspectives—and situates her in relation to her forbears and contemporaries in the philosophical canon. Essays in each of four thematic sections reveal the breadth and acuity of her insight, from the significance of *The Second Sex* and her work on the metaphysics of gender to her plentiful contributions in ethics and political philosophy. Later chapters trace the relationship between Beauvoir's philosophical and literary work and open up her scholarship to global issues, questions of race, and the legacy of colonialism and sexism. The volume concludes by considering her impact on contemporary feminist thought writ large, and features pioneering work from a new generation of Beauvoir scholars. Ambitious and unprecedented in scope, *A Companion to Simone de Beauvoir* is an accessible and interdisciplinary resource for students, teachers, and researchers across the humanities and social sciences.

File Type PDF Feminism A Beginner S Guide

Banned in public institutions in France and Turkey, mandatory in Saudi Arabia and Iran, no other item of clothing incites such furious reactions. The Islamic veil – a catch-all term that encompasses everything from a simple headscarf to the all-covering burqa – has, over the past decade, become a heated battleground for debates on everything from women ' s rights to multiculturalism. Elizabeth Bucar goes beyond the simplistic question of whether the veil is “ good ” or “ bad ” to ask instead why it has become so politically symbolic. Cutting through the condescension and fear that typify the debate, she reveals the huge diversity of women ' s experiences of veiling. Her illuminating global perspective takes in everything from the new veiling movement among the Egyptian middle class to hijab fashion in Indonesia. It will be invaluable to anyone looking to understand the veil beyond its status as shorthand for Islamic fundamentalism and

File Type PDF Feminism A Beginner S Guide

female oppression.

"Understanding Feminism" provides an accessible guide to one of the most important and contested movements in progressive modern thought. Presenting feminism as a dynamic, multi-faceted and adaptive movement that has evolved in response to the changing practical and theoretical problems faced by women, the authors take a problem-oriented approach that maps the complex strands of feminist thinking in relation to women's struggles for equal recognition and rights, and freedom from oppressive constraints of sex, self-expression and autonomy. Each chapter focuses on a different cluster of concerns, demonstrating key moves in second-wave feminist thought, as well as some of the diversity in response-strategies that encompass both socio-economic and cultural-symbolic concerns. This approach not only shows how central feminist insights, theories and strategies emerge and

File Type PDF Feminism A Beginner S Guide

re-emerge across different contexts, but makes clear that far from being 'over', feminism remains a vital response to the diverse issues that women (and men) find pressing and socially important.

Simone de Beauvoir was among the 20th century's most influential thinkers. She was a philosopher at the forefront of existentialism, a pioneering thinker on women and feminism in *The Second Sex*, the writer of prize-winning fiction, an autobiographical writer, and a committed political activist. Introducing her life and work in a straightforward, jargon-free way, this guide offers readings of her fiction, explores the many facets of her thought, and assesses her contribution to the intellectual debate.

Philosophy

In this revised and updated 2nd edition of her pioneering textbook, Allyson Jule offers fresh insights into the study of language and gender for those new to the subject. Students will gain a thorough grounding in theoretical and practical perspectives on gender and language in the workplace, media, school, religion and domestic settings. Updates to the 2nd edition include discussion of: language

File Type PDF Feminism A Beginner S Guide

and rape culture; LGBTQ terminology; language and social media; gaming; eco-feminism; and language, gender and Islam. The book is an ideal introductory text for courses specifically focused on language and gender, as well as those where an understanding of these issues would be helpful. Written in an engaging and reader-friendly style, with study questions, suggestions for further reading and a glossary, this book is the ideal starting point for students wishing to understand how

File Type PDF Feminism A Beginner S Guide

language and gender interact in the modern world.

From slut-shaming to the allegedly shrill voices of female politicians, from vocal fry to online misogyny, the language women use (and the language used about them) is as controversial as it has ever been. Our language use and our gender have an enormous impact on the way we understand ourselves and the world around us, and the way we are treated by society. Using the latest academic research, Allyson Jule tackles

File Type PDF Feminism A Beginner S Guide

some of the most pressing issues facing feminism today, including how language use and related ideas about gender play out in the home, workplace and online. It turns out that many popular ideas about gender and language are more complicated than they first appear. This book will change the way you think about language, and give you the tools to challenge the world around you.

Philosophy: A Beginner's Guide is unique in its approach to introducing philosophy. Its succinct and self-contained chapters make

File Type PDF Feminism A Beginner S Guide

this jargon-free text accessible to people who have had little or no previous contact with philosophy. In this new, revised and extended edition of the popular student text, Teichman and Evans introduce philosophy as it is studied in mainstream colleges and universities. Assuming no previous contact with philosophy, the authors guide the reader through the most central and important questions of philosophy, including the nature of existence, knowledge, freedom, feminism, God, morality, politics, science, reason, logic,

File Type PDF Feminism A Beginner S Guide

and human purpose. This edition includes a new chapter on scepticism.

Alphabetically arranged entries humorously discuss nearly one hundred topics related to the equal status of women and celebrate the changes that are making the lives of women, girls, and men richer, fuller, happier, and safer.

The Grumpy Guide To Radical Feminism

Machine Habitus Political Philosophy

We commonly think of society as made of and by humans, but with the proliferation of machine learning and AI technologies, this is clearly no longer the case. Billions of automated systems tacitly contribute to the social construction of reality by drawing algorithmic distinctions between the visible and the invisible, the relevant and the irrelevant, the likely and the unlikely – on and beyond platforms. Drawing on the work of Pierre Bourdieu, this book develops an

File Type PDF Feminism A Beginner S Guide

original sociology of algorithms as social agents, actively participating in social life. Through a wide range of examples, Massimo Airoldi shows how society shapes algorithmic code, and how this culture in the code guides the practical behaviour of the code in the culture, shaping society in turn. The 'machine habitus' is the generative mechanism at work throughout myriads of feedback loops linking humans with artificial social agents, in the context of digital infrastructures and pre-digital social structures. Machine Habitus will be of great interest to students and scholars in

File Type PDF Feminism A Beginner S Guide

sociology, media and cultural studies, science and technology studies and information technology, and to anyone interested in the growing role of algorithms and AI in our social and cultural life.

Feminism is arguably the most significant social movement of the last century and it is far from over. But what appears as a single, unified movement on behalf of women's liberation is really a fascinating coalition of social and political causes, goals, and ideals. By highlighting the themes that form the enduring nexuses between the three waves, taking powerful examples from feminist

File Type PDF Feminism A Beginner S Guide

campaigns, and tackling timely issues such as genocide and war rape, Scholz invites us to join in with the lively debates and always germane challenges of feminism.

This book cuts through the myths surrounding the subject and provides an incisive account of the women's movement. Copyright © Libri GmbH. All rights reserved.

For women who enjoy hiking, camping, backpacking, and other outdoor recreation or those inspired by Cheryl Strayed's *Wild*, this is the definitive guide to being a woman in the great outdoors. This friendly handbook covers the matters of most concern to women,

The creator of the internationally popular, multiple

File Type PDF Feminism A Beginner S Guide

award-winning blog MsAfropolitan applies an Africa-centered feminist sensibility to issues of racism and sexism, challenging our illusions about oppression and liberation and daring women to embrace their power. Sensuous Knowledge is a collection of thought provoking essays that explore questions central to how we see ourselves, our history, and our world. What does it mean to be oppressed? What does it mean to be liberated? Why do women choose to follow authority even when they can be autonomous? What is the cost of compromising one ' s true self? What narratives particularly

File Type PDF Feminism A Beginner S Guide

subjugate women and people of African heritage? What kind of narrative can heal and empower? As she considers these questions, Salami offers fresh insights on key cultural issues that impact women ' s lives, including power, beauty, and knowledge. She also examines larger subjects, such as Afrofuturism, radical Black feminism, and gender politics, all with a historical outlook that is also future oriented.

Combining a storyteller ' s narrative playfulness and a social critic ' s intellectual rigor, Salami draws upon a range of traditions and ideologies, feminist theory, popular culture—including insights from Ms. Lauryn

File Type PDF Feminism A Beginner S Guide

Hill, Beyoncé, Audre Lorde, Toni Morrison, and others—science, philosophy, African myths and origin stories, and her own bold personal narrative to establish a language for change and self-liberation. *Sensuous Knowledge* inspires reflection and challenge us to formulate our own views. Using ancestral knowledge to steer us toward freedom, Salami reveals the ways that women have protested over the years in large and small ways—models that inspire and empower us to define our own sense of womanhood today. In this riveting meditation, Salami asks women to break free of the prison made by

File Type PDF Feminism A Beginner S Guide

ingrained male centric biases, and build a house themselves—a home that can nurture us all.

A lively and accessible book for teens on the history, pioneers, theories, questions, arguments, and daily reality of feminism today. What is feminism?

Combining insightful text with graphic illustrations, this engaging book introduces young adult readers to a subject that should matter to everyone. Posed as a series of questions, *Feminism Is...* tackles the most intriguing and relevant topics, such as "Are all people equal?", "Do boys and girls learn the same things?" and "Why do women earn less than men?"

File Type PDF Feminism A Beginner S Guide

Find out what equality for women really means, get a short history of feminism, and take a look at the issues that affect women at work, in the home, and around sex and identity. Meet, too, some great women, such as Gloria Steinem, Frida Kahlo, and Malala Yousafzai, "rebel girls" who refused to accept the status quo of their day and blazed a trail for others to follow. With more than 50 questions that address key feminist concerns, *Feminism Is...* takes on the issues in informative, thought-provoking ways.

Despite the recent proliferation of scholarship on

File Type PDF Feminism A Beginner S Guide

anarchism, very little attention has been paid to the historical and theoretical relationship between anarchism and philosophy. Seeking to fill this void, 'Brill's Companion to Anarchism and Philosophy' draws upon the combined expertise of several top scholars to provide a broad thematic overview of the various ways anarchism and philosophy have intersected. Each of its 18 chapters adopts a self-consciously inventive approach to its subject matter, examining anarchism's relation to other philosophical theories and systems within the Western intellectual tradition as well as specific philosophical topics,

File Type PDF Feminism A Beginner S Guide

subdisciplines and methodological tendencies. Feminist City is an ongoing experiment in living differently, living better, and living more justly in an urban world. We live in the city of men. Our public spaces are not designed for female bodies. There is little consideration for women as mothers, workers or carers. The urban streets often are a place of threats rather than community. Gentrification has made the everyday lives of women even more difficult. What would a metropolis for working women look like? A city of friendships beyond Sex and the City. A transit system that accommodates mothers with strollers on

File Type PDF Feminism A Beginner S Guide

the school run. A public space with enough toilets. A place where women can walk without harassment. In *Feminist City*, through history, personal experience and popular culture Leslie Kern exposes what is hidden in plain sight: the social inequalities built into our cities, homes, and neighborhoods. Kern offers an alternative vision of the feminist city. Taking on fear, motherhood, friendship, activism, and the joys and perils of being alone, Kern maps the city from new vantage points, laying out an intersectional feminist approach to urban histories and proposes that the city is perhaps also our best hope for

File Type PDF Feminism A Beginner S Guide

shaping a new urban future. It is time to dismantle what we take for granted about cities and to ask how we can build more just, sustainable, and women-friendly cities together.

Crafting with Feminism

Secular and Religious Convergences

Philosophy: a Beginner's Guide is unique in its approach to introducing philosophy. Its succinct and

self-contained chapters make this jargon-free text accessible to people who have had little or no previous contact with philosophy.

In this lively narrative, newcomers to women's and gender studies, feminist politics, history, and sociology explore a refreshing take on a subject matter often loaded with assumptions. Feminist theories are viewed through the critical intersections of race, class, sexuality, age, and ability, and are embedded in the experiences of everyday life, allowing Bromley to engage readers in doing theory, in making sense of concepts like "power" and "privilege," and in effecting social change. Using a

variety of pedagogical devices, including provocative images, discussion questions, and classroom activities, Feminisms Matter helps readers cultivate a way of thinking critically about their everyday worlds.

"This primer on feminism and media literacy teaches young readers why it matters The League of Super Feminists is an energetic and fierce comic for tweens and younger teens. Cartoonist Mirion Malle guides readers through some of the central tenets of feminism and media literacy including consent, intersectionality, privilege, body image, inclusivity and more; all demystified in the form of a witty, down-

to-earth dialogue that encourages questioning the stories we're told about identity. Malle's insightful and humorous comics transport lofty concepts from the ivory tower to the eternally safer space of open discussion. Making reference to the Bechdel test in film and Peggy McIntosh's dissection of white privilege through the metaphor of the "invisible knapsack," The League of Super Feminists is an asset to the classroom, library, and household alike. Knights and princesses present problems associated with consent; superheroes reveal problematic stereotypes associated with gender; and grumpy onlookers show just how insidious cat-

calling culture can be. No matter how women dress, Malle explains, there seems to always be someone ready to call it out. The League of Super Feminists articulates with both poise and clarity how unconscious biases and problematic thought processes can have tragic results. Why does feminism matter? Are feminists man-haters? How do race and feminism intersect? Malle answers these questions for young readers, in a comic that is as playful and hilarious as it is necessary."

'Timely, necessary and important' J.K. Rowling '[This book is] guaranteed to remind us what we have still to fight for. I can't think of a single person who

wouldn't benefit from reading it' Observer 'Bindel is a rock star of second-wave feminism . . . an important, courageous book' The Times 'Bindel delivers a robust call to arms in every chapter . . . this book could not be timelier . . . As a young feminist who has finally seen the light, I consider it essential reading' The Critic Feminism is a quest for the liberation of women from patriarchy. Feminism strives for a world in which women are not oppressed. Feminism prioritises exposing and ending male violence towards women and girls. This is Julie Bindel's feminism, a definition born of 40 years at the front line of the feminist movement. Why

then, she asks, is feminism the only social justice movement in the world that is expected to prioritise every other issue before pursuing its own objective of women's liberation? Why does the movement appear to be moving backwards, accommodating the rights and feelings of men and leaving women in the cold? Women make up half the global population yet why is feminism still treated as a minority movement? In this searing and ground-breaking book, Bindel deconstructs the many pervasive myths about feminism - Do women really want what men have? Can men be feminists? Are women liberated by sexual violation? - assessing whether

feminism has achieved its goals and debunking theories that second wave feminism is irrelevant and one-dimensional. Bindel shines a light on the most important issues, including pornography, sexual violence and prostitution. Drawing on Bindel's own experiences, as well as countless interviews with women and girls of all ages and backgrounds (as well as contributions from commentators such as Gloria Steinem and Chimamanda Ngozi Adichie), Feminism for Women presents a clear-sighted view of why feminism is a proud social movement that every woman on the planet benefits from. The invisible forces of misogyny affect us all. This book

***is a call to arms to reclaim feminism for all women.
Only together can we resist and overcome.***

their rights. Explaining what civil liberties are and why they 're worth defending, Tom Head shows how you can make a difference.

Fascinating Biographies of Black Feminist Heroes. An Overview of Black Feminism and Its Inspiring Thought ...is a follow-up to a biographical look at the four waves of feminism called Fascinating Biographies of Famous Feminists: A Journey through the History of Women's Fight for Rights, Equality, and Freedom. This is the second work of the author and lover of feminism, Simone Truth, in a series that aims to broaden the looking glass focused on feminism and look at more women who contributed to the diverse and intertwining threads of the women's empowerment movements. In

File Type PDF Feminism A Beginner S Guide

this book, there is no specific timeline; the focus has shifted to Black feminism and iconic women who contributed to the understanding of African American culture and history. They are Black women who have fought for their people's rights. Some of the icons covered in this book include Maya Angelou, Michelle Obama, Kathleen Neal Cleaver, Oprah Winfrey, Coretta Scott King, and more. When you read about their lives, you'll discover surprising details. There are similarities and differences between these women. For example, it is very evident that all of these icons are highly intelligent and gifted, as this was obvious for most of them from an early age or in elementary school. One may encounter differences among these women

File Type PDF Feminism A Beginner S Guide

because some of them come from poverty and some of them come from middle-class families. Whichever way, these circumstances did not hold them back from achieving what they wanted to achieve. This book describes eleven different women from eleven different backgrounds, all gifted individuals, and how they followed their life's paths to become icons for women and for humanity. Each contributed in their own unique way, and that is what makes this book so fascinatingly addictive and heartwarming. This book will educate you, entertain you, and open up a whole new world to the struggles, sweat, and tears that is Black feminism.

In this empowering, accessible guide, Jaclyn Friedman—co-editor of Yes Means Yes—gives young women the tools to decipher the modern world's confusing, hypersexualized, sometimes dangerous landscape so they can define their own sexual identity. Friedman decries the hypocrisy and mixed messages of our culture

(we're failures if we don't act sexy, but we're sluts if we actually pursue sex; we need to be protected from rapists lurking in bushes, but deserve "whatever we get" if we have a drink at a party and wear a skirt), and encourages readers to separate fear from fact, decode the damaging messages all around them, and discover a healthy personal sexuality.

Educational and interactive, What You Really Really Want includes revealing quizzes, creative exercises, and reality-based advice about sex and sexuality today. With Friedman's informed

advice to guide them, readers will build new skills for safely expressing their sexuality with lovers and explore effective ways to talk about tricky issues with family and friends—and learn how to make the world a little safer for everyone else's sexuality along the way.

While many in the West regard feminism and Islam as a contradiction in terms, many Muslims in the East have perceived Western feminist forces in their midst as an assault upon their culture. In this career-spanning collection of influential essays, Margot Badran presents the

feminisms that Muslim women have created, and examines Islamic and secular feminist ideologies side by side. Borne out of over two decades of work, this important volume combines essays from a variety of sources, ranging from those which originated as conference papers to those published in the popular press. Also including original material written specifically for this book, "Feminism and Islam" provides a unique and wide-ranging contribution to the field of Islam and gender studies.

Bridget Christie is a stand-up comedian, idiot and feminist. On the 30th of April 2012, a man farted in the Women's Studies Section of a bookshop and it changed her life forever. A Book For Her details Christie's twelve years of anonymous toil in the bowels of stand-up comedy and the sudden epiphany that made her, unbelievably, one of the most critically acclaimed British stand-up comedians this decade, drawing together the threads that link a smelly smell in the women's studies section to the global feminist struggle. Find out how nice

Peter Stringfellow's fish tastes, how yoghurt advertising perpetuates rape myths, and how Emily Bronte used a special ladies' pen to write Wuthering Heights. If you're interested in comedy and feminism, then this is definitely the book for you. If you hate both then I'd probably give it a miss. "Christie is adept at turning on a sixpence between being comical, or serious, or both at once, and at pricking her own earnestness." Telegraph 'Christie piles derision and tomfoolery upon everyday sexism, while never pretending that jokes alone will solve the

problem.' Guardian

Offering a comprehensive overview of social theory from classical sociology to the present day, this text guides students through the work of Durkheim, Marx and Weber, feminism, postmodernism and contemporary thinkers like Foucault.
