Alan had everything that money could bring and he took it all with a gun. Book 5 Long Black Veil -- Ten ye there was someone killed beneath the town hall light. There were few at the scene but they all agreed the slayer who ran looked a lot like me. Now ten years later the new sheriff wants the mu

Thousand Pieces of Gold

The Kentucky Law Reporter

Historical and Descriptive Narrative of Twenty Years' Residence in South America (Vol. 1- 3)

Firestorm and Other Pieces of Wind

Supreme Court

The extraordinary biographical novel about a Chinese-American woman who fought for independence and dignity in the American West—“an important contribution to the history of pioneer women” (Ms. Magazine) Lalu Nathoy’s father called his thirteen-year-old daughter his treasure, his “thousand pieces of gold”—yet when famine strikes northern China in 1871, he is forced to sell her. Polly, as Lalu is later called, is sold to a brothel, sold again to a slave merchant bound for America, auctioned to a saloonkeeper, and offered as a prize in a poker game. With over a quarter of a million copies sold, Thousand Pieces of Gold is a classic of biographical historical fiction that stars an unforgettable Chinese-American heroine whose struggles put a human face on the anti-immigration policies of the past and present.

This collection of Alaskan adventures begins with a newspaper article written by John Muir during his first visit to Alaska in 1879, when the sole U.S. government representative in all the territory's 586,412 square miles was a lone customs official in Sitka. It closes with accounts of the gold rush and the 1909 Alaska-Yukon-Pacific Exposition in Seattle. Jean Meaux has gathered a superb collection of articles and stories that captivated American readers when they were first published and that will continue to entertain us today. The authors range from Charles Hallock (the founder of Forest and Stream, a precursor of Field and Stream) to New York society woman Mary Hitchcock, who traveled with china, silver, and a 2,800 square foot tent. After explorer Henry Allen wore out his boots, he marched barefoot as he continued mapping the Tanana River, and Episcopal Archdeacon Hudson Stuck mushed by dog sled in Arctic winters across a territory encompassing 250,000 miles of the northern interior. Although the United States acquired Alaska in 1867, it took more than a decade for American writers and explorers to focus attention on a territory so removed from their ordinary lives. These writers-adventurers, tourists, and gold seekers-would help define the nation's perception of Alaska and would contribute to an image of the state that persists today. This collection unearths early writings that offer a broad view of American encounters with Alaska accompanied by Meaux's lively and concise introductions. The present-day adventurer will find much to inspire exploration, while students of the American West can gain new access to this valuable trove of pre-Gold Rush Alaska archives. Interesting piece, and difficult to find.

Historical and Descriptive Narrative of Twenty Years' Residence in South America in three volumes is a travel narrative by a British explorer William Bennet Stevenson who spent many years in Chile, Ecuador, Peru and Colombia, in early 19th century. About 1803 he landed on the coast of Chile, which at that time was inhabited only by indigenous people. His intention was to travel through the country, but he was detained a prisoner. He was conveyed to Peru, where he was permitted to reside in the town and to make excursions into the adjoining provinces. On the outbreak of the Ecuadorian War of Independence, Stevenson joined the insurgents, and he also served in the Chilean War of Independence, taking part in many naval operations. Upon his return he published the results of his American experiences. His goal in writing this book was to bring European readers closer to the distant continent which has undergone remarkable changes in its political and religious life. The book is of great value for the period of the Spanish American wars of independence, and he used his unique opportunities for observation to advantage.

In Pursuit of Alaska

Still Best Friends After All These Years

The eight Maggio kids grew up sharing everything from their fear of wild dogs to the neighbors' watermelon patch. Pieces of Eight takes readers into a world where sibling rivalry watching each other's backs is the norm. The anthology's sixty-plus stories from their childhood (told with hardly any exaggeration) and e-mail exchanges from today (written with humor) recount poignant situations, instructive mischief, and rewarding moments. If you've always wondered what other families are really like or why some brothers and sisters s while others do not, Pieces of Eight: Still Best Friends After All These Years provides some clues along with an entertaining read and some guaranteed smiles.

These two novellas are strange companions indeed. Wimble Lord depicts one man's fight for survival while the world around him is on the brink of extinction. What sets Wimble Lor from other 'end-of-the-world' sagas are his mad recollections of a futuristic civilization long since past. Emerging from his bomb shelter, he is confronted by a desert that bears a j giant fruits and swarms of migratory, other-worldly insects. Pieces of Humanity is part fantasy/fairytale straight out of Mozart's opera, The Magic Flute. 'The Magic Flute' himself o reader on a flight through time that unlocks the mysteries of existence as he is pursued by protagonists evE and Trash McKay in the hopes that they alone can possess his eterna

One of Amazon's Best Romances of 2017! Three years ago she was left in pieces . . . Most college freshmen love the newfound freedom of living on campus, but none of them craves it like Beth Caplan. One ill-fated night when she was fifteen left her locked in a posh prison of private tutors. It's for the best, everyone said, and maybe it was. But after years of hard work and healing, the one person who never thought of her as broken could be the one to break her all over again. And Beth can't seem to stay away now any more than she could all those years ago. As soon as David March learned his best friend's little sister was enrolling at his school, he promised to look after her, and promised himself he'd keep a safe distance. But the sweet little girl he'd grown up with has transformed into a gorgeous young woman, and she's attracting attention from people she shouldn't-like the ex who nearly destroyed her and a strange new student with a disturbing habit of showing up wherever Beth goes. But for David, the most troubling discovery is realizing that he doesn't just want Beth to be safe. He wants her to be his.

Six fictional short stories of Algonquin Park FIRESTORM and other Pieces of the Wind is a collection of six fictional short stories which blend the human spirit and the natural soul of Algonquin park Firestorm...a mother and her daughter face heartbreak and death in a firestorm in Algonquin...
