For courses in Financial and Managerial Accounting. Expanding on proven success with Horngren's financial and managerial accounting Horngren's Financial and Managerial Accounting, The Financial Chapters presents the core content of principles of accounting courses in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a student experience free of obstacles. Their pedagogy and content uses leading methods in teaching students critical foundational topics and concentrates on improving student results--all tested in class by the authors themselves. With this in mind, the 6th Edition continues to focus on readability and student comprehension. Also available with MyLab Accounting MyLab™ Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Students, if interested in purchasing this title with MyLab Accounting, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Redefining tradition in learning accounting. The fourth edition of Horngren's Financial and Managerial Accounting presents the basics of accounting in a fresh format designed to help today's learners succeed. The table of contents for the fourth edition has been significantly overhauled to provide a contemporary approach to the material. Additionally, the whole text has been put through a rigorous accuracy check, so readers can be confident that it is up-to-date and error-free.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(tm) and Mastering(tm) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. For courses in Financial and Managerial Accounting. Expanding on Proven Success with Horngren's Financial and Managerial Accounting Horngren's Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Fifth Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank.
