who lost a taste for it? Are you a Christian who needs community? Or do you simply feel alone? Spiritual Life Map: Finding the Compass(c) serves as a practical guide to a better way of life based on how Jesus lived in relationship with others. It shows how to create practices, relationships and communities that apply the ways of Jesus in today's world. It focuses first on our relationship with God as the central, or vertical, axis. It then adds the layers of relationships that we have with close friends, community and others as our horizontal axis. It is a map for:

Designing relationships that enhance our journey. Discipling others in our extended

The purpose of this book is for each of us to experience God's love and God's 'unfiltered' passion for us, and that we learn God on a personal and intimate level. That we become proactive in seeking God and as a friend once said, "Pursue the God that pursued you". Therefore, it is my continuous desire that we find our own personal truth in God and allow that truth to be our compass. This book is a tool for you to use daily. Read it, meditate on the word, write down your revelations because the

As you dig, I promise that you will see truths never seen before, and you will experience a revelatory flow from heaven that is just for you! in a racially diverse culture in the unforgiving and yet unbreakable town of Flint, Michigan. Having never met his biological father and having been adopted at a young age, Martin grew up in a religious family that often failed to practice what they heard preached on Sunday. Journey into Love chronicles Martin's journey through adolescence, marrying, having children at a young age, and the lessons learned throughout his life. Along the way, Martin experienced many

teaching moments that, while not evident to him at the time, formed him and fermented in his subconscious as he continued to make choices, some wise and some poor, based upon his need for immediate gratification. Though unique in his specific experiences and the depth to which he took his studies to learn and grow, many of the challenges that Martin struggled with and describes in this book are common to many individuals, men and women, in today's society.

As a Benedictine oblate, Martin developed close relationships with many priests, monks, nuns, and spiritual directors of different faiths. These relationships and the wisdom gained from these mentors and spiritual guides are woven into both sobering and humorous anecdotes throughout this book. In addition, Martin shares his experiences leaving the corporate world to pursue a path of service to others and personal exploration. The steps he took to divest himself of the material

WHERE IS GOD? It's a question you've probably asked. It's a question Joseph has definitely asked when his reality seemed decades away from what God had promised. Thus, in five 'peaces' of transformational thoughts, Joseph hands us a compass which points us in the direction where God may be found in times like that.
